On TRACK

By John Hoke, Editor

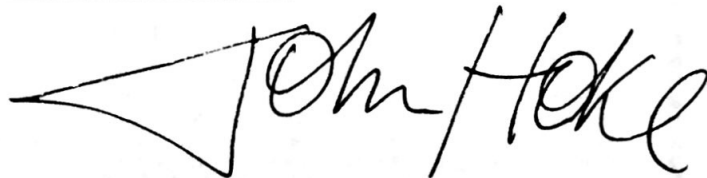

This is the premier issue of Oklahoma TRACK & FIELD NEWS, dedicated to covering the sports of track and cross country in Oklahoma. I have been in the publishing business for over 20 years as the editor and publisher of the Amateur Wrestling News--a publication founded by my father 38 years ago as wrestling's national counterpart to TRACK & FIELD NEWS. Now I have daughters competing in cross country and track and have found the same problem that my father encountered almost 40 years ago--a dismal lack of results and information about a sport my family is deeply interested in. Therefore, with the help of many coaches and athletes I have established the Oklahoma TRACK & FIELD NEWS, totally devoted to covering high school and collegiate track and cross country in Oklahoma.

There will be 12 issues a year with five coming in the fall to cover cross country and seven between February and the end of May to cover both indoor and outdoor track. For the balance of the 1993 track season there will be five issues including this one followed by two issues in April and two in May. Single copy prices will be \$4.00 an issue but an annual subscription will be only \$28.00.

In addition to comprehensive results I'm planning on publishing listings of the top times, state records, regional and state meet previews and photographs. All results will be used regardless of class or school size. Besides scholastic and collegiate results I will also cover the USA Track & Field (formerly TAC) events in Oklahoma with a wrap-up in the fall of our state athletes' participation in regional and national events.

Oklahoma TRACK & FIELD NEWS will be the official publication of the Oklahoma Track Coaches Association and will keep coaches up-to-date on the association's business and happenings including all annual coaches' award. Parents, fans and athletes will find the OTFN an invaluable resource for keeping track of what's going on in Oklahoma track and cross country.

This issue is being mailed to every high school in the state in order to give every coach an opportunity to see what going to be coming in the future. So, if you aren't already a subscriber please take the time to fill out and return the subscription blank located in this issue so you won't miss the next issue of Oklahoma TRACK & FIELD NEWS.

Oklahoma TRACK & FIELD NEWS is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Oklahoma TRACK & FIELD NEWS is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track), twice in March, April and May (outdoor track). Oklahoma TRACK & FIELD NEWS is the official publication of the Oklahoma Track Coaches Association. Mailed by first class from Oklahoma City, OK.

Catoosa Track Classic Catoosa High School 3/19/93

CATOOSA--The Norman boys outdistanced runnerup Midwest City 164 to 98 to easily win the Catoosa Classic class 5A meet held here March 20 on a cool damp day that saw over 70 teams competing. The Tiger girls did the same thing to Stillwater enroute to a 183 to 101 victory. Each Norman team claimed three of four relays and added four individual titles.

Boys double winners were Marsh of Oklahoma City Douglass in the 100m and 200m dashes and Blackshire of Norman in both hurdle events. On the girls side Hoke of McGuinness doubled in the 800m and 1600m runs.

Okmulgee dominated the class 3A event in the same fashion with the boys clobbering host Catoosa 173 to 109 and the girls blasting Cascia Hall 159 to 99. Both Bulldog teams won two relays and four individual events.

Okmulgee's Thompson was the only boy to pick up a double win as he claimed victories in the 100m and 200m dashes. For the girls Lang of Okmulgee also took the 100m and 200m dashes while Cascia Halls Gray won the 1600m and 3200m runs.

This is not a complete list of upcoming meets so please encourage all meet directors to send their results in as soon as possible.

Top Times/Distances

The full page listing of the best performances to date by Oklahoma track athletes is based on meets reported to Oklahoma TRACK & FIELD NEWS by March 29. They are listed following their event by name, school, time/distance (meet). Only events contested at the regional and state meets are listed here. There were several meets not reported by press time which leaves the possibility of some better times not being listed, especially at this time of year.

No effort has been made to separate times by class yet since we don't have enough results yet to justify it. However, we do intend to have a separate listing in future issues if we can get complete results of all meets in the state (Editors Note: this is a thinly disguised plea for coaches to send in their results.)

Please let us know if there are any (many?) inaccuracies in times/distances, spelling or school affiliation. Likewise, if you know of a better performance please send it to us. Coaches: Team Reports play an important role in producing this listing--please get yours to us ASAP!

National High School Indoor Track Highlights

SYRACUSE, N.Y.--Tony Wheeler of Hampton, Va., broke the national high school record in the 200 meters March 15 at Syracuse University's Manley Fieldhouse. The meet was postponed from the day before when the roof of the Carrier Dome had to be deflated because of the weight of the snow dumped by the blizzard that hit the eastern United States that weekend.

Hampton won the 200 in 21.29 seconds, breaking the U.S. scholastic record of 21.4 set last year at this meet by Jermaine Leis of Greenbelt, Md.

Amanda White of Cockeysville, Md., won the girls mile in 4:56.87, then came back less than two hours later to defend her two-mile title, winning that event in 10:34.31.

The boys mile featured Brian Wilkinson of Merced, Calif., and Robert Keino of Ridgewood, N.J. Wilkinson held off a furious kick by Keino, son of the 1968 Olympic champion Kip Keino of Kenya, to win the vent in 4:16.06. Keino finished in 4:16.44.
