Putnam City Wins Kansas Relays

University of Kansas
4/23/94

LAWRENCE, Kan.--The Putnam City boys put together a strong group of relay teams and came home the high school division winner from the Kansas Relays held here at the University of Kansas April 23rd. The Pirates, in their first-ever entry in this meet, out-scored 53 other teams from Kansas, Nebraska, Missouri and Oklahoma.

Coach Dorman Griffin's Pirates took first in both the 400 and 1600 relays, finished second in the 3200 relay and third in the distance medley relay.

800 meter specialist, Ben Pittman, set a new school record as well as the state's fastest time in placing second with a time of 1:59.9. Pittman, who is on his way to the University of Tennessee next year, also ran on the 1600/3200/distance medley relay teams.

Chris Tripplett also posted a new school mark in the 400 with a time of 49.2, good for a third-place finish. Tripplett has signed a letter of intent with the University of Central Oklahoma.

Other members of the relay teams were juniors Daniel Phillips, Billy Miller and Johnny Miller and seniors Daryl Roberts, Antwan Smith and Billy Payne.

PUTNAM CITY RESULTS:

TEAM SCORE: 1. Putnam City 32 (54 teams). **400:** 3. Tripplett. 49.2. **800:** 2. Pittman. 1:59.9. **400 Relay:** 1. (tie) Putnam City (Roberts, Smith, Payne, Tripplett) 43.4. **1600 Relay:** 1. Putnam City (Phillips, Payne, Tripplett, Pittman) 3:20.6. **3200 Relay:** 2. Putnam City (Phillips, B. Miller, Tripplett, Pittman) 8:02.7. **Distance Medley Relay:** 3. Putnam City (J. Miller, B. Miller, Pittman, Phillips) 10:47.1.

By John Hoke, Editor

At 30 pages this is another record-setting issue of Oklahoma TRACK & FIELD NEWS and I may have reached my capacity for sitting at a computer and typing results. There are over 35 meets reported in this issue of at least 50 that were held over the past couple of weeks and I really don't know how I would have managed if all of them had been reported. However--rest assured--I will have that figured out for the future so keep bugging your meet directors to send in their results PROMPTLY!

I certainly could not have done it without serious help from several coaches: Mike Driskil, Big Pasture; Bob Wood, Stroud; Charles Butler, Wynnewood; Jimmy Brackeen, Marlow; Randy Belicek, Purcell; George Lemons, Maud; Dave Morton, McGuinness as well as my own daughter, Jessica. The class season leaders listings are the best they have ever been thanks to the assistance from these people.

I've received a lot of phone calls regarding these season leader listings and I really appreciate the input, especially when I have overlooked someone's time or distance. Please don't be afraid to let me know when I've left someone out or made a mistake, it is the only way this publication can get better.

This is the last issue prior to the 3A-2A-A-B regional and state meets so look for results of both in the next issue. If I can, I will try to have a regional update available at the state meet.

The team rankings in this issue are based on expected state meet strength which is a little different than they have been up to this point. I have always been a bit leery of doing rankings because they seem to stir up so much controversy but we are lucky to be involved in a sport where the athletes themselves determine the final rankings which takes the pressure off.

There are only two more issues left in this track season, though I am contemplating a summer issue to report on USA Track & Field and AAU events. This means that there are many subscriptions expiring and it is time to renew yours so you won't miss any of the action. If you have come by this copy by some other means and are not a subscriber yet, there is a form on the back to take care of that. The full results of all state meets will be in the next two issues so don't take a chance on being left out.

I'm also excited about the Oklahoma vs. Arkansas All-Star dual meet that is going to be held May 21st in Greenwood, Ark., which is about 10 miles south of Ft. Smith. I hope to be there, camera in hand, and will have a full report with results in the last issue.

See you at a track meet!

Will you cross the finish line in the race for college?

Are you a high school athlete hoping to compete in college-level cross-country or track & field events? You may get the chance, but only if you're good enough AND the college recruiters know about you.

Both cross country and track & field are considered nonrevenue sports. What this means is that college recruiters in those sports have very little money available to search out the outstanding athletes they need for their teams. What it means for you is a hit-or-miss process that too often leaves even exceptional athletes overlooked.

How many college recruiters have contacted you so far?

If you are an outstanding athlete who would like maximum exposure to college recruiters, contact Pat Sullivan for a free evaluation.

Results

Attention Coaches and Meet Directors

It is very important that meet results be reported to the Oklahoma TRACK & FIELD NEWS office as soon as possible following the meet, preferably by FAX on the same day. We are still receiving incomplete results which only hurts lower placewinners' chances of being listed in the class rankings. We need to have all six places with times/distances reported even though we may only print a partial listing.

With over thirty meets expected over the next two weeks it will be difficult to make phone calls soliciting meet results--if you attend a meet be sure to request that results be sent promptly or wait for results and send them yourself.

BACK ISSUES of Oklahoma Track & Field News (Sept, Oct, Nov) and the State Cross Country Program are available while supplies last.

Helping Student Athletes Since 1986.

"My daughter was a state champion and didn't hear from any colleges until College Prospects helped us out. She heard from 52 schools and was offered 5 full rides."... Parent

"My daughter had only heard from small schools in this area. After CPOA, she is now hearing from 60+ schools with 23 being top Division I schools."...Parent

"My son has heard from 100 Division I and II schools ranging from the East Coast to the West Coast. CPOA has done everything that they said they could do."...Parent

"We use CPOA as a recruiting tool. Since our recruiting budget was cut, it's an easy way for us to consider student/athletes from around the country. They are thorough, dependable and extremely useful. I am a big supporter of CPOA and saw what it did for my daughter."...Big East Coach
