ONE OF THE FEATURE RACES at the 5A State Meet saw Putnam City edge Norman in the 3200 meter relay, setting a state meet record in the process. PC's Ben Pittman holds off Norman's Jeremy Thayer in the final leg for the victory but coach Pat Lenington's Tigers came back to take the 5A Boys' team title. Full results inside. Photo by John Hoke

1994 5A-4A State Meet

CHOCTAW--The big schools' 1994 State Track Championships got underway here at Choctaw High School Friday May 13th and finished up Saturday May 14th with team and individual champions crowned in two classes, 5A and 4A.

The weather varied from warm and cloudy to hot and sunny with only a few moments of rain actually falling during the meet though there was substantial rain prior to both days' events. Sprinters' times were hampered by the wind and the distance races had to deal with the heat and humidity.

Choctaw High School's new eight-lane track was pronounced an excellent facility by coaches and participants and also served as the site for the 3A-2A meet the previous weekend. There is a good chance that one or both of these meets will return next year.

5A Boys Tigers Take 5A Boys

The Norman Tigers put together a well-balanced team effort, capturing four individual events and placing well in all relays, to out-distance runnerup Enid, 91-83 for the 5A Boys state championship, the sixth state championship for coach Pat Lenington who has been at Norman's head coach since 1965.

B.T. Washington's Demetrius Birch was the meet's high point scorer, as well as for all the boys' state meets, with 31 points. He won the 100 meter dash and ran on the winning 400 meter relay team and took second in the 200/400 meter dashes.

Norman's Terry Blackshire captured both the hurdle events while Enid's Chance Rush was a double winner in the 1600/3200 meter runs.

One of the most anticipated events of the meet was the 3200 meter relay which saw Putnam City edge Norman 7:47.07 to 7:47.15. The time was good for a state meet record but fell short of the state record

Look For Our Special Summer Issue

On TRACK

By John Hoke, Editor

This is the last regular issue of the 1994 track season but I will be covering the summer track meets (schedule elsewhere in this issue) in a special issue in late July. I hope that new readers will take the opportunity to subscribe now and if there is a strong enough response by summer track participants I will add a July issue to the regular schedule in the future.

I really enjoyed the 5A-4A state meets at Choctaw High School. The weather was very cooperative and the competition was outstanding. I had far more great photos than I had space to use so I apologize if I didn't get a shot of every winner in this issue.

The Oklahoma-Arkansas All-Star Dual was a great success with over 100 athletes from each state competing in a dual meet format in Greenwood, Arkansas, May 21st. I know there were some first-year problems, but all-in-all it came off as an outstanding meet and was a great opportunity for our athletes to showcase themselves at an All-Star Meet. The Oklahoma Track Coaches Association was the sponsor of the meet and I know president Ford Mastin of Prague put a lot of hard work into pulling it all together as did the coaching staff selected from around the state (listed in the 3/31/94 issue). This is something we should really strive to keep going in the future.

Another great opportunity for our elite athletes is the Great Southwest Classic which will occur in Tempe, Ariz., May 28th. Two teams of our best will be competing there again this year (also listed in this issue) and you can look for results in the special summer track issue in July.

Two of the state's most successful coaches announced their retirement in the past few weeks and they will leave some awfully large shoes to fill. Plainview's Elvin Sweeten and Jenks' John McGinnis have stepped down at two of the state's top programs. Good luck to their successors.

This is the last issue for many subscribers and renewal notices will go out shortly--as a bonus for renewing you will get the summer track issue in July so don't delay, renew now. Cross country season is just around the corner with the first regular issue of the season set to be out near the 1st of September so don't take a chance on missing any of these issues.

See you at a track meet.

which is 7:46.9 set by Guthrie in 1985. Putnam City's team was comprised of Daniel Phillips, Chris Tripplett, Billy Miller and Ben Pittman.

The only other meet record fell when B.T. Washington's 400 meter relay team ran a 41.21 to take .01 seconds off their own record set in the prelims in 1984.

5A Girls

Hornets Win Third Straight

Booker T. Washington's 1600 meter relay team came through in the state meet's final event. The Hornet's trailed Union by four points going into the 1600 meter relay but scored 12 as they finished third to capture their third straight Class 5A girls' state championship in a row, defeating runner-up Union 92-84.

FASTEST 800 METER time of the 5A-4A meet was turned in by Stillwater's Andrea Haley who ran a 2:16.33 in winning the 5A girls' division. Photo by John Hoke

Coach Greg Nash's Hornets were the only 5A-4A pre-meet favorite to come away with a first-place trophy which he credited to their strength in the relays where they won two and placed third and fifth in the other two.

Three girls scored double victories: Union's Leslie Schlegel in the shot/discus and teammate Lucretia Mays in the 100/long jump; and Shawnee's Natalie Mann in the 1600/3200. Mays was the only girls to break a state meet record, sailing 19-7 in the long jump to eclipse the old mark of 19-4.5 set by John Marshall's Leah Kirklin in 1988.

Mays was also the only 1993 champion to repeat--in both the 100 and long jump--while Mustang's three-time 1600 meter champion, Kim Winter, fell to Mann and discus champ Vicki Moore of Eisenhower finished third.

The Norman girls ran an outstanding 3200 meter relay in the first final of the meet, turning in a season-leading best time of 9:37.90. The team was comprised of Sherry Horton, Brandi Kappel, Stephanie Adams, and Andrea DeLozier.

4A Boys

Demons Destroy the Field

Duncan's Demon boys made it look easy, leading from start to finish in the Class 4A boys meet, outdistancing second-place teams (tied) Edmond North and John Marshall, 102-56. Edmond North had been a season-long favorite but had slipped to only slight favorites following regional competition. Coach Jim Beckhams' Demons' title was their third in four years.

In the concluding 1600 meter relay Douglass was disqualified for stepping off the track and even though John Marshall won the race anyway, Edmond North gained enough points to tie the Bears for second.

Duncan nabbed only two individual event wins and one relay but scored in all two other relays and eight individual events.

Double event winners were Douglass' Detrick Marsh, who took both the 100 and 200 meter dashes, and Northeast distance specialist, Cornelius Mason, who added the 1600 and 3200 meter run golds to his fall cross country gold.

4A Girls

Lady Tigers Nip Bears

Though it was forecast as a close race, the Ardmore Tigers' victory over perennial 4A girls' state champion, John Marshall, has to be rated as the upset of the state championship series. Coach Clyde Ellis' Bears had won 17 of the past 18 championships and were in the driver's seat headed for another when injuries suddenly put the title up for grabs prior to regional competition.

And grab it they did as Coach Lee Ann Muskgrove's Tigers assaulted the meet, grabbing victories in two relays and placing second and third in the others to score 122.33 points to the Bears' 116. Ardmore scored in 13 of 16 events with 12 qualifiers and what has to be scary for the rest of the class is that they return 10 of 11 point scorers.

Two meet records fell on the opening day as Ardmore's Shana Dowdy tossed the shot 41-10 to eclipse the old mark of 41-6.5 by Tiffanie Selmon of Douglass in 1989 and the McGuinness 3200 meter relay team of Lori Greenlee, Ashley Boothe, Kim Keaton and Jessica Hoke bettered the old mark of John Marshall in 1987 of 9:43.45 with a 9:42.70.

Andrea Bell of McLain bettered the 300 meter hurdles' record with a time of 44.35, topping the old mark of 44.94 by John Marshall's Drake in 1987.

McGuinness freshman Ashley Boothe was the girls' only double winner, taking both the 1600 and 3200 meter runs.

John Marshall junior Jameka Roberts was the only repeat winner, taking the 800 meter run for the second straight year

CLOSE FINISH--John Marshall's Shaneca Hishaw came from behind to nip Ardmore's Raquel Banks at the line for the win in the 4A girls' 1600 meter relay but it wasn't enough for the Bears as the Tigers hung on to win the team title 122.33 to 116. Photo by John Hoke

Want to compete at college?

You may get the chance, but only if you're good enough AND the college recruiters know about you.

If you're a cross-country runner, how many of the 857 colleges with men's teams and 732 colleges with women's teams can you name? Of those, how many places will be open on the team? How could you even find out?

The situation is similar in track and field, where there are 486 indoor and 594 outdoor track teams for men, and 479 indoor and 587 outdoor track teams for women.

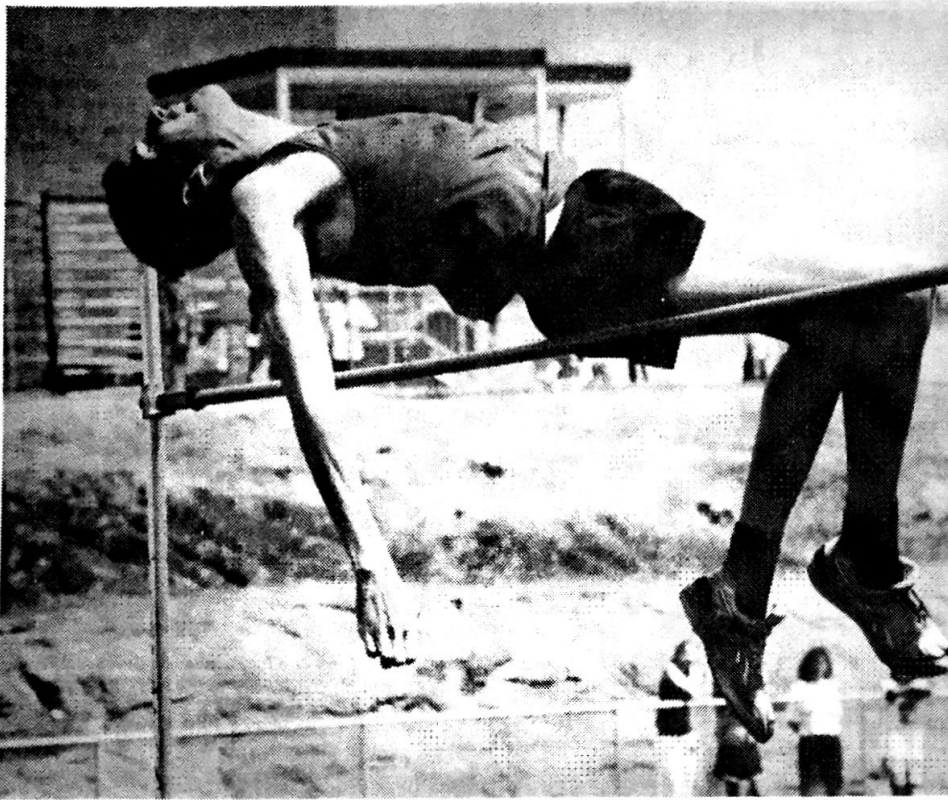

How many college recruiters have contacted you?

Oklahoma-Arkansas All-Star Dual

Greenwood, Ark.
5/21/94

GREENWOOD, Ark.--The Oklahoma All-Stars put on a good performance in the first Oklahoma-Arkansas High School All-Star Track Dual Saturday May 21st at Greenwood High School. The Oklahomans won both the boys and girls divisions with the boys squeaking by 265-258 while the girls had it a bit easier, winning 263-229.

The top four junior and senior athletes were eligible for the meet, sponsored by the Oklahoma Track Coaches Association, with the teams coached by Mike Adair, Bartlesville and Ford Mastin, Prague.

The girls captured five of eleven individual events and two relays while the boys took ten of fourteen individual events and all three relays.

5A state champions Leslie Schlegel, Union, and Terry Blackshire, Norman, were the only double winners. Schlegel won the shot/discus while Blackshire took both hurdle events.

High Point Scorers

Plainview's Sarah Harvey and B.T. Washington's Demetrius Birch came away from the two weeks of state championship track competition as the 1994 individual high point scorers with 31 points apiece and both led their teams to first place team titles as well.

Harvey, a sophomore, was the top scorer in all the girls' classes, winning the 3A girls' 1600 and 3200 meter runs, finishing third in the 800 meter run and first as a member of the winning 3200 meter relay team.

Birch, a junior, was first in the 5A boys 100 meter dash, second in the 200 and 400 meter dashes, and a member of the winning 400 meter relay team.

Three other tracksters scored 30 points at the state meets:

Fawne Brewer of Turpin won the Class A girls' 100 and 200 meter dashes and ran on the winning 400 and 800 meter relay teams.

Balko's Casey Cowan won the Class B boys' 200 meter dash and the long jump and was on the winning 1600 meter and 3200 meter relays.

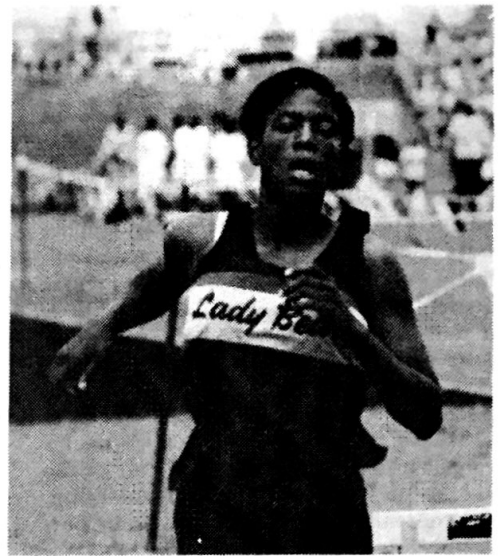

Frankie Cash, a Beaver senior, scored her points in the Class B girls with wins in the 400 meter dash and 800 meter run and as a member of the winning 1600 and 3200 meter relay teams.
