CENTRAL OKLAHOMA RELAYS

Edmond--Wantland Stadium

4/9/94

EDMOND--It was a good day for Millwood at the Central Oklahoma Relays held here at the University of Central Oklahoma's Wantland Stadium April 9th. The Falcon's Shamari Wilson ran the season's fastest 100 meters while the Millwood girls did the same in the 400, 800 and 1600 meter relays.

Wilson, who won both the 100 and 200, was clocked in 10.3 with the girls' 800 relay team turning a 1:45.1 and the 1600 a 4:07.7. The Falcon girls captured three relays as well as the top 100 meter spot.

McGuinness freshman, Ashley Boothe, ran the fastest 1600 of the season, dropping her time to 5:22.9 and then anchored the Irish distance medley relay to a victory. Union's Lucretia Mays double in the 200/long jump; Putnam City's Kay Trammell in the 100/400 hurdles; and Unions Leslie Schlegel in the shot and discus.

Putnam City North's Larry Digby had a field day in the distance events, capturing the win in the 1600, 3200 and 1800 steeplechase. The only other double winner was Putnam City's Ben Pitman who won the 400 and 800 meter runs.

On TRACK

By John Hoke, Editor

At 26 pages, this is the biggest issue of Oklahoma TRACK & FIELD NEWS produced so far. There are over 30 meets, more than a dozen photos and six--yes, six--pages of class top times and distances and the team rankings. And I still didn't get all the meets in the state reported.

In the next two weeks there will be over 45 meets in the state and I would be happy to produce a 32-page issue if all of them were reported, so be sure to send your results in promptly or ask the meet director to do so.

The final individual top times and distances list will be in the next issue for class 3A-2A-A-B and it is impossible to list six-deep in each event if I'm not getting full results from small school meets. I think all classes of schools deserve the same recognition and any shortage of results or listings is because of a lack of results, not a lack of interest.

Speaking of rankings--I really appreciate the calls and comments regarding mistakes and omissions and I hope that anyone that sees one will take the time to bring it to my attention. I'm not offended as long as everyone realizes that there are never any deliberate omissions and even though the results may actually be in an issue I am capable of overlooking them at times. Likewise, if you have a time/distance that would make one of the lists, please let me know so that I can make sure to get the meet results and add the listing.

The only times/distances considered for the listings are those that I find in full results submitted for publication. I would anticipate these listings being very useful for regional meet directors when they are doing their heatings.

Speaking of regionals--I think the regional assignment committee is to be commended for doing a great job on a tough and complicated project. It was accomplished very quickly and effeciently and I know that every member of the committee took his job seriously and paid close attention to the results of his class and division.

There will be one more issue out (April 28th) before the 3A-2A-A-B regionals on April 30th and 5A-4A regionals on May 7th and it will contain the final pre-regional listings. All regional results and 3A-2A-A-B state meet results will appear in the following issue May 12th which will also contain the final pre-state 5A-4A rankings and listings.

See you at a track meet!

Konawa Tiger Relays

Konawa High School
4/1/94

KONAWA--The Holdenville girls took home the team trophy from the Tiger Relays held here April 1st with an 18-point gap on runnerup Byng. The Wolverines nabbed four individual wins as well as three relay golds to build up their lead. Double winner: Butler, Byng, 300H/high jump.

Stroud had an easier time winning the boys' team title, scoring 152 points to runnerup Ada's 119. The Tigers took five individual titles and all three relays while pole vaulter Scot Wilkinson beamed the first jumper to clear 16 feet this year.

"My daughter was a state champion and didn't hear from any colleges until College Prospects helped us out. She heard from 52 schools and was offered 5 full rides."... Parent

"My daughter had only heard from small schools in this area. After CPOA, she is now hearing from 60+ schools with 23 being top Division I schools."...Parent

"My son has heard from 100 Division I and II schools ranging from the East Coast to the West Coast. CPOA has done everything that they said they could do."...Parent

"We use CPOA as a recruiting tool. Since our recruiting budget was cut, it's an easy way for us to consider student/athletes from around the country. They are thorough, dependable and extremely useful. I am a big supporter of CPOA and saw what it did for my daughter."...Big East Coach

Great Southwest Classic

The deadline for selecting the Oklahoma Track Coaches Association's All-Star team, which will participate in the Great Southwest Classic in Phoenix, Ariz., May 26-28, is April 19th.

The team will be made up of the best available athlete in each event with athletes from all classes, grades nine through twelve eligible.

Coaches who have nominations should contact Randy Belicek, Purcell, for girls and Ford Mastin, Prague, for boys.

It is very important that meet results be reported to the Oklahoma TRACK & FIELD NEWS office as soon as possible following the meet, preferably by FAX on the same day. We are still receiving incomplete results which only hurts lower placewinners' chances of being listed in the class rankings. We need to have all six places with times/distances reported even though we may only print a partial listing.

With over thirty meets expected over the next two weeks it will be difficult to make phone calls soliciting meet results--if you attend a meet be sure to request that results be sent promptly or wait for results and send them it yourself.

Sulphur Invitational

Sulphur High School

4/2/94

SULPHUR--The Tishomingo boys edged Wynnewood, 75-70, for the team title in the Sulphur Invitational held here April 2nd. The Indians margin of victory came in the final event, the 1600 relay, where they took a fourth place and Wynnewood did not place. The Savages won three individual events while Tishomingo nabbed two individual titles and one relay victory.

Marlow had an easier time topping Wynnewood for the girls' title, scoring 114 points to the Savages 85. The Outlaws won three individual and two relay titles. 21 teams competed in the meet which was run in mild, sunny, but very windy weather.

Altus Invitational

Altus High School
4/2/94

ALTUS--The John Marshall girls edged Oklahoma City rival McGuinness by 11 points for the team title in the Altus Invitational held here April 2nd on a warm but very windy day. The Bears and the Irish both took four individual and one relay title apiece but the Bears' depth was too much for the Irish to overcome. McGuinness' Ashley Boothe was the high point scorer and the only double winner, winning both the 1600 and 3200 titles.

Eisenhower duked it out with host Altus for the boys title, coming away with the trophy 134 to 119 points. The Eagles claimed five individual and one relay title. Double winners were: Digby, Putnam North, 1600/3200; Bennett, Altus, 110H/high jump; Adamson, Eisenhower, 400/800.

Will you cross the finish line in the race for college?

Are you a high school athlete hoping to compete in college-level cross-country or track & field events? You may get the chance, but only if you're good enough AND the college recruiters know about you.

Both cross country and track & field are considered nonrevenue sports. What this means is that college recruiters in those sports have very little money available to search out the outstanding athletes they need for their teams. What it means for you is a hit-or-miss process that too often leaves even exceptional athletes overlooked.

How many college recruiters have contacted you so far?

If you are an outstanding athlete who would like maximum exposure to college recruiters, contact Pat Sullivant for a free evaluation.

Turpin Relays

Turpin High School
3/31/94

TURPIN--The number two ranked Boise City B girls edged number one Beaver, 122-114, in the Turpin Relays held here March 31st. The Wildcats claimed four individual titles and the 1600 relay but probably won on the strength of a fourth-place finish in the 400 relay where the Dusters failed to place.

The Wildcats claimed the boys title as well, hanging on to their number one ranking in the process with top-ranked class A team Hooker in second. 15 teams competed in the meet but only winning efforts were reported and limited team scoring.

Tulsa All City

3/31/94

TULSA--B.T. Washington romped through the Tulsa All City meet held here March 31st, more than doubling second place in each division. The Hornets' titles were the third in a row for the boys and the fifth for the girls. Demitrius Birch won both the 100/200 dashes, clocking a 10.29 for the fastest time to date for the 100 and anchored the Hornets' winning 400 relay team to a fastest-of-the-season time of 41.48. Tulsa Memorial's Jon Pillow doubled in the 1600/3200.

On the girls' side Edison's Denise Austin was the only double winner, taking both the 100/200 while clocking a 25.54 in the 200 for the season's fastest time so far.
