1996 O.S.S.A.A. State Track & Field Meets

By John Hoke, Editor

The University of Central Oklahoma's Wantland Stadium and the Moore High School Stadium were the sites of the 1995 Oklahoma Secondary School Activity Association's State Track & Field Championships for classes 3A and below May 3rd and 4th.

This year the weather cooperated better with warm, breezy conditions on both days. Over three thousand athletes competed in four classes and two divisions for the state championship honors.

3A and 2A at UCO

3A Girls--Grove steamrolled to their second straight title by 42 points over runnerup Millwood after taking their first-ever title last year. Coach Sherry McCulley's Ridgerunners had repeat winners in Amber Sreaves (800) and Abby Robertson (300H) while Plainview's Sarah Harvey set a meet record in winning her fourth 3200 meter title with an 11:33.28. Harvey also reclaimed the 1600 title for her third win in four years.

Idabel's Staneschia Bell repeated in the 400 and Tecumseh's Angie Oliver repeated in the shot with a meet record 41-0 toss.

3A Boys--Broken Bow dropped down from a third-place finish in 4A last year and won by almost 40 points over runnerup Weatherford. Coach Lynn Minor's Savages set a meet record--and the fastest in the state--time in the 400 meter relay with a 41.77 clocking.

Elk City's Jarrod Heard turned in the second best state meet jump in the pole vault, taking his third title in four years with a leap of 16-3, second only to Joe Dial's 17-1 in 1980. Jeremy Johnson of Little Axe repeated in the 1600 meter run while Chandler's Bobby Holmes, a triple winner in 2A last year, won the 3200.

2A Girls--Watonga claimed their sixth track title--their last one was in '92--with a 17-point win over runnerup Pawnee. Coach Jim Coleman's Eagles won on balance with only one individual champion, 100 hurdle repeat winner Kacy Duffy, and one relay win (400R).

Elgin's Kelleigh Sanders capped a great career with a triple win in the 800/1600/3200, setting a meet record in the 800 in the process with a 2:16.02, the fastest time in the state so far this season.

Pawnee's Missy Dufraim doubled in the 100/200 meter dashes and ran on the winning 1600 meter relay team. Hominy's Amber Crumbo won both the shot and discus and broke her own meet record in the shot with a toss of 43-4.25. Ebony Shirley of Davis set a meet record of 58.16 in winning the 400.

2A Boys--Wynnewood had an awesome meet, taking the title by 22 points over runnerup Stroud and capturing four individual and one relay title. Coach Tom Downing's Savages were led by triple gold winners Don Harris (high jump/200/1600R) and Roshay High (long jump/400/1600R). Harris, primarily a high jumper with a season-best 7-0.5,

The small school state meets were last weekend at Moore High School and the University of Central Oklahoma. I had the chance to spend a little at both, as well as the 4A-5A regional at Union High School in Tulsa. It was great to see good crowds at all those meets and I hope that this coming weekend in Choctaw will be the same. The excitement of vocal spectators makes for some super performances and the athletes really raise their level of effort when the crowd is cheering them on.

Lots of announcements have been made regarding college signings in the past few weeks and I plan to do an article in the next issue detailing as many as I know about. However, I would like to drop a big congratulations on the University of Oklahoma for pursuing and signing an excellent group of mostly Oklahoma athletes (details next issue). It is great to see the biggest university in the state recruiting from within the boundaries of our own state rather than spending our tax dollars to bring in foreign athletes and take collegiate competition opportunities away from our own kids.

I'm not against foreign athletes having the opportunity to come to the United States to compete and get an education but the situation has gotten out of hand. At the recent NCAA Division I Indoor Track Championships the winning team from George Mason didn't have a single American on the team! The United States is not the international power in track & field that it used to be and part of that reason is that we are short-changing our own athletes by training foreign athletes at our colleges and universities and then letting them go home and compete against us in the Olympics and World Championships.

Anyway, I applaud the efforts that the University of Oklahoma has made in recruiting Oklahoma high school athletes and, if you feel the same way I do, I suggest that you call or write your state senator or representative to express your feelings that our state schools should be concentrating on Oklahoma athletes rather than foreigners.

The USA Track & Field and AAU track schedules have been appearing in the past few issues and I hope that everyone from youth through masters will make an effort to attend or compete in some of these meets. I've run myself in the Sooner State Games for the past few years and it is great fun and good competition. We will be publishing the results of the summer track meets in a late August special issue that will go to everyone that has a current subscription.

The next issue will be the last of the season and may be delayed a bit in order to get the results of the Oklahoma vs. Arkansas dual in as we did last year. Renewal notices went out last week so don't take a chance on missing out on the end of the season.

A limited number of back issues are available at \$2.00 per copy and I also have a few bound sets of all the back issues of *Oklahoma TRACK & FIELD NEWS*, certainly destined to become collector's items. If you are interested, give me a call.

See you at the state meet!

ran the 200 for the first time this season at the regional.

Stroud's Scott Wilkinson set a new meet record in the pole vault with a 16-1 while teammate Kyle Bookout continued the family tradition in winning the discus with a toss of 175-0.

A and B at Moore

A Girls—Laveme repeated as champions, capturing their eight track title. Coach Charles Anderson's Tigers won on team balance, capturing only one individual title and the 3200 meter relay.

Luther freshman, Teya Gill, was a triple winner (100/200/400) while Warner's Miley Turnbull doubled in the 1600/3200. Velma-Alma's Mandy Sims won her fourth 300 hurdle crown and set a meet record in the process—for good measure she also won her second straight 100 meter hurdle title. Tonkawa's Angela Ogle repeated as high jump champion.

A Boys—Turpin repeated as champions by 34 points over runnerup Tonkawa, led by Lynn Scott who nabbed four gold medals (100H/300H/400R/1600R). Crescent's Eric Stevenson repeated his double win the shot/discus while Oklahoma Christian School's Jaboni Wamble took the 100/200 double and Carnegie's Michael Nestell won the 400/800 double.

B Girls—Goodwell-Texhoma captured the title by 37 points over runnerup Pond Creek-Hunter. Temple's April Kindred won her fourth 100 meter title while Forgan's Melanie Foster set two meet records in collecting three gold medals (long jump/300H/800).

Wakita's Nicki Lanie repeated a 3200 meter champion and added the 1600 as well this year. Texhoma's Mendi Winchester repeated as 400 meter champion.

B Boys—Hydro won a close battle over Covington-Douglas, 60-54, with distance ace Walt Ginn accounting for 34 of those points. Ginn won gold medals in the 800/1600/3200 and ran on the second-place 3200 meter relay.

Shidler's Steven Long doubled in the 100/200 and Covington-Douglas' Randy Overton took the hurdle double. Cement's Kirk Halcomb was the only repeat winner, taking the high jump with a leap of 6-4.

5A - 4A Regionals State Meet Preview

By John Hoke, Editor

All the 4A-5A Regionals ran as scheduled this year with sites at Bartlesville, Edmond Memorial, Norman and Union. Weather conditions were warm and breezy with sprint times considerably wind-aided.

The state meets will be held at Choctaw High School for the third year in a row with over 20 returning and former champions in action. All four returning team champions are favored to repeat this year but, as everyone knows, anything can happen.

Projected finishes are strictly based on regional performances (many thanks again to the *Daily Oklahoman's* Penny Soldan for compiling the statistics).

5A Boys

UNION—It came down to the last event but Edmond North beat host Union in the mile relay to take the title 160-153. The defending state champion Huskies had four individual champs and won two relays. With the help of the wind Frankie Johnson (Ed North) went 10.0 in the 100 meter dash and 21.50 in the 200.

BARTLESVILLE—Jenks over Ponca City by 84 points with three individual champs and two relay wins. Sand Springs Michael Cliff wins the 1600/3200 double and owns the fastest times in the state in these races.

EDMOND—Moore wins all three relays and take four individual titles en route to beating the host

Bulldogs 186-114. The Lions are getting back into form with the return of sprinter Jon Leon who had been out with a hamstring pull. Putnam City's Josh Hallman doubles in the 100/200.

NORMAN—Eisenhower beats Norman by 26 points, 146-120, with only two individual wins and one relay. Norman's Kyle Bennett turns in the state's fastest 800 to date with a 1:56.0. The Tigers' Quinton Turner doubles in the 100 and long jump.

Projected Finish (based on regional performances): 1. Edmond North 77; 2. Moore 68; 3. Eisenhower 46; 4. Union 40; 5. Norman 38; 6. Jenks 34; 7. Westmoore 31; 8. Bartlesville 30; 9. Edmond Memorial 28; 10. Putnam City.

Defending Champion: Edmond North

Returning Champions: 300H—Rhoshod Browning, Putnam City West; Shot—Matt Anderson, Moore.

Edmond North got off to a bit of a slow start but after winning the John Jacobs meet the Huskies of coach Steve Patterson have been looking very strong. They are led by sprinters Johnson and Wakefield and have two strong relay teams. Moore is looking better after suffering through the loss of Leon and both teams are counting on their balance to pull them through. This one could very well come down to the final event where less than a second separates them going into the meet.

RACES TO WATCH: 100/200; 1600/3200; 1600 Relay.

5A Girls

UNION--B.T. Washington over host Union, 156-116, behind triple wins of Kim Schumpert (100/200/400R) and Andrea Bell (100H/300H/400R). Defending 1600/3200 state champ Megan Riddle of Union takes both titles.

BARTLESVILLE--Top-ranked Jenks overpowers Bartlesville by 121 points, winning all the relays and four individual titles. Bartlesville freshman Karla Hopkins doubles in the 1600/3200 as does teammate Jennifer Fontenot in the 200/400. Enid's Demetra Miller wins the long jump/100 double.

EDMOND--Midwest City wins three relays and one individual title to beat host Edmond Memorial by 64 points. Yukon's Keely Dean doubles in the 800/1600 and Midwest City's Young take the long jump/100 double.

NORMAN--Norman swamps Del City by 120 points with eight individual wins and one relay. The Tigers' Andrea Delozier wins the 1600/3200 double with the states fastest 1600 time to date--5:11. Del City's Sherrie Northington wins four golds (100/200/400R-800R) and Norman's Jennifer Holt takes the shot/discus double.

Projected finish (based on regional performances): 1. Jenks 112; 2. Norman 85; 3. Midwest City 77; 4. Del City 68; 5. B.T. Washington 48; 6. Bartlesville 44; 7. Stillwater 23; 8. (tie) Broken Arrow and Yukon 22; 10. (tie) Enid and Muskogee 15.

Defending Champion: Jenks

Returning Champions: 100/200--Kim Schumpert, B.T. Washington; 400--Jennifer Fontenot, Bartlesville; 800--Keely Dean, Yukon; 1600/3200--Megan Riddle, Union. 300H--Andrea Bell, B.T. Washington (4A champ for McLain).

Jenks is another team that has its main strength in its balance with four strong relay teams and several girls likely to place high. Norman has some very outstanding individuals in Hilarie Reser and Andrea

Delozier, among others, but doesn't have the speed that is probably necessary to win this meet.

RACES TO WATCH: 400; 800; 1600/3200; 3200 Relay.

4A Boys

UNION--Oklmulgee runs over McGuinness by 66 points, winning two relays and four individual titles. Juan Smith, Okmulgee, fastest 200 runner in the state last year, captures the 100/200 double; McGuinness' Taylor Styron gets the 1600/3200 double and Edison's Cooks wins the long jump/300H double.

BARTLESVILLE--Claremore over Guthrie, 163-114, with seven individual wins and one relay. Webster's Chris Rakes gets the shot/discus double and Claremore's Nate Andrews with the 110H/300H double.

EDMOND--Defending champion Altus beats Carl Albert by 50 points with five individual wins and two relays. Douglass' Jones wins the 100/200 double and Altus senior Brian Whitlock takes the 1600/3200 double.

NORMAN--Duncan wins over Ardmore by 60 with only one relay win. MacArthur's J. J. Maddox wins the 100/200 double; Western Heights Simien takes the 1600/3200 and Duncan's Jeff Curtis takes the hurdle double.

Projected finish (based on regional performances): 1. Altus 96; 2. Carl Albert 67; 3. Claremore 50; 4. (tie) McGuinness, MacArthur 46; 6. John Marshall 32; 7. Okmulgee 31; 8. Ardmore 30; 9. (tie) Tulsa Central, Duncan 26.

Defending Champion: Altus

Returning Champions: 400--Chauncey Raiden, Altus; 300H--Justin Matthews, John Marshall; 110H--Jeff Curtis, Duncan, '94.

Altus has a strong grip on defending their '95 title and the Bulldogs led the class in all three relays. It looks like the real struggle will be for second as four teams vie for the runnerup trophy.

RACES TO WATCH: 200; 400; 1600/3200; 3200 Relay.

4A Girls

UNION--McGuinness beats Pryor by 70 with two relay wins and two individual titles. Tulsa Central's Alisha Peel wins the 100/100H double and McGuinness' Ashley Boothe takes the 1600/3200 double.

BARTLESVILLE--Claremore nips Guthrie, 105-99, with Kelly not far back at 90. A real battle of distance teams! Guthrie junior Brandi Woodard wins four gold medals (800/1600/3200/3200R). Claremore's Vickie Rowden wins the 100H/300H double and East Central's Shanira Stone takes the 100/200 double.

EDMOND--Altus beat Northeast by 49 on the strength of tow relay wins. John Marshall's Crystal Swanagan wins the 100H/300H double.

NORMAN--Top-ranked Northwest Classen falls to Ardmore by 15 as the Knights fail to qualify a 400 meter relay team. Northwest's Gordon is a triple winner in the 100/200/400. Ardmore's Shana Dowdy wins the shot/discus double and MacArthur's Kendall Arant takes the long jump/high jump double.

Projected Finish (based on regional performances): 1. Ardmore 94; 2. Northwest Classen 86; 3. Northeast 66; 4. Altus 51; 5. Guthrie 49; 6. McGuinness 42; 7. Kelley 37; 8. Duncan 34; 9. Hale 26; 10. MacArthur.

Defending Champion: Ardmore

Returning Champions: 400--Chakei West, Altus; 800--Becky Puckett, Ardmore; 1600--Ashley Boothe, McGuinness; 3200--Ashley Boothe, McGuinness, '94, and Jessica Hoke, McGuinness, '93; Shot--Shana Dowdy, Ardmore; Long Jump--Elizabeth Bashaw, Kelley; High Jump--Maggie Slavonic, McGuinness.

Northwest Classen has been the top-ranked team since mid-season but failed to qualify a 400 meter relay team which really hurts their chances. Ardmore has proven balance but the sprint points are going to be split between at least four teams. This is the most wide-open race in the meet, and, of course, my favorite.

RACES TO WATCH: all of them.

Letters To The Editor

Elite Invitational

To the Editor:

I visited with you last week about having an elite invitational meet here at Yukon next year. My idea is to invite the seven best performers interested in each event, picked by *Oklahoma TRACK & FIELD NEWS*. The meet could be called *The Oklahoma TRACK & FIELD NEWS Invitational*. It would be Friday evening, April 18. This is the day of the Western Heights Invitational and night before Mustang has their Quarterback Classic. This would allow a coach to bring an individual to the meet and then run his or her team Friday or Saturday.

The purpose of the meet would be to get as many quality athletes involved as possible. An individual would be limited to only two events, including a relay, in order to insure quality races and reduce the chance for injuries.

On March 31st nomination forms would be sent to the coaches of the top 14 individuals. The top seven nominations returned would be sent an invitation on April 9th. Any returned nomination would be considered a commitment to attend the meet.

This meet could work in a big way. Great exposure, great competition and lots of fun. The possibilities are endless. An award for an outstanding individual performance could be selected and we could invite some of the past great track athletes from the state.

These are just a few ideas that I have been thinking about. Any suggestions from you or any interested track fans will be appreciated. Let's see what we can do to make this happen.

Class Year ID Helpful

To the Editor:

Thanks to your publication I made contact with Jeff Reid, Jenks H.S. a year ago. Jeff has returned his acceptance to his Naval Academy appointment and will report July 2nd to begin the six weeks of the Plebe Summer indoctrination program. The Plebe Summer Program consists primarily of physical activity, the new Midshipmen are taught to: Sail, Shoot both rifle and pistol, Swim and March. Hopeful the NAVAL ACADEMY will find many more track athletes in the future, as a result of your *Oklahoma TRACK & FIELD NEWS*.

Your Oklahoma State XC meet results, with the ID of the underclassmen is very helpful to me in my recruiting efforts. If at all possible, please try to also include the class ID in the results of the State Track meets, it would be a big help to me in selecting candidates to contact.

Perhaps you can suggest to your State Track Meet Program Committee that they include the "class rank information" when they are having the meet program printed. I am sure that the information is available at that time. It certainly could be included on the "result sheets" at the State Meet, as they are probably computerized. Most other state meets do include the class rank information in their programs and this helps me select the athletes to contact to determine if they would be interested in entering the U.S. Naval Academy.

I certainly enjoy your publication, keep up the good work. I am looking forward to having a few more Oklahoma Track & Field athletes on the NAVY TRACK and CROSS COUNTRY TEAMS in the future.

The goal of the Bears' running camp is to be able to run faster, safer; to learn new skills and techniques, and to better understand and use new training concepts in order to be an improved distance/cross-country runner. All runners are ability grouped. Mileage totals during camp runs are used for development only and are of only secondary importance to motivation and for goal setting. Camp is preparation for future training. It is an underlying goal that all campers will have a certain minimum fitness level established before they are ability grouped.
