By John Hoke, Editor

This issue of the Oklahoma TRACK & FIELD NEWS goes in the mail just a few days before the Class 3A-2A-A-B regionals begin around the state followed by their state championship meets the next weekend and the regionals for Class 5A and 4A. I finally got the SEASON LEADERS broken down by class but it was not without considerable effort and a huge amount of help from many coaches. I need to especially thank **Gary Boxley**, of Edmond; **Dave Morton**, at McGuinness; **Elvin Sweeten**, from Plainview; **Randy Belicek**, at Purcell; **Charles Butler**, from Wynnewood and **Mike Driskill** from Big Pasture. Many other coaches have given me input on these listings and I hope to keep them a regular feature in OTFN in the future. I would like to encourage anyone that sees a time/distance that needs to be updated to call or drop me a note. I still don't get all the results from around the state and sometimes even when I do it doesn't get figured into the SEASON LEADERS tabulations. The team rankings found elsewhere in this issue have been updated to include competition over the past two weeks.

If my face seems a bit red these days it is not just from the sunburn I get hanging around track meets. I made the mistake of assuming that the Weatherford girls team competing in a meet in Texas was from Oklahoma when it was not. Maybe I should study Texas geography too.

I hope the weather starts improving in the next couple of weeks. It seems that there have not been many great weekends for track meets this year. If it hasn't been cold and wet it has been extremely windy.

The Oklahoma Track Coaches Association is in the process of putting together an All-Star Team to run in Phoenix, Arizona at the Great Southwest Classic at the end of May. It is a seven-state meet consisting of the best of each state and this is the first year for Oklahoma to be invited. The meet will be held at Arizona State University in Tempe, Ariz. (suburb of Phoenix) on May 29th. If you feel you have an athlete that could possibly qualify please contact either Charles Butler, Wynnewood High School (girls coordinator) or Gary Boxley, Edmond High School (boys coordinator). Each participant will need to handle their own expenses in the range of $260 - $280.

The next issue will be dated May 13 and will cover the results of both the regional and state meets for classes 3A-2A-A-B as well as the 5A-4A regionals and a preview of the big school's state meet. If you haven't got a subscription yet its time to take the plunge.

Oklahoma TRACK & FIELD NEWS is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Oklahoma TRACK & FIELD NEWS is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track), twice in March, April and May (outdoor track). Oklahoma TRACK & FIELD NEWS is the official publication of the Oklahoma Track Coaches Association. Mailed by first class from Oklahoma City, OK.

Comet Invitational

Velma-Alma High School
4/17/93

VELMA-ALMA -- With no individual wins and only two relay wins, Carnegie used total team balance to win the Comet Invitational held at Velma-Alma High School April 17th. Velma-Alma grabbed seven individual titles and one relay victory to scor 121 points but couldn't match Carnegie;s 172 point winning total. V-A's Mandy Sims and Maysville's April Morton both captured three individual golds and added a relay gold to take home a total of four gold medals apiece.

The Carnegie boys didn't have as easy a time winning their title as they managed to edge Maysville by only one point, 106-105, for the boys team title. Cement's Simmons captured three individual titles, taking the 800m, 1600m and 3200m runs.
