Next Issue: May 26

1995 O.S.S.A. State Track & Field Meets

The University of Central Oklahoma's Wantland Stadium and the Moore High School Stadium were the sites of the 1995 Oklahoma Secondary School Activity Association's State Track & Field Championships May 6, 7 and 9 with the weather causing the meets to be postponed until Monday, May 9th, when they were finally finished at both locations.

Heavy thunderstorms moved into the area late Friday afternoon on May 6th with lightning and high winds accompanying the torrential rain. More of the same greeted the day Saturday but it cleared up enough to finish most of the preliminaries and first day finals. Monday was clear but very windy for the finals with the sun out most of the day.

3A and 2A at UCO

3A Boys--Idabel senior Charles Austin won the hurdle double (110 and 300) to lead his team to repeat as champions again over runnerup Okmulgee, 107-62. Austin was the meet's only double winner but Okmulgee's Juan Smith set a new state meet record in the 200 meter dash with a time of 21.19, breaking the record of 21.35 set by Frederick's Ronald Benn in 1987.

Repeat winners were Idabel's Michael Jackson (400); Grove's Brian Ailey (discus) and Hugo's Pamelie Smith (long jump).

3A Girls--Grove ended the seven-year domination of this class by Plainview with a well-balanced effort that overcame the distance specialist Indians and the sprint strength of Millwood. Bad news for anyone aspiring to this title next year--the Ridgerunners return their whole team.

Marlow sophomore, Bambi Carson, set a meet record in the discus with a throw of 132-10, breaking the old mark of 131-2 by Broken Arrow's Carmen Smith in 1989.

Grove freshman Carly McCulley spoiled Indian Sarah Harvey's bid to win her third double in the 1600/3200 when she edged Harvey by two seconds in the 1600. Harvey won the 3200 on Friday and was the only one of six defending champions to repeat this year.

2A Boys--Stroud withstood a strong challenge from Wynnewood but weight man Casey Bookout's record performance gave the Tigers the margin they needed to notch an 82-75 victory. Bookout won the shot/discus double for the third straight year, the first boy to achieve that feat in the weights and just the seventh overall to threepeat in two events dating back to Oklahoma's first track competition in 1905.

Bookout's shot put of 57-7 erased a 14-year meet record of 56-9.5 set in 1981 by Gilbert Hornbeak of Marietta and his discus throw of 192-8 beat the meet record of 181-2 by Hornbeak in 1981 as well.

Chandler sophomore Bobby Holmes won a rare individual triple in the 800/1600/3200, breaking his own personal bests and setting school records in each event. Warner's Chris Muskrat was the only other repeat winner, taking the 200 meter dash again.

2A Girls--Holdenville stormed to the championship with three relay titles in the 400, 800 and 1600, setting a new meet record for the 800 of 1:44.54 in the preliminaries, breaking

On TRACK

By John Hoke, Editor

It doesn't seem like it has been a full year since last year's state meets but I know that it has because I'm bleary-eyed and tired from typing results, sizing photos, scanning meet summaries for season leaders and writing my column. I've actually started to get nervous a few times when I think of the races coming up and what it means to all the athletes in the state that have qualified to compete in one of the state meets.

25 years ago the opportunity to participate in these meets didn't exist for girls and now it is one of the biggest girls sports in the nation. I could go on forever about the benefits of athletic competition for girls as well as boys but I'll cut it short by just saying that this is one of life's greatest experiences and one that our athletes will cherish forever.

The weather has certainly not been very cooperative this season, or at least it seems that way. Maybe it hasn't been as bad as it was in 1993 but it sure wreaked havoc with the state and regional track meets last weekend. Here's hoping we can get through the 4A-5A meets at Choctaw and stay dry and comfortable.

Since the regionals have just ended it's time to put my annual plug in for some sort of automatic qualifying system to alleviate the problem of a deserving athlete being eliminated from the state meet due to a bad regional performance. If you agree with me, let your representative on the O.S.S.A.A Track Advisory Committee know that you would like to see some progress made towards developing a system.

The Second Annual Oklahoma vs. Arkansas Track Dual is set for May 20th in Greenwood, Arkansas and the Oklahoma All-Star team had still not been finalized when we went to press. This was a great meet last year and should be even better this year. If you still want to nominate an athlete you can call one of the head coaches--LeeAnn Musgrove, Ardmore or Tom Snider, Edmond North--for further information.

We are planning to have another special summer issue this year to cover USATF and AAU spring and summer track meets in Oklahoma, as well as the Junior Olympic series which will give our athletes the opportunity to compete on a regional and national level. This issue will also contain the results of the Great Southwest Classic, Sooner State Games and anything else that happens between the end of May and the end of July. Subscribers that renew their subscription by the end of June will get this special issue free so don't procrastinate when you get your renewal notice--send it in ASAP.

While on the subject of subscriptions and renewals--if you are reading this and are not a subscriber it's time to become one--please encourage your school, coach, parents and athletes to get their own subscription to the Oklahoma TRACK & FIELD NEWS. It's the only way you can really keep up on everything that is happening in track in Oklahoma. If you don't want to cut up this issue to send in the subscription blank, give me a call at 405-524-8551 and I'll gladly take your subscription over the phone and send you a bill.

I've been getting a few requests for back issues and action photos and both are available on a somewhat limited basis. Back issues can be purchased for \$2.00 while supplies last and the current issue--the state meet results issue coming up--is \$4.00. We had photographers at all the state meets and if you are interested in any of the photos we use or might have, give me a call.

See you at the state meet!

Oklahoma TRACK & FIELD NEWS (ISSN 1080-8566) is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Oklahoma TRACK & FIELD NEWS is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. Oklahoma TRACK & FIELD NEWS is the official publication of the Oklahoma Track Coaches Association. Second class postage paid in Oklahoma City, OK.

Turpin Boys Win First Track Title, Laverne Girls Win Close Meet

Continued from page 1

the old record of 1:44.89 by Hobart in 1981. The Pirates' Anitra Lacy set a meet record in the 400 with a prelim time of 58.55 (old mark 58.75 by Kerri Benson of Comanche in 1986).

Watonga's Kacy Duffy filled the shoes of injured teammate Lori Schenk who pulled a hamstring in the regionals, winning both hurdle events and Sperry's Amber Crumbo set a meet record in the shot with a throw of 42-6.75, breaking the 41-6 mark by Jacque Estes of Lindsay in 1987.

Wynnewood senior, Deneice Knowles won her third straight 200 title and set a meet record in the process--for good measure she added the 100 title to her collection as well.

A and B at Moore

A Boys--Turpin swept all three relays to win their first-ever track title, scoring 111 points to runnerup Laverne's 82. Waurika's Nathan McElroy won his second state 110 hurdle title and set a meet record in the prelims of 14.62.

Velma-Alma's Zac Johnson repeated his 1994 double win in the 1600/3200 and Yale's Joseph Jester returned to the winner's stand after winning the high jump title in '93. Covington-Douglas-Garber's Jeff Schmidt repeated in the 400 again.

A Girls--Laverne captured their seventh straight state title in a meet that went down to the wire. Trailing by three points going into the mile relay, coach Charles Anderson's girls came through with a solid win to boost their point total to 90, nine points more than runnerup Velma-Alma's 81.

The Comet's Mandy Sims won both hurdle events and teammate Shannon Chapman repeated in the shot put while Kansas' Amy Armer claimed the 1600/3200 double for the third straight year. Another past champion winning again was Mountain View-Gotebo long jumper Tammy Birchell.

B Boys and Girls--Boise City grabbed both titles with the girls dominating the relays to win by 40 points over Beaver while the boys had to fight their way past Fox in the final relay before winning 88-78.

Temple junior April Kindred continued her spectacular state meet record with her third straight 100/200 double win while Beaver's Sara Kee closed out her career with a double win in the 800/1600 and Cherokee's Jennifer Whittet captured her third 100 hurdle title.

Beaver senior Megan Gregg pulled another state meet record out of her hat (her third), throwing the discus 132-0 to top her 1994 mark of 127-0. Gregg's teammate, Mandy Sage, took the shot put.

Boise City's girls opened the meet with a new record in the 3200 relay with a time of 9:59.55, topping the old mark of 10:03.33 by Medford in 1989 and then ended the meet with a new mark in the 1600 relay of 4:05.89 (old mark 4:06.72 by Cherokee in 1989).

Hydro's Jared Black repeated as a double winner again in the 1600/3200 along with Roderick Davis of Grandfield in the 100/200 and Brad Cornelison of Texhoma in the hurdles.

2A BOYS STATE MEET--Wynnewood and Watonga go at it in the finals of the 400 meter relay with the Savages taking home to gold medal. Photo by Andre Reddington

5A-4A State Track & Field Championship Preview

By John Hoke
Editor

CHOCTAW--The state's biggest schools will take to the track again for one final meet and the rights to be the state champions will be on the line--weather permitting, of course. The weather has been anything but great this season and everyone is hoping that some good conditions are on the way for the 5A and 4A State Track & Field Championships here at Choctaw High School May 12-13.

This is the second year that these meets have been held in Choctaw and if last year's meet is any indication, it will be another outstanding event and the last chance for Oklahomans to see their favorite teams competing against each other.

Over 30 athletes will be defending individual titles and only one returning team champion is favored to repeat--the Ardmore Tigers coached by LeeAnn Musgrove. Here's a review of what's coming with projected team finishes strictly based on regional times/distances only (many thanks to Daily Oklahoman sports writer Penny Soldan for compiling the statistics).

5A Girls

Projected Finish (based on regional performances): 1. Jenks 116; 2. Union 103; 3. B.T. Washington 72; 4. Midwest City 49; 5. Bartlesville 36; 6. Norman 35; 7. Del City 32; 8. Edmond North 30; 9. Yukon 28; 10. Northwest Classen 21.

Defending Champion: B.T. Washington.

Returning Champions: 200--Kim Schumpert, B.T. Washington; 400--Jennifer Fontenot, Bartlesville; 800--Andrea Haley, Stillwater; 3200--Carissa Nix, Jenks ('93); 100 Hurdles--Heather Runs, B.T. Washington; Shot Put/Discus--Leslie Schlegel, Union; High Jump--Megan Toole, Edmond North (4A).

Jenks, winner of the 5A girls cross country state championship last fall, has been the favorite since early in the season and has done nothing but get stronger as the season has progressed. The Trojans are led by a strong middle distance and long

distance contingent anchored by freshman Kelli O'Rourke and senior Carissa Nix and their 3200 meter relay team has the potential to threaten the state record of 9:20.86 set by Edmond in 1983.

Union, led by thrower Leslie Schlegel and B.T. Washington, led by Kim Schumpert and Heather Burns, can't be counted out but may tend to beat each other up in the sprint events while Jenks collects the distance points.

The 800 may be the best individual race of the meet with at least eight girls within two seconds of 2:20 at the regionals.

5A Boys

Projected Finish: 1. Eisenhower 87; 2. Edmond North 86; 3. Norman 66; 4. Moore 47; 5. Jenks 42; 6. Midwest City 37; 7. Edmond Memorial 35; 8. (tie) Del City and Enid 32- 10. Rogers 20.

Defending Champion: Norman.

Returning Champions: 100--Demetrius Birch, Rogers (100/200 in '93); Discus--Tabor LeBlanc, Edmond North (4A); Long Jump--Maurio Ratliff, B.T. Washington (5A), Ben Schadegg, Edmond North (4A), and Jermaine Birdow, Lawton ('93).

This was somewhat of a surprise when the points were tallied from the regional results since the Edmond North Huskies have been cleaning up at all their meets. However, Eisenhower competes a lot in Texas and hasn't really been seen that much by the rest of the state. With only one point separating the two this is certainly too close to call and I'm sure Norman is very capable of repeating their championship if the races go their way.

Rogers' Demetrius Birch, a transfer from B.T. Washington, is one of the nation's premier sprinters and will be someone to be sure to watch. He is the only individual non-field event champ to return. Enid's Jason Wolfe is near the top of the class in the 800 through 3200 but not by much. This will be a wide-open field and there will surely be some surprise winners which will decide which team wins the championship.

4A Girls

Projected Finish: 1. Ardmore 113; 2. McGuinness 74; 3. Guthrie 56; 4. John Marshall 46; 5. Tulsa Central 45; 6. Altus 42; 7. Northeast 32; 8.

Kelley 30; 9. Carl Albert 28; 10. Broken Bow 27.
Defending Champion: Ardmore.

Returning Champions: 100--Anissa Austin, Edison; 400--Nicole Monroe, Guthrie and Jameka Roberts, John Marshall ('93); 800--Roberts, John Marshall; 1600/3200--Ashley Boothe, McGuinness and Jessica Hoke, McGuinness ('93); 100 Hurdles--Alesha Peel, Tulsa Central and Talea Wisby, John Marshall ('93); 300 Hurdles--Andrea Bell, McLain and Wisby, John Marshall ('93); Shot--Shana Dowdy, Ardmore; Discus--Emma Stinson, Woodward; Long Jump--Shelly Jackson, Ardmore and Wisby, John Marshall ('93).

It is no surprise that coach Musgrove's Tigers are the heavy favorites in this class since they returned 10 of 11 point scorers from last year's team and had some very talented newcomers show up. What may be a surprise is that coach Clyde Ellis' John Marshall Bears aren't ranked in the top three after being at the top of the heap for 18 years before being dethroned by Ardmore last year. Don't take your eyes off the Bears--tradition runs deep and they will be out to do their best.

It's no secret that I hang out with McGuinness and I know that coach Dave Morton's Fighting Irish are hungry for a track title to go with their three-in-a-row cross country titles. They don't go head-to-head with the Tigers in many races, each dominates their specialty--Ardmore in the sprints and McGuinness in the distance events and everyone knows that there are more sprint points in a track meet than there are distance points. Guthrie would like to be a factor in this race and could end up second.

The individual field is littered with returning champions and former champions and only the 200 fails to return a champ.

4A Boys

Projected Finish: 1. Altus 93; 2. Broken Bow 73; 3. Claremore 44; 4. John Marshall 43; 5. Ada 40; 6. Duncan 38; 7. Ardmore 36; 8. McGuinness 34; 9 (tie) Guthrie and Northeast 32.

Defending Champion: Duncan.

Returning Champions: 100/200--Detrick Marsh, Douglas; 800--Ryan Birkenfeld, Pryor; 1600/3200--Cornelius Mason, Northeast; 110 Hurdles--Jeff Curtis, Duncan; 300 Hurdles--Justin Matthews, John Marshall; Shot--Kevin Brown, McAlester; High Jump--Brian Hughes, Ada (3A); Pole Vault--Michael Thompson, Duncan.

Altus is down to 4A from 5A where they finished sixth last year and have had a very good season so far. Coach Jeep Johnson's Bulldogs are solid across the board from the sprints and hurdles through the distance and field events and it will be tough for a one-dimensional team to knock them off the podium. However, waiting to do that will be coach Lynn Minor's Broken Bow Savages who are capable of scoring in everything except the distances. John Marshall has had some good meets and the Bears should be rated a dark horse if they can put it all together.

Individually this is a rich field led by triple event overall season leader, Cornelius Mason of Northeast. Mason owns the best times in the state from 800 meters through 3200 meters and hasn't had a close race all season in any class. Altus has an awesome sprint relay team and one of the nation's best hurdlers in David Bennett. Douglas' Detrick Marsh is also one of the na-

4A-5A Regionals

All but one of the 4A-5A regionals scheduled for Saturday, May 6th were postponed until Monday, May 8th, due to fierce thunderstorms across the state. The regional at Will Rogers High School in Tulsa managed to get completed on Saturday with those at Jenks, Norman and Carl Albert finishing up on Monday under much better conditions--cool, partly cloudy to sunny, moderate wind.

CARL ALBERT--Midwest City took the girls 5A title over Moore, 190-118, taking two relays and five individual titles. Del City's Sheri Northington was a double winner in the 100/200 and Midwest City's Smith won both the shot and discus.

The boys 5A race was much closer with Moore hanging on for a four-point win, 152-148, over Midwest City. It wasn't over until the mile relay with Midwest City needing some help to take points away from Moore but it didn't materialize. The Bomber's Pettis was the only double winner, taking both hurdle events.

John Marshall won both boys and girls 4A titles with the boys knocking off defending state champ Duncan 154-124. The girls barely scraped by, needing a win in the mile relay over Duncan to notch a 160-157 win. Double winners were Earlene Morrow, Northeast, 100/200 and Carl Albert's Holmes in the 300 hurdles and long jump.

Northeast's Cornelius Mason was a triple winner, taking the 800/1600/3200 while MacArthur's Maddox won the 100/200 double.

WILL ROGERS--Union knocked off defending 5A state champion and cross town rival, B.T. Washington, in the girls race, led by Leslie Schlegel's double win in the shot and discus. The Hornets got a double from Kim Schumpert in the 100 and 200 but it wasn't enough to close the gap.

For the 5A boys it was even easier as Union steamrolled to 205 points over runnerup Muskogee's 85. Rogers' Demetrius Birch won the 100/200 double and Union's Carter took both hurdles.

Guthrie edged Kelley, 120-113 for the 4A girls title and Claremore took the boys 4A title over Ada, 166-153. Double winners in the girls division were Guthrie's Nicole Monroe, 400/800 and Brandi Woodard, 1600/3200; Kelley's Bashaw in the 100 and long jump and McLain's Bell in the hurdles. Double winners for the boys were Ada's Daniels in the 100/200 and McLain's Sanders in the long jump and high jump.

JENKS--Edmond North continued to roll towards the state meet with a solid win over Jenks in the 5A boys division. Enid's Jason Wolfe was a triple winner in the 800/1600/3200 and the Huskies' Frank Johnson doubled in the 100/200.

The Trojan girls had no trouble winning the 5A division, scoring more than 100 points more than runnerup Edmond North. The Huskie's Erin Du-

laney doubled in the 100/200 along with teammate Katie Webster in the shot/discus while the Trojans' freshman, Kelli O'Rourke, won the 800/1600 double.

Broken Bow won the 4A boys title easily over McGuinness but the Irish girls slipped by the Savages 186-167. Girls double winners were Edison's Anissa Austin, 100/200; McGuinness' Ashley Boothe, 1600/3200 and Broken Bow's Tequilla Gordon, shot/discus.

Double winners for the boys were Broken Bow's J. Thomas, 100/200 and M. Boyles, 110H/300H; and McGuinness' Jimmy Holt, long jump/high jump.

NORMAN--Eisenhower took the 5A boys title over host Norman, 188-121 while the Tiger girls reversed the outcome in the 5A girls race. Putnam City North's John Fitzgerald was the only double winner for the boys, taking the shot/discus double. Double winners for the girls were Yukon's Keely Dean, 800/1600 and Norman's Candice Palmer, shot/discus.

The Ardmore girls won by the largest margin of any regional, whipping Altus 241-109 for the 4A title while the Altus boys beat Douglas 223-187 for the 4A boys crown.

Double winners for the boys were Altus' David Bennett, 110H/high jump; Sheely, pole vault/long jump; and Brian Whitlock, 1600/3200. For the girls the only double winner was Ardmore's Shana Dowdy, shot/discus.

Oklahoma USATF/AAU Schedule

DATE	EVENT	TIME	CITY/SITE
5/16	OK Mini-Meet Series III	7:00p	Sapulpa HS
5/20	Ponca City Classic (All Ages)	9:00a	Ponca City HS
5/23	All-Comers Mini-Meet	6:30p	Cascia Hall
5/27	OK USATF Age Group Championships	9:00a	Cascia Hall

THE ATHLETE'S KITCHEN

By Nancy Clark, MS, RD

Magic Bullets

If running faster, jumping higher and getting stronger could be achieved with taking a magic pill, wouldn't athletes be happy! No more hours of endless training and thoughtful eating. Rather, you could simply pop a pill or drink a potion to achieve your goals. Perhaps unrealistic, unethical or illegal—but eager athletes yearn for success.

In the quest for "magic bullets," exercise scientists and athletes alike are searching for ways to enhance performance. The strategies include 1) providing supplemental fuel to the muscles (carbo-loading, fat-burning), 2) fatigue of the brain and the nervous system (caffeine, serotonin, branch-chain amino acids), 4) building stronger muscles (protein, amino acids) and 5) preventing dehydration (water, sports drinks). You have undoubtedly seen these ergogenic tactics advertised in sports magazines. Are the claims legitimate? Sometimes yes, sometimes no.

To clarify some of the current controversies that surround ergogenic aids, The Gatorade Sports Science Institute brought together respected researchers to present their knowledge at a Nutritional Ergogenics Aid Conference (Chicago, November 1994). The following briefly summarizes some of the presented information.

Is fat loading the next magic bullet? No. Although the hypothesis is intriguing that "fat loading" can improve endurance performance by increasing the use of the relatively unlimited fat stores for fuel and decreasing the reliance upon the limited carbohydrate (glycogen) stores, there is insufficient evidence to support this notion.

With hard training, your muscles can adapt to greater fat-burning. But excess fat does not enhance endurance. At best, trained muscles can utilize only 8-12% of the fats that pass through the muscle. Scientific evidence still says that exhaustion relates to carbohydrate depletion—despite what ads for "fat burning" foods and pills suggest.

Can extra branch-chain amino acids such as valine, leucine and isoleucine prevent the mental fatigue that is associated with exhaustion? Fatigue is associated with biochemical changes that occur in the brain as well as in the muscles. For example, exhausted athletes have a high level of brain serotonin. This substance increases when blood levels of the serotonin precursor tryptophan are higher than the branch chain amino acids (BCAAs). Will BCAA supplements correct this problem? Doubtful.

Low doses of BCAA supplements tend to have little effect upon brain serotonin; large doses are unpalatable, can contribute to dehydration, and may create a toxic reaction. The better way to reduce mental fatigue is to simply consume adequate carbohydrates during endurance exercise. These carbs (from sports drinks or solid foods) reduce the amount of tryptophan in the blood, consequently reduce brain serotonin levels, and fight fatigue.

Will extra protein enhance performance by building stronger muscles? No. Although athletes do have slightly higher protein requirements than the average sedentary person, both strength and endurance athletes who eat a proper sports diet can easily get the recommended 0.5 to 0.8 grams protein per pound of body weight (75 to 120 gms pro/150 lb athlete)—the amount in peanut butter on a sandwich, a can of tuna and two cups

yogurt). Claims that extra protein will enhance performance are unsubstantiated. Nothing can replace consistent strength training.

Will creatine enhance performance in oarsmen, hockey players, 100 meter sprinters and other athletes who do short bursts of high intensity exercise? Perhaps. Creatine is a naturally occurring compound found in meat and fish. (Vegetarians tend to have lower creatine levels than meat-eaters.) Creatine is also available in powder and pills. Creatine phosphate is used by the muscles to generate energy for 1-10 seconds of intense work. Prior to exercise, 5 grams creatine (dissolved in 8 oz. of water) taken in the morning, at noon, afternoon and evening for 5 days increases muscle creatine. This allows muscles to perform better during brief all-out exercise bouts.

Creatine is not a drug, so it is unlikely to become a banned substance. The questions remain: Is extra creatine any more devious than extra carbohydrates? Do creatine supplements contradict the spirit of "fair play" in sports?

Can athletes who do short-term, intense exercise enhance endurance by buffering lactic acid? Yes. The metabolic acids generated during intense exercise hinder muscular function. Bicarbonate (as in baking soda) taken at 0.15 gms/lb body weight one to two hours before the exercise task buffers the acids and can enhance performance during an event that lasts 1 to 7 minutes (1500m running, 400m swimming, rowing events, wrestling). Caution: athletes who "soda load" commonly experience intestinal distress. If you are tempted to use buffers, you should not only weigh the ethics of this practice, but also determine during training if you can tolerate the buffer without side-effects that hurt performance. Also note that some athletes respond better than others. (Editor's note: neither Oklahoma TRACK & FIELD NEWS nor Nancy Clark encourages this practice. It is listed here in the interest of an honest dialog concerning scientific information relating to sports.)

What's the best way to delay fatigue and enhance performance? Without question, preventing dehydration and maintaining normal blood sugar via adequate fluids and carbohydrates is the best investment in top performance. This means being well hydrated and well fueled (3-5 grams carbs/lb body weight/day) every day so you can train at your best; pre-event, drinking extra fluids until your urine is clear; during exercise that lasts longer than 60-90 minutes, consuming adequate carbohydrates (120-200 calories/hour) and fluids; afterwards, recovering with about 200 calories of carbohydrates per hour x 5 hours. Not magic or mystical, but food does work—and it is ethical!

Nancy Clark, MS, RD, nutrition counselor at Boston-area's Sports Medicine Brookline, is author of Nancy Clark's Sports Nutrition Guidebook (\$18) and The New York City Marathon Cookbook (\$23). To read how to eat for greater energy and top performance, send check payable to Sports Nutrition Services to 830 Boylston St., Brookline MA 02167.

Regional Results

Top 3 Qualify for State

(*Denotes additional qualifier. Regional winners of first, second and third qualify for the state championship. The next two best performances also qualify. In running events only two participants may qualify. In case of ties, qualifiers will be determined by lot of those tied. In field events, the next two best heights or distances qualify. In case of ties, those tied will all qualify.)

5A Boys At Rogers

TEAM SCORING: 1. Union 205; 2. Muskogee 85; 3. Owasso 62; 4. (tie) B.T. Washington, Broken Arrow 58; 6. Bartlesville 57; 7. Rogers 42; 8. Tahlequah 18.

100: 1. Birch, Rog. 10.25; 2. Claybon, Un. 10.70; 3. Lockett, BTW, 10.74; 4. Dainty*, Un. 10.79; 5. Williams, BTW, 11.14.

200: 1. Birch, Rog. 21.06; 2. Claybon, Un. 22.48; 3. Dainty, Un. 22.54; 4. Cooper*, Un. 22.55; 5. Griffin, Rog. 22.96.

BAYLOR

CROSS COUNTRY / DISTANCE CAMP

Two Sessions: June 11-16 June 18-23 (Limited Space)

Camp Director:

✓ Steve Gulley, Baylor's Head Men's and Women's Cross Country Coach. In his seven years as head coach, he has led the men's and women's teams to six Southwest Conference titles and crowned five individual champions.

Guest Speaker:

✓ Todd Harbour, Collegiate Record Holder for the mile (3:50.34). While at Baylor, he won 11 SWC distance events titles.

Benefits:

- ✓ Develop personal training guidelines.
- ✓ Tailored instructions for specific workouts and programs.
- ✓ Experience a safe training atmosphere in a small college campus.
- ✓ Train with Baylor cross country team members.
- ✓ Individual training guidelines.
- ✓ Weight training instructions.

For Information:

HIGH SCHOOL TRACK 1995

HST's 37th (!) edition is now available. It has a complete statistical wrap-up of the great 1994 prep season, men & women, indoors and out. National, age and class records. 1994 and all-time performance lists. An indispensable resource for the high school track fan. 68 pages. \$5.00, plus \$1.00 postage/handling per order. Prepared by T&F HS editor Jack Shepard.

Make checks payable to and order from:
Oklahoma Track & Field News, PO Box 54679,
Oklahoma City, OK 73154

Other State Qualifiers

Regional winners of first, second and third place qualify for the state championship. The next two best performances (times, heights, and distances) also qualify for the state meet.

a. IN RUNNING EVENTS, only two participants may qualify under this regulation. In case of ties, qualifiers to the state will be determined by lot of those tied.

b. IN FIELD EVENTS, the next two best heights or distances will qualify for the state meet. In case of ties, those tied will qualify for the state meet.
