Cross Country State Championships

By John Hoke Editor

TULSA-Eight teams were crowned state champions at the Oklahoma Secondary Schools Activities Association Cross Country State Championships held here on the Oral Roberts University campus October 29th. It was a mild, partly cloudy day, with temperatures climbing a bit into the uncomfortable range by the end of the day but the competition was fierce, with all but two team races being decided by 17 points or less.

Individually, Plainview junior, Sarah Harvey, claimed her first state titleafter being the runnerup for two straight years—with the fastest time of the day and at least the past three years on this course with a fantastic 11:54. For the boys, Northeast senior Cornelius Mason, turned in the best time with a 16:01.

Teamwise, the McGuinness girls were awesome, with the meet's largest margin of victory, 70 points over runnerup Guthrie, and one of the best average times in girls cross country state history on this course, 12:33.8. The same could be said for the Little Axe boys, winners over three-time champions Marlow, with the meet's best average time, an incredible 16:55.2, but past boys times are harder to calculate.

But, there are a lot of stories to tell, so let's start at the beginning.

2A Girls

Defending champion Ashlea Barby of Laverne led up the first hill but individual favorite, Amy Armer, Kansas senior, took over and led into the mile followed close by Canton's west regional champion, Mylissa Seifried, with Laverne's Crystal Fuller a bit back. Armer and Seifried gradually pulled away, establishing a 30-yard lead on the pack by the time they turned off Lewis street and started up the last hill with about a half mile to go. Armer wins in 12:41 with Seifried second at 12:48 and Fuller fading to seventh.

Velma-Alma had been a slight team favorite going into the race but East Regional winner Lexington had a strong performance and edged the Comets by four points, 80-84, for the title with Carnegie taking third at 92.

3A Girls

This was the tightest team race of the meet with West Regional winner Marlow edging East Regional champ Grove by one point and two-time defending champion Plainview getting relegated to third, only two more points back. The outcome was no surprise with any one of the three capable of taking advantage of the other's mistakes and when the Indians' number-two runner fell, coach Jimmy Brackeen's Outlaws were there.

In the individual race there was not much doubt about who the winner would be with the unbeaten Harvey expected to dominate it as she did. However, Elgin senior, Kelleigh Sanders, went out with Harvey and matched her stride for stride. The pair led the field at the mile by 20 yards and continued to increase their lead together until Harvey pulled away going up the last hill, winning by 15 seconds. Sanders was all alone in second, 18 seconds ahead of third place, Grove freshman, Carly McCulley.

2A Boys

Defending champion, Buffalo senior Mark Levings, went out knowing he was going to have to run the race of his life to beat Velma-Alma's undefeated senior, Zac Johnson. Levings led comfortably into the mile with Johnson moving into second past Hydro's Jared Black but still well back. Johnson pulled even with Levings going up the hill a half mile before the two-mile mark and the pair ran together into the two-mile mark with Johnson looking stronger and Levings beginning to fade a bit. Johnson kept up the pressure, building his lead and eventually won by 19 seconds over Levings with Black in third by another seven seconds.

On TRACK

By John Hoke, Editor

Another great state meet is in the record books and this issue is pretty much devoted to covering that event with full results, commentary, statistics and photographs. This will be the last issue until the end of February when we will cover the results of the indoor track season and preview the upcoming outdoor season. This issue was held up by a week in order to get the Oklahoma vs Arkansas results in and any cross country results we receive after November 16th will be published in the February issue.

Since I just mentioned the upcoming track season it is time to remind coaches that I will be mailing a TEAM REPORT form sometime in the not-too-distant future and it is VERY IMPORTANT that this form get filled out and returned as soon as possible. The TEAM REPORT is the only information we get regarding schedules, team rosters (for correct spelling and class year), coaches names and phone numbers. I will be asking many coaches for help again this year in compiling top times/distances by class and any coach or individual interested in helping should drop me a line or give me a call before February.

I should give cross country coaches a pat on the back for doing a good job of getting their TEAM REPORTS in this year. I received over 90% of the top ten teams in each class and I'm sure that next year it will be 100%. I also think I got the results of almost every meet held in the state but I'm not going to be satisfied until all are reported, completely, with all names and times.

The Oklahoma Secondary Schools Activities Association is allowing three indoor competitions this year, including the Coaches Association's Indoor Games. If any teams compete in out-of-state meets I hope you take the time to send us the results. There is information elsewhere in this issue on the indoor meets coming up.

There is also information on the Oklahoma Track Coaches Association's Winter Clinic which is a great event and gives us something to think about besides basketball for a weekend in the middle of the winter. The OTCA is the driving force behind many cross country and track activities and events and if you are not a member it is time to join. Membership benefits include: summer clinic, winter clinic, Indoor Meet, Senior All-Star Awards, Coaches Service Awards, Hall of Fame, Oklahoma vs Arkansas track and cross country duals, Great Southwest Classic, and Coach of the Year Awards. Plus, it is your collective voice as your professional organization in advancing the interests of track and cross country in the state. Contact Pat Lenington at Norman High School for a membership application.

Last year there were over 360 schools with track & field teams in the state of Oklahoma and less than one-third were subscribers to the Oklahoma TRACK & FIELD NEWS. Most coaches get an opportunity to see copies even if they aren't subscribers but many athletes are missing out on the chance to see their name in print. We run results of 25 to 35 meets in every issue as well as six-deep individual rankings and it was taking an average of 120 hours to produce each issue. As I have said before, this is truly a labor of love but if you want to keep on enjoying the fruits of this labor, every school in the state with a program needs to have a subscription. Help keep the NEWS coming--sell a subscription to a friend, teammate, coach, fan, school library, administrator, local newspaper, TV station.

Thanks. See you at a track meet!

Oklahoma TRACK & FIELD NEWS is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. Oklahoma TRACK & FIELD NEWS is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. Oklahoma TRACK & FIELD NEWS is the official publication of the Oklahoma Track Coaches Association. Mailed by first class from Oklahoma City, OK.

Little Axe Wins 3A Boys

Continued from page 1

The tight team race expected between Lindsay, Tahlequah Sequoyah and Chisholm didn't develop as coach Claud Cameron's Leopards leapt to a 54-point margin of victory over the other two who were tied with 96 points each, Sequoyah getting the runnerup trophy on the strength of their 35th-place sixth man beating Chisholm's 40th.

3A Boys

The surprise in this race was not that Little Axe knocked off three-time defending champion Marlow but that an upstart freshman from Dickson ran his best race of the year, at just the right time and won the individual title, disposing of Little Axe's defending champion, Spud Blanchard, and Marlow's top-ranked, Clint Loyd, in the

process. The Comets' David Lampkin took the lead before the mile mark and was never threatened. He had a huge lead going into the two-mile mark while the rest of the field seemed intent on each other and the team race which was developing between Marlow and Little Axe. The Indian's Jeremy Johnson finally tried to reel him in but it was too late for that, falling short by four seconds.

Coach Barry Klein's Indians had been waiting for this day since last year when they fell only seven points short of upsetting the Outlaws. This year, led by junior Johnson at 16:33, they put four runners in under 17:00--Ralph Dumas, 3rd at 16:43; Blanchard, sixth at 16:52 and Brandon Lewis, 7th at 16:56--with fifth runner Shawn Myers in 12th at 17:32 their team average was a meet-best 16:55.2 and they beat Marlow 29-46.

4A Girls

Going into the state meet this was the only "sure thing" division with Dave Morton's McGuinness team virtually untouchable in this class, led by number one ranked Ashley Boothe-loser only 5A Jenks' Kellie O'Rourke in Arkansas-and two-time defending champion, Jessica Hoke. The Irish didn't disappoint anyone, placing five runners in the top ten and outscoring Guthrie, 23-93. Besides sophomore Boothe in 1st and junior Hoke in 6th, they had freshman Kelly Long, 2nd, senior Jill Airington, 5th and sophomore Kim Keaton, 9th with a team average time of 12:33.8, the best on this course in at least the last eight years.

In the individual race, Boothe took off going up the first hill with Guthrie's Nicole Monroe and Brandi Woodard along with Hale's Brandy Bratton and John Marshall's

MELISSA FLOOD, Moore, 5A girls champion.

Jameka Roberts hanging on long enough to develop a gap on the rest of the field. Into the mile mark, Boothe had increased her lead to 60 yards with Monroe alone in second and Woodard another 25 yards back. Coming off Lewis and heading up the hill Roberts had dropped off and the chase pack, now one group, consisted of Monroe, Woodard, Long, Bratton, Airington, and Durant's Courtney Moody. Boothe cruised in at 12:07 with Long edging Monroe for second at the line and Bratton edging Airington for fourth.

5A Girls

This was another race full of surprises with Jenks' freshman O'Rourke coming into the meet unbeaten by anyone in Oklahoma and the easy number one pick. Moore senior, Melissa Flood, had different ideas. O'Rourke and freshman teammate, number two ranked Renee Alhgren, led by about 40 yards at the mile with Flood sitting

ASHLEY BOOTHE, McGuinness, 4A girls champion.

CORNELIUS MASON, Northeast, 4A boys champion.

in third. Off Lewis and up the hill Flood pulls O'Rourke and Ahlgren in and drops them, winning by 15 seconds. It was a cat-fight for second through tenth as O'Rourke nips Yukon's Keely Dean at the line for second, both timed in 12:24; Ahlgren barely gaining fourth over Union's Megan Riddle by one second, 12:27-12:28; Eisenhower's Kenyatta Jones, Edmond North's Megan Toole and Edmond Memorial's Jamie Marden, 6th-7th-8th, all at 12:29 and Edmond North's Summer Lamons edging Shawnee's Jessica Gibson for 9th, 12:31-12:32. Whew! Glad I wasn't picking that one.

In the team race, Moore was very impressive in winning the West Regional and had

State Meet Notes

Cornelius Mason was the only one of six defending champions to repeat.

Oklahoma TRACK & FIELD NEWS had six of eight individual champions ranked number one.

Of the 24 teams that finished in the top four in each race, <u>OTFN</u> had 22 ranked within two places of their finish.

Marlow's one-point victory over Plainview in 3A girls was the closest team race of the meet.

McGuinness' 70-point win over Guthrie was the larg-

est margin of victory.

Tulsa Hale freshmen triplets, Amy, Brandy and Melissa Bratton finished 4th, 12th and 19th, leading the Rangers of coach Robin Roberts to a strong third place finish in 4A girls.

Fastest times of the meet were Mason's 16:01 and Plainview's Sarah Harvey's 11:54. These compare to the 1993 times of 15:53 by Jenks two-time champion, Brian Young and Cascia Hall's four-time winner, Natalie Gray's 12:05.

McGuinness girls led the total number of All-Staters with five; Little Axe boys had four; Marlow boys and girls had three each; 13 other teams had two each. There were a total of 56 teams with at least one All Stater (27)

boys and 29 girls).

Their were only seven seniors in the top ten of all classes for girls while the boys had at least 22. In 3A and 4A girls there was only one senior in each class in the top 15.

182 schools participated in cross country in 1994 compared to 160 in 1993. 2A--77; 3A--37; 4A--36; 5A-32.

1994 Power Ranking

By John Hoke Editor

Thanks to some creative computer programming and a lot of work on the part of Steve Skocik and the Tulsa Track Club (responsible for race timing services and results) a combination of all classes into one was made possible. As Steve commented: "This is an extremely valid comparison as all these athletes ran the same course and virtually the same conditions."

In the absence of a Meet of Champions this is the best way to draw comparisons between teams of different classes and lots of interesting statistics appear when the computer scores everyone in the same race. Team scoring was done just as it is in individual class races with runners from incomplete teams being dropped out of the team scoring.

In the girls division it was no surprise that McGuinness was the top team with one of the best-ever average times of 12:33.8. This compares with Plainview's best-of-meet times in 1992 of 13:09.4 and 1993 of 12:42.4. 1993 Meet of Champions winner Bartlesville ran a 12:52.8 in the 1993 State Meet. The Irish have some significant statistics to back up a claim to being one the best state girls team, ever.

It is interesting to note that Plainview had the fastest average in their class but still finished third while in the Power Ranking the Indians were fourth overall, ahead of both Grove and Marlow.

In the boys division it was Little Axe by a long way with the Indians' team time of 16:55.2. The most interesting statistic to pop out of this combination is that number two Jenks has the fourth fastest average time yet still ended up second. This graphically illustrates the importance of team balance and how differently the size of a race can effect the outcome. It is dif-

ficult to come up with boys overall statistics from the past since results were not often kept deep enough to get average team times but Little Axe certainly can rest at the top of the pile until someone can come along with a better documented time.

So, here is the 1994 Power Ranking. Have fun with it! (Place. Team Individual placings in combined race=team score, team members in order of finish, average team time).

gained the top ranking over the Trojans who had held the spot all season, never losing to an Oklahoma team. But the Lions couldn't duplicate their regional 30-second spread (1st through 5th runners), dropping to 59 seconds while first-year coach Greg Rice's Trojans turned in a 38-second spread, good enough to climb back into the top spot, 59-75, and take home the trophy.

4A Boys

This was another race where the individual winner was really not in doubt with defending champion, Northeast senior Cornelius Mason, the odds on favorite to repeat. The big question was: would he have the fastest time of the day? Yes, he did, at 16:01, the closest anyone else came was Ed-

mond Memorial's Mark Thompson at 16:26 and Dickson's Lampkin at 16:29. Mason led start to finish, stretching a 10-yard gap at the first little hill into a 100-yard lead by the mile, it was going to be a race for second and the team title from here on out.

Fittingly, the race for second came down to Guthrie's Santon Jones and McGuinness' Mike Connolly, representing the number one and two ranked teams in the race. After a tight, see-saw battle through two miles along with Claremore's Lawrence Shortbull and Guthrie's Jeremy Cleek, Connolly emerged with second place all his own and a short lead. But, with less than 400 meters to go, Jones--a basketball-playing senior in his first cross country season--passed Connolly for good and set coach Clay Tarter's Bluejays on their way to unseating the twotime defending champion Irish and spoiling their hopes of a "triple double."

5A Boys

Saving one of the best races for last, this division promised both a tight individual race and a team race that had no less than four teams capable of taking home the trophy. In the end the difference might have been tradition as Jenks held on to win their seventh straight title in spite of having only one runner in the top 15, sophomore Mike Pense, 9th.

The Trojans lost by one point to Enid in the East Regional but it was without Pense and they were narrowly holding onto the top ranking going into the race. Norman was looking like the strongest challenger with Enid close behind in third and a very hungry--really, really, hungry--Midwest City team the darkhorse.

At the mile it was a tight pack with Eisenhower's Gary Porter leading with teammate Welton Jefferson in the pack along with Edmond Memorial's top ranked sophomore, Mark Thompson and Enid's number two ranked Jason Wolfe. Coming off Lewis Wolfe now leads the pack followed by Porter, Thompson, Norman's Jeff Baer and Jefferson.

Into the two-mile mark Baer has taken the lead followed by Thompson and the Tiger's Joey Donnelly, Jefferson and Porter. Thompson gains a 5-yard lead on Donnelly down the stretch parallel with the start and holds on for a five-second win with Shawnee's Anthony Wilson moving up to third while Baer edges Wolfe for fourth. In a move that was good for two points in the spread, the Trojan's Pense took the Bombers' Marcus Vasquez for ninth by two seconds and Jenks hung on to win, 78-83.

Indoor Track Meets

At this point we've received information on only two indoor track meets and both are being conducted at the Shawnee Expo Center on the 160-meter board track-just like the one that is used by the Myriad.

The Prague-Little Axe Indoor Meet will be held Friday and Saturday, January 27-28 with 4A and 5A boys and girls (four separate divisions) beginning Friday at 4:00 p.m. On Saturday the meet will begin at 10:00 a.m. with 3A boys, 2A boys and 3A and below girls (three divisions).

The Twentieth Annual Oklahoma Track Coaches Association Indoor Games will be held Friday and Saturday, February 10-11. This is the meet that has been conducted in the Myriad Convention Center in the past and is considered the Indoor State Championships.

Track events and field events will begin at 4:00 p.m. on Friday with 4A and 5A boys and girls (four separate divisions) and 10 a.m. on Saturday for 3A boys, 2A boys and 3A and below girls (three divisions).

Coaches will report at 3:45 p.m. and 9:45 a.m. to their area of assignment. Deadline for entry will be February 4, 1995. There will be no late entries accepted. Entry fee is \$50 per team or \$10 for an individual. Separate entry fee must be submitted for each girls and boys team. Limits are two entries per event and one relay team per relay event.

SPECIAL NOTE: This meet is organized and conducted by members of the Oklahoma Track Coaches Association and no teams or individuals are allowed to enter the meet if their coach is not a member of the association (Memberships may be obtained by contacting Pat Lenington, Norman High School or Oklahoma Track & Field News). All coaches entering team will officiate at the meet.

GIRLS EVENTS: 55m high hurdles, 55, 200, 400, 800, 1600, 3000, 1600 relay, 3200 relay, high

jump, long jump. shot put and triple jump. BOYS EVENTS: 55m high hurdles, 55, 200, 400, 800, 3000, 1600 relay, 3200 relay, shot put pole vault, long jump high jump and triple jump.

For further information contact Ford Mastin, Prague High School; Barry Klein, Little Axe High School or Pat Lenington, Norman High School.

MARK THOMPSON, Edmond Memorial, 5A Boys champion.

Thoughts About Food: 1994

by Nancy Clark, MS, RD

"I haven't had a real meal all week...I've been strung out with work and training." Mary, a nurse and runner; "Due to soccer and swim practices, we are lucky if our family eats dinner together once a month." Paul, a dad, lawyer and coach; "I dread going home for the holidays...family dinners are sooo fattening." Sherry, a college student and skater.

"In our culture, where slenderness is next to saintliness, we also fear meals as being fattening. Somehow, enjoyment of food has become morally questionable."

Dr. Margaret Mackenzie, anthropologist

How often, in today's hustle and bustle, do we hear anyone talk about enjoying meals? The grab and gobble approach to fueling ourselves seems to be the current American way of life. According to Dr. Margaret Mackenzie, anthropologist and speaker at the 1993 American Dietetic Association's Annual Meeting, "Meals are an endangered species in the United States. Surveys suggest that only 46 percent of children share meals with adults every day. Yet, sharing meals is a nourishing ritual, a ritual that adds pleasure and richness to our lives. Instead of enjoying meals, Americans perceive that sitting down to eat will take too much time. In our culture where slen-

derness is next to saintliness, we also fear meals as being fattening. Somehow enjoyment of food has become morally questionable."

Our society must be struggling if Dr. Mackenzie needs to remind us about the forgotten philosophies that food is fun, meals are an important ritual, and eating well is a pleasure. Many health-conscious, sportsactive people have gotten caught up in the modern view that food is either the cause of or cure for the diseases of aging. A quick scan of the titles in consumer magazines reflects current attitudes about choosing food for its medicinal and functional qualities: Do or Diet: Food vs Disease; Pumping Immunity; Foods that Act Like Medicine; Stalling Cancer with Soy. Media send messages that individual foods can heal, but meals, somehow, are fattening and to be feared.

Although we can be thankful that nutrition scientists are discovering ways to improve our health and longevity, we also need to look at the holistic definition of health. Certainly pleasurable meals that are prepared tastefully and eaten with enjoyment can enhance the quality of life. Foods, after all, are far more than a source of nutrients. They are a statement of cultural and ethnic heritage, traditions, lifestyles and customs. Will our children have the same fond memories of cooking aromas and family meals that we enjoyed?

Holiday times reflect the height of food's role in perpetuating family tradition. Yet, I often hear athletes express their fear of holiday food as a fattening enemy, not a pleasure of the season. Some dread going home for the holidays. As one runner complained, "My parents' house is filled with special Christmas foods. The only thing we do is eat, eat, eat. I hate having to battle the constant temptations. I'd rather stay in my own apartment..." He knew he'd be expected to eat specially prepared foods that once were childhood favorites but now are dietary demons.

The Japanese have a guldeline: Make all activities pertaining to food and eating pleasurable ones.

To re-awaken Americans to the pleasures of food, the American Institute of Wine & Food has brought together 50 food and health leaders (dietitians, chefs, writers, doctors, cooking instructors, anthropologists, psychologists, food marketers, exercise scientists) to bridge the gap between food that is good for our health and food

that tastes good. A special issue of their Journal of Gastronomy was devoted to the importance of eating together, sharing food and bringing pleasure back to eating - all within the USDA's Dietary Guidelines. The guidelines are:

1. Eat a variety of foods. (Don't live on bagels and pasta day after day.)

2. Maintain a healthy weight. ("Diet portions" of even rich foods are not fattening.)

3. Choose a diet low in fat, saturated fat and cholesterol. (Rich foods can be balanced into an overall low-fat diet.)

 Choose a diet with plenty of vegetables, fruits and grain products. (Carbohydrates come in many varieties.)

5. Use sugars only in moderation. (You can abate sweet cravings with appropriate meals that satisfy the appetite.)

6. If you drink alcoholic beverages, do so in moderation. (First, quench your thirst with water, then enjoy wine or beer socially, if desired, as a relaxing part of a meal.

The Japanese have an additional guide-

Make all activities pertaining to food and eating pleasurable ones. Why did that get omitted from our culture?

As you redesign your 1994 Newtrition Program, you might want to include "better enjoyment of meals" and take steps to eat well (not over-abundantly...there is a difference) and nourish yourself holistically.

Here are some tips.

"Give yourself permission to eat relaxing meals. If you have "no time" to stop to eat, remember that, as a human, you can't be effective from the time you get up until you collapse at night. But you can enjoy meal time to relax, socialize, "sharpen your sword" and refuel so that you will maximize your effectiveness throughout the day.

*At least one meal a day, practice eating slowly. If you gobble your food, you miss out on the best part about food: the taste. You can better enjoy the taste, aromas and textures of food if you eat slowly and savor the meal.

*Eat appropriate portions of your favorite foods. Even Christmas cookies, holiday breads, and other childhood favorites can be balanced into an overall low-fat, high-carb sports diet. Balance and moderation are the keys to dietary health. Prohibition and denial that leads to over-indulging are the demons. Bon appetit!

NCAA Division I Championships

The Big Eight Conference has three men's teams and one women's team ranked in the top ten of the NCAA Division I coaches poll released prior to district qualifying meets the weekend of November 12th. The Division I Championships will be held at the Prairie Grove Battlefield near Fayetteville, Ark., November 21st.

A total of 184 individuals and twenty-two teams will be selected from the eight districts in both mens and womens divisions.

For the men, Arkansas has been the team of the '90s, winning every championship of this decade but they will face a stiff challenge from Georgetown and Wisconsin. The Hoyas beat the Hogs on the Prairie Grove course (8k) in October and hold the number one ranking while the Badgers, ninth last year, are the number two ranked team.

On the women's side, Villinova has won the last five team titles but several teams, including Arkansas, Providence, Michigan and Colorado are primed to put that streak to an end.

Oklahoma vs. Arkansas Dual

Razorback Golf Course Fayetteville, Arkansas November 8, 1994

FAYETTEVILLE, Ark.—McGuinness' Ashley Boothe came within a couple of seconds of breaking the 11-minute barrier in the Oklahoma/Arkansas Open Dual held here on the University of Arkansas Razorback golf course November 8th and both the boys and girls would have won the team titles if team scoring had been kept. Little Axe's Jeremy Johnson took the boys individual title.

The race was held in an open format but pitted the best of Oklahoma against the best of Arkansas and the Okies came out looking great. It would not have even been close for the girls as Oklahoma put eight in the top ten with 4A state champ Boothe prevailing over 3A champion Sarah Harvey in their first-ever cross country meeting while 5A champ Melissa Flood of Moore finished fourth behind Guthrie's Brandi Woodard in third.

In the boys race it would have been much closer with both states sharing in the top ten and twenty equally. Johnson, state runnerup in 3A, won with a 16:27 with Norman's Jeff Baer in third at 16:32.
