*NEW STATE MEET RECORD was set in the 2A boys' meet at Choctaw by Deer Creek's Carl Albright (right). Albright leads Vince McClain, Tishomingo and Arik Beardon of Lindsay, the eventual third and second-place finishers respectively. His time of 9:54.74 broke a record that was set in 1973. ### State Track & Field Championships

#### 3A-2A At Choctaw

##### Plainview Notches Seventh Title

CHOCTAW—The awesome Plainview girls put another notch on their belt here May 6-7 at the Choctaw High School track, claiming their seventh straight 3A girls' state championship trophy for coach Elvin Sweeten, who has announced his retirement after this season.

The Indians, led by sophomore distance ace Sarah Harvey, outscored runnerup Millwood 121-79. Harvey scored her second straight 1600/3200 double and was the meet's only two event individual winner.

Millwood won three relays (400/800/1600) with the same four girls--freshmen Shlaunda Hayes, Jennifer McMillan; sophomore Jackie Littlepage and junior Taquanna Benson--and all will be back next year. This quartet accounted for 77 of Millwood's 79 points.

Repeat winners from the 1993 meet were: Leah Norton, Plainview, 400; Tisha Lang, Okmulgee, 200; Leah Sanford, Plainview, 800 and Tiyah Ryan, Tecumseh, 100 hurdles.

##### Idabel Dethrones Okmulgee

The Idabel boys put on an impressive show, winning four individual titles and two relays to dethrone defending champion Okmulgee for the boys 3A title. The Warriors had won 10 straight titles before losing it to Okmulgee two years ago.

Millwood's Shomari Wilson was the meet's only double winner, taking both the 100 and 200 meter dashes. Grove's Brian Ailey was the only repeat champion, claiming another gold medal in the discus with a meet record throw of 165-5.

Here it is state meet time again. Last week were the 3A-2A-A-B meets at Choctaw and Moore and this week the 5A-4A meet gets under way at Choctaw also. This is the event that every athlete has been training and competing for all season long. Good luck.

While I was attending regional meets over the past two weeks the subject of automatic qualifying came up several times. I guess this might have been a bit more of a hot topic the past couple of years due to the bad weather that we've had during some of the regional meets. I know Arkansas has a qualifying system that is based on times/distances derived from the average of a state meet third-place finish over the past five years.

I think that this is a system we need to give some serious thought to since it would help alleviate the problem of a deserving athlete being eliminated from the state meet due to a bad regional performance. Please take the time to think about this and let me hear what you think. I feel like it is time for this type of system to be implemented in Oklahoma.

Teams for the Oklahoma vs. Arkansas dual had not been finalized at press time but the dual is still on for next Saturday, May 21st. Full information was in the last issue and you can look for a full report with photos in the next issue along with the 5A-4A state meet results.

The same goes for the Great Southwest Classic team which will compete in Phoenix at the end of May. I will be able to list those teams in the next issue which will be the last issue of the season.

Speaking of the end of the season and the last issue. I am planning on covering the U.S.A. Track & Field, AAU and Sooner State Games meets in the next couple of months and will publish a special issue around the middle of July with results and photos (also Great SW results) from those meets. Anyone that renews their subscription before the end of June will get this special issue so don't delay, send in your renewal now.

While I'm on the subject of subscriptions and renewals--please encourage your school, coach, parents, athletes to get their own subscription to the Oklahoma TRACK & FIELD NEWS. I'm encouraged by the response I receive from those that have seen an issue but I'm still a bit disappointed at the lack of support from schools and coaches in the state. So, coaches, put a subscription in your budget for next year so we can keep the track and cross country news coming.

Oklahoma TRACK & FIELD NEWS is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Oklahoma TRACK & FIELD NEWS is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. Oklahoma TRACK & FIELD NEWS is the official publication of the Oklahoma Track Coaches Association. Mailed by first class from Oklahoma City, OK.

# 5A-4A State Championship Preview

By John Hoke  
Editor

CHOCTAW--It promises to be another great track meet here at Choctaw High School May 13-14 as the big school meet opens up Friday afternoon. No single division has an absolute favorite, not even 4A girls, where coach Clyde Ellis' John Marshall Bears have dominated the winners' stand for 17 of the past 18 years. Here's a review of what's coming up:

## 5A BOYS

This is probably the tightest team race of the meet with three, or even four, teams capable of standing at the top of the podium when all the dust has settled. This division is also naturally filled with most of the state's top individual performers including the largest group of returning champions.

Based on points roughly figured from the season leaders' list, including regional performances, Enid gets the nod over Eisenhower and Norman with surprising Jenks a definite dark horse. One of the best races will be the first final of the meet when the 3200 meter relay teams take to the track with near-record times already in the bank, watch out. Norman, Putnam City, Enid and Jenks all look to contest this one.

The 800 meter race will be a dogfight with defending champion Jeremy Thayer looking to repeat though the season's best time belongs to Putnam City's Ben Pitman. Look out for Jenks' Brian Young in both the 1600 and 3200 but both races will have strong challengers in Larry Digby, Putnam North and Enid's Chance Rush.

Choctaw's Aaron Tracy holds the best throws of the season in both the shot and discus while no other competitor leads the list in more than one event.

RETURNING CHAMPIONS: 100/200: Demetrius Birch, B.T. Washington; 800: Thayer; 1600: Young; 3200: Rush; long jump: Jermaine Birdow, Lawton; high jump: Patrick McCabe, Norman; shot: Tracy.

## 5A GIRLS

This will be another tight race--I may get to sounding like a broken record--with both B.T. Washington and Union having a legitimate shot at the title with Norman the dark horse. I give the nod to the defending champion Hornets with a lot of weight granted to their past championship performances.

Washington's Schumpert leads in both the 100 and 200 meter dashes; Shawnee's Natalie Mann in the 1600 and 3200; and Union's Leslie Schlegel in the shot and discuss. Look for returning champions Lucretia Mays, Union, 100/long jump, and Kim Winter, Mustang, 1600, to be ready to nab another one.

## 4A BOYS

Edmond North has been the favorite all season but don't totally count the title a done deal with Duncan turning in an impressive regional performance last week. John Marshall is lurking in the wings here but would have to rely more on the favorites beating each other up than anything else.

This division boasts the only two triple regional winners and they will run smack up against each other: Northeast's Cornelius Mason and Noble's Chad Weaver in the 800/1600/3200. These two duked it out for the 4A boys cross country title with Mason the eventual winner.

The only two returning champions are Chickasha high jumper Steve Alexander and Duncan's Matt McCormick, discus.

## 4A GIRLS

The seemingly invincible John Marshall Bears may be facing their toughest meet in recent years with the combination of a very tough and deep Ardmore squad and the loss of their top state meet point scorer, Talea Wisby, leaving them open to a serious challenge for the championship. McGuinness will be hiding in the distance events, hoping these two knock each other out in the short races but it has certainly more interest than in years past when the fight was only for second.

John Marshall's Jameka Roberts is the only returning double winner, 400/800, with McGuinness' Jessica Hoke back only in the 1600 after missing all of the season with stress fractures. 5A high jump champion, Megan Toole, Edmond, will be back to compete against returning 4A champ Jamie Battles of Duncan and Broken Bow's Kisha Mack will defend her discus title.

Ardmore's Shana Dowdy leads the list in both the shot and discus while McGuinness freshman Ashley Boothe has the lead in both the 1600 and 3200 meter runs.

## 4A-5A Regionals Cold and Windy

Saturday May 7th was a cold, wet and windy day but it beat the storms of last year as all four 4A-5A regionals were run off as scheduled around the state.

NORMAN--In the 5A boys' division the only close race--and it was really close--was between Putnam City and Norman at the Norman regional. The Pirates grabbed victories in all three relays but edged the host Tigers by only 3 points on the strength of a narrow victory in the 3200 meter relay which Norman expected to win.

Double winners were: Darryl Roberts, Putnam City, 100/200; Larry Digby, Putnam North, 1600/3200; Terry Blackshire, Norman, 110H/300H; and Aaron Tracy, Choctaw, shot/discus.

In the 5A girls division Norman won with 180 point to runnerup Putnam City's 107. Double winners were: Sharie Northington, Del City, 100/200 and Candice Palmer, Norman, shot/discus.

John Marshall ran up the highest score in 4A girls, as expected but triple individual state champion Talea Wisby did not com-

pete. Double winners for the girls were: Jameka Roberts, John Marshall, 400/800; Courtney Moody, 1600/3200; and Tonjonique Green, John Marshall, 100H/300H.

The Bear boys grabbed the 4A boys title with Noble's Chad Weaver scoring the one or two triple wins of the day in the 800/1600/3200. Double winners were: Derick Marsh, Douglass, 100/200 and Jason Matthews, John Marshall, 110H/300H.

BARTLESVILLE--The Enid boys ran away with the 5A boys title here while the Union girls had a bit closer race over Stillwater. Boys double winners were: Shawn Mills, Enid, 100/200 and Chance Rush, Enid 1600/3200. Double winners for the girls were: Lucretia Mays, Union, 100/long jump; Jennifer Fontenot, Bartlesville, 200/400; Jennifer Christy, Bartlesville, 1600/3200; Danielle Hill, Union, 100H/300H; and Leslie Schlegel, Union, shot/discus.

In the 4A division the number one ranked Edmond North boys powered to a 172-133 win over Guthrie while in the girls' division the tables were turned with Guthrie taking the trophy with 136 points to Edmond North's 129.

Boys double winners were: Chris Allen, Guthrie, 110H/300H and Taber LeBlanc,

Edmond North, shot/discus. Double winner for the girls was Andrea Bell, McLain, 100/300H.

BROKEN ARROW--The B.T. Washington girls were impressive here in the 5A division but the surprise was from the Jenks girls as they scored an impressive 145 points to the Hornets' winning 166 while the Trojan boys showed they are for real by winning the 5A boys division with a whopping 206 points to runnerup B.T. Washington's 117.

Girls' double winners were: Kim Schumper, B.T. Washington, 100/200 and Natalie Mann, Shawnee, 1600/3200. Double winner for the boys was Jenks' Brian Young, 1600/3200.

In the 4A division the McGuinness girls powered to 233 points to Broken Bow's 168 while the Broken Bow boys took the 4A boys trophy over the Irish, 201-159. Boys double winners were James Nichols, McGuinness, 100/long jump and Clay Axton, McGuinness, 1600/3200. Double winners for the girls were Anissa Austin, Edison, 100/200 and Ashley Boothe, McGuinness, 1600/3200. LAWTON--The Eisenhower boys claimed the 5A title here over 5A newcomer Altus while the Edmond Memorial girls notched Altus for the 5A girls' title 117-100. The only boys' double winner was Altus' David Bennett who took the 110H and high jump while the only girls' double winner was Westmoore's Nancy Clowdus who won both the hurdle races.

In the 4A division the Ardmore girls showed they are definitely a threat, taking the trophy with 205 points to runnerup Duncan's 112 while the Duncan boys took the 4A girls title over Carl Albert 185-123. Northeast's Cornelius Mason notched the only other triple win of the day, bagging the 800/1600/3200. Boys double winners were: Virgil Maddox, MacArthur, 100/200 and Chris Antwine, Ardmore, 110H/300H. Girls' double winners were: Earlene Morrow, Northeast, 100/200 and Shana Dowdy, Ardmore, shot/discus.

### Helping Student Athletes Since 1986.

"My daughter was a state champion and didn't hear from any colleges until College Prospects helped us out. She heard from 52 schools and was offered 5 full rides."... Parent

"My daughter had only heard from small schools in this area. After CPOA, she is now hearing from 60+ schools with 23 being top Division I schools."... Parent

"My son has heard from 100 Division I and II schools ranging from the East Coast to the West Coast. CPOA has done everything that they said they could do."... Parent

"We use CPOA as a recruiting tool. Since our recruiting budget was cut, it's an easy way for us to consider student/athletes from around the country. They are thorough, dependable and extremely useful. I am a big supporter of CPOA and saw what it did for my daughter."... Big East Coach

# U.S.A. Track & Field

The Athletic Congress/USA (TAC) replaced the AAU as the National Governing Body for Athletics (Track & Field, Long Distance Running and Race Walking) in 1979 by mandate of the Amateur Sports Act of 1978. In 1992 the name of the organization was changed to USA Track & Field.

The USATF is responsible for coordinating Athletics programs at all levels of competition...from Youth Athletics, which includes Junior Olympics and Youth Age Group programs, to U.S. National Teams representing the U.S. in international competitions including the World Championships and the Olympic Games.

The Oklahoma Association of the USATF Track & Field program has been largely for Youth over the years but programs for Open and Masters athletes have been increasing gradually. In 1993 the first Annual Indoor was held at the Mosier facility at the University of Oklahoma and All-Comers Mini-meets are scheduled throughout the summer. The USATF is also responsible for all Athletics events in the Sooner State Games.

The Youth Athletics program is devised to permit an unlimited number of competitors for youth through the age of 18 to stimulate and broaden their interest in sports and fitness.

Youth Athletics actually consists of two programs—Junior Olympics and Age Group. The JO program uses a progression system of meets to qualify for a national championship. District Qualifying Meets are held in various parts of the state on the same day. An Athlete may choose the meet in which he/she wishes to compete. Javelin, race-walk and steeple-chase competitions are held only at the Association Championships (State Meet).

The top six finishers in each event, in each age group, advance from the District to the Association Championship. From the Association Championship the top four finishers in each event, in each age group, qualify for the Region 9 meet and then the top three finishers in individual and relay events qualify for the national championship.

The Youth Age Group program uses a qualifying Standard which must be met by the athlete in a USATF sanctioned meet or a high school meet larger than a triangular. The Qualifying Standards are established each year by the Youth Athletics Committee at the National USATF Convention. In Oklahoma, the Age Group Association Championships are held annually around the Memorial Day weekend, and traditionally have been held in the Tulsa area.

The Youth Athletics program is divided into five age division for boys and girls. The athlete's year of birth determines the division in which he/she will compete. Athletes must compete in their own age group only; no athlete may compete in younger or older division in individual, relay or team events. All athletes are encouraged to compete in both the JO and Age Group programs. Copies of birth certificates for all youth must be on file at the Association Office before a membership card can be issued. USATF cards are valid for the calendar year and can be obtained at any meet or by contacting the Oklahoma Association Office at 5312 N. Vermont, Oklahoma City, OK 73112.

## AAU State Track Meet

The Oklahoma Association of the AAU will hold its state championships June 11 at Moore High School. Registration begins at 9:00 a.m. with events starting at 10:00 a.m. Moore coach Ken Hogan is the meet director. Standard age groups will apply with the addition of a Sub-Bantam division (8 and under) for this meet only (no advancement to regional).

The top four finishers in each event and each age group will qualify for the Regionals at the University of Arkansas, July 16-17. The top three in each event and each age group from the regional qualify for the National Championships in Coco Beach, Fla., August 3-6.

## Will you cross the finish line in the race for college?

Are you a high school athlete hoping to compete in college-level cross-country or track & field events? You may get the chance, but only if you're good enough AND the college recruiters know about you.

Both cross country and track & field are considered nonrevenue sports. What this means is that college recruiters in those sports have very little money available to search out the outstanding athletes they need for their teams. What it means for you is a hit-or-miss process that too often leaves even exceptional athletes overlooked.

### How many college recruiters have contacted you so far?

If you are an outstanding athlete who would like maximum exposure to college recruiters, contact Pat Sullivant for a free evaluation.

### Cascia Hall Repeats in 2A Girls

In spite of missing most of the season due to a cross country stress fracture, Cascia Hall's Natalie Gray came through her fourth state championship with her fourth straight 1600/3200 double victory while leading the Commanders to their second straight 2A girls team title.

Gray, who is headed for Baylor next year, was the meet's only double winner. She now has a total of 15 gold medals in Oklahoma state cross country and track competition.

Watonga's Lori Schenk set a new state meet record in the 300 hurdles with a 45.04 but missed in her bid to repeat as a double winner when she false-started in the 100 meter hurdle preliminaries.

### Fairview Nips Stroud

Fairview claimed their first state 2A boys title in 12 years as they outscored defending champion Stroud 97-89 for the championship trophy. Deer Creek's Carl Albright broke an 11-year-old meet record when he won the 3200 meter run with a time of 9:54.74 and then turned around and won the 1600 meter run the following day.

Prague's Shannon Ward won both the 110 and 300 meter hurdle events and Stroud's Casey Bookout took both the shot and discus.

## A-B At Moore

### Turpin Takes A Girls

The Turpin girls, behind a four gold medal performance from Fawne Brewer, swept to the team title in the A girls meet at Moore, outscoring runnerup Velma-Alma 95-61. Brewer won both the 100 and 200 meter dashes and ran on Turpin's winning 400 and 800 meter relay teams.

The only other double winner was Kansas' Amy Armer who repeated her double 1600/3200 meter win from last year.

### Hooker Claims A Boys

Ranked number-one going into the meet, the Hooker boys didn't disappoint their fans as they came away with the team trophy in the A Boys meet at Moore, scoring 35 points more than runnerup Velma-Alma who finished with 65 points. Coach Stan Kachel's Bulldogs won two individual events and two relays enroute to the championship.

### Beaver Girls No Surprise

The B girls' meet went about as expected as the Beaver girls dominated the meet with 140 points to runnerup Boise City's 83. Frankie Cash was a double winner for the Lady Dusters, taking the 400 and 800 while Megan Gregg won both the shot and discus and set a new meet record of 127-0 in the discus.

Temple's April Kindred repeated as 100/200 meter dash double winner.

### Balko Nabs B Boys

The Balko boys put together a strong team effort to win the closest team race in the state championships, scoring 82 points to second-place Boise City's 67.5. Balko's Casey Cowan won the 200 meter dash, set a new meet record in winning the long jump and ran on the winning 1600 and 3200 meter relay teams, coming from behind to nip Beaver in the meet's final race.

Ketchum's Brandon Carter was double winner, taking both the hurdle races and Buffalo's Mark Levings repeated as a double winner, this time in the 800 and 1600 meter runs after taking the 1600/3200 double last year as a sophomore.

Elmore City-Pernell's Casey Langdon was the meet's only double winner, taking the 1600 and 3200 meter runs.

Durant cross country coach, Lynn Bowman, is looking for teams that want to compete in the 2nd annual cross country meet at Lake Texhoma State Park October 15th. The race is conducted in the park on a beautiful course with excellent facilities (restrooms, shelter, concessions) on site with plenty of parking.

The park is located at Catfish Bay on Lake Texhoma and the State Lodge has both rooms and cabins available for those wanting to make an overnighter out of it.

There will be two divisions, 4A-5A and 3A-2A as well as both junior varsity and junior high races. Coach Bowman can be reached at the school 405-924-8277 or at home 405-924-5549.
