OUTLAW INVITATIONAL--Marlow's top-ranked Junior Minson heads for the finish line just ahead of Velma-Alma's Zac Johnson in the 2A-#a boys race in the Outlaw Invitational held at Marlow High School August 28th. Minson finished fourth in 10:34 with Johnson fifth at 10:35. The Outlaws took the team title over Plainview, 42-52 and are the top-ranked 3A team in the state. Photo by Jeff Kaley/The Duncan Banner.

Cross Country Opens '93 Season

The 1993 Oklahoma cross country season opened with the first meet of the season held at Tishomingo August 21st and nine or ten meets have been held since with full results elsewhere in this issue which are the basis for the team and individual rankings.

Three state champions return from last year led by Natalie Gray, Cascia Hall, looking for an unprecedented fourth state cross country title in class 2A. Bishop McGuinness sophomore Jessica Hoke will be looking to repeat in 4A but won't appear in the ranking in this issue since she has not competed yet this season due to a stress fracture in her foot from track season. Jenks' senior Brian Young will also be looking for his second state championship after finishing second as a sophomore and winning last year.

Hoke and Young will be hoping to lead their teams to titles as well with both the McGuinness girls and Jenks boys strong--though momentarily not favored--contenders to repeat as teams champions. The Trojan boys are seeking to write themselves into the records books again with their sixth straight title while the Irish girls are gunning for their fifth title since 1987.

In 5A girls Bartlesville is looking to unseat the defending champions from Moore while the Norman boys handed Jenks their first loss since 1991 and stand at the top of the 5A boys ranking for the moment. The Tigers' Joey Donnelly also claimed an individual win over Young at the Western Heights meet. Jenks has replaced the phenomenal Amy Tinker with another standout in Carrisa Nix who is alone at the top of the 5A girls' individual rankings.

In 4A the McGuinness boys are looking good to repeat though they haven't been seriously tested yet this year. Guthrie's Justin Bumgardner is the leading individual though this is a wide open division this year. On the girls' side Durant has to have the edge so far with three impressive victories under their belts though once McGuinness gets healthy it should be a good race. With Hoke a question mark so far Guthrie freshman Brandi Woodard has been impressive and holds down the top individual spot followed closely by Durant's Courtney Moody.

Nothing new in 3A this year. The Plainview girls are, as one coach put it on his TEAM REPORT: AWESOME. The Indians ended Marlow's three-year reign as 3A girls state champions last year and there may be no end in sight. They are certainly the strongest girls team in the state, regardless of class, and the Meet of Champions in November will be their opportunity to finally prove it. Cascia Hall's Gray gets the top individ-

Welcome Back

Cross country season is in full swing and I'm back in the saddle with the production of the Oklahoma TRACK & FIELD NEWS. This first issue contains the results of every meet in I know about at press time but I'm sure there are others that I didn't hear about. A TEAM REPORT form was mailed to every coach in the state and presently I've gotten about 30% back and I can't emphasize enough how important these reports are to the production of the NEWS. If you are a coach and you haven't returned your TEAM REPORT or didn't get one, please at least drop me a list of your athletes and your schedule. There will be four more issues covering the rest of the season (about every two weeks) and I need the information to do the best job I can covering the balance of the season.

Class Rankings

There are 10 meets covered in this issue and they, along with TEAM REPORTS, are the main source of information used in the class rankings that also appear in these pages. I know there are going to be runners left out of this initial ranking because they either haven't competed or I haven't received the results of all the meets. Please feel free to contact me by phone, FAX or letter if you can help with information regarding the rankings. However, it is helpful to remember that these rankings are only for fun and that the runners themselves get to decide the real results at the end of the season.

Meet of Champions

Although it is not technically official yet everything is set for the inaugural cross country meet of champions. The meet director will be David Morton of Bishop McGuinness and the race will be held at the Oklahoma State University course on Saturday, November 6 the week following the state championship meet at Oral Roberts in Tulsa.

Qualifying will be through the state meet with the top three teams and top 15 individuals in each class eligible to compete. The Oklahoma Track Coaches Association is seeking corporate sponsors to help defray the expenses and anyone interested or knowing of a potential sponsor should contact coach Morton at 842-6638.

Subscriptions

I'm encouraged by the number of new and renewal subscriptions I've received over the past few weeks but I know there are a lot of parents, athletes and fans that don't know about the Oklahoma TRACK & FIELD NEWS. Please pass the word to those less fortunate souls and encourage them to get on the bandwagon with a subscription. Coaches: if you would like me to send a free copy to your parents I would be happy to comply if you would provide me with a list of their names and addresses--just mail or FAX me the information and I will take care of the rest.

Oklahoma TRACK & FIELD NEWS is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Outlaw Invitational Marlow, 8/28/93

MARLOW--The Jenks boys continued their winning ways in their quest to win an unprecedented sixth state title by edging Norman 64-66 in the 4A-5A division of the Outlaw Invitational held here at Marlow High school August 28. The defending state champion girls from Plainview stuck their old nemesis Marlow with a 22-75 margin for the team trophy while the Marlow boys brought home the bacon with a 42-52 win over Plainview in the 2A-3A division.

Defending Champions

RETURNING CROSS COUNTRY STATE CHAMPIONS--Jessica Hoke, Bishop McGuinness (left) and Jenks' Brian Harvey will be back to defend their individual state titles as well as hoping to lead their teams to repeat titles. The Jenks boys are seeking their sixth straight 5A title while the McGuinness girls are hunting for their fifth 4A title since 1987.

ual spot even though she hasn't seen any competition yet--she will get plenty of competition again from Plainview sophomore Sarah Harvey who is a formidable obstacle between her and her goal of four state titles. Marlow leads the 3A boys again with another super-strong team led by top individual Junior Minson. They will be looking for their third title in a row and their seventh since 1985. Plainview plays second fiddle here this year.

A lack of information makes it hard to pick 2A but the Velma-Alma girls get the nod over a tight pack at the moment with Elgin's Kelleigh Sanders holding down the top individual spot and on the boys' side Riverside looks good to repeat with Elmore City-Pernell's Casey Langdon the top individual.

The team and individual rankings represent our best guesses from the information we've received up to press time and we hope that no one gets their feelings hurt if they feel left out or misplaced--just let us know so we can make it better next time.

Charles Sheid Classic At Western Heights

OKLAHOMA CITY--The Norman boys pinned the first state loss in five years on the defending state 5A champions, Jenks, 35-37, in the 5A division of the Western Heights Charles Sheid Classic held here Sept. 11. The Tigers margin of victory came on the strength of Joey Donnelly's individual win over Jenks' defending state champion Brian Young. Young was undefeated last year and the Jenks boys have won the state championship five straight years. Defending state girls champion Moore cruised to a 36-50 over runnerup Jenks with Norman in third at 60 points.

In the 4A division the Elk City girls beat Guthrie and the Noble boys beat Guthrie for the team titles. The Plainview girls and Marlow boys took home the 2A-3A team trophies.
