1997 Season Tightens Up

By John Hoke
Editor

With regionals only a few weeks away, Oklahoma track teams are gearing up for the final stretch of the 1997 track season that started last March. Only three defending championship teams are ranked No. 1 at this point, and there are some very tight races brewing in several classes. Here is a glance at some of the team and individual highlights.

Boys

Santa Fe has held on to the top spot in 5A for the past month, shadowed by a strong Norman team and a surprisingly strong Muskogee team that briefly held the top spot early in the season. The Wolves have the top ranked 1600 meter relay team which is always a good predictor of the top team. Edmond Memorial has some strong individuals and one of the best 3200 meter relay teams of the past two or three years.

Bulldog senior, Mark Thompson, a three-time cross country champion, easily holds the top spot from 800 meters through 3200 meters but will face strong challenges in all events at the state meet. 2A Stroud junior, Kyle Bookout, set a state record in the discus three weeks ago, and leads the overall standings in both throwing events at this point. He is virtually untouchable in the discus but only leads the shot by a few inches.

Altus is alone at the top of 4A. Led by senior Chauncey Raiden--the 400 meter overall season leader--they have the top 400 meter relay team but could face some tough challenges from 4A newcomer B.T. Washington and perennial 4A power Carl Albert.

McGuinness dropped to 3A where their distance strength has garnered them the top spot for the past two rankings. The Irish hope to see the sprint points split up amongst their rivals while they take the lion's share of the races from 800 meters and up. Elk City, another 4A newcomer, has a lot of balance and will hope to accumulate enough points from a lot of different places. Watch out for Spiro, Cushing and Weatherford as well and defending champ Broken Bow, who hides out in out-of-state meets early in the season. This will be one of the tightest races to watch.

Prague has been really strong in 2A boys while Stroud has struggled and defending champ Wynnewood has virtually

On Track

By John Hoke, Editor

This is the last issue before small school regionals and all O.S.S.A.A. regional assignments appear in this issue. It's hard to believe that it is already time to start thinking about the end of the season, but here it is. We'll cover small school regionals in the next issue and preview all state meets as well.

With a little bit of luck, this issue will be closer to being out on time--mainly because I have to be out of town for the national open wrestling tournament. I must say, I haven't done the best job of adhering to the schedule this year, but the U.S. Postal Service has really been doing a number on us. I've complained to the main office in Oklahoma City, but they pass the buck on to the different local offices so, if you're not happy with the timeliness of the delivery service, call and complain to your local postmaster.

There have really been some great meets lately and some fabulous performances. Thankfully, the weather was cooperative this past week and it looks good for the coming couple of weeks. Oklahomans did well in the Texas Relays and the Kansas Relays, the Jenks girls won the team title in Kansas and Northwest Classen was likewise very impressive. The 5A state meet will really be a thriller between those two.

The coaches for the Great Southwest meet in Phoenix--Jerry Loveall from Velma-Alma for the girls and Steve Patterson for the boys--are working hard to put together a great Oklahoma team. If you have an athlete you think should be considered, don't hesitate to contact the coach, or give me a call and I'll pass it on. Unfortunately, it doesn't look like we'll get to have an Oklahoma/Arkansas dual this year, hopefully the coaches' association will get something to replace it in the future.

The team and individual rankings in this issue are the deepest and most thorough yet. You can't believe how hard my ranking helpers worked to put them together. We're still not getting 100% cooperation from meet directors in sending complete results and a lot of athletes are losing out on the opportunity to see their names in print and get the recognition they deserve. Several good-sized meets didn't report their results in time for this issue and a few made it in time to be included in the rankings but won't get printed until the next issue. If you don't see the results of a meet your team competed in, give the coach a call and make sure he knows to send the full results (by FAX).

I've been sending the team and overall individual rankings to the major newspapers in the state and they seem to use them once in a while. If you want to see these rankings in your local paper, give them a call and ask that they contact me to request being added to our FAX list.

disappeared out of the top ten. Wyandotte suddenly appeared at the top of A, unseating defending champ Turpin and newcomer Heritage Hall has been steadily creeping up in the rankings. The Chargers have the top 1600 meter and 3200 meter relay teams and could easily slip in the back door if the meet is typically low-scoring.

Defending champ Hydro is back at the top of class B with a strong Medford team hoping to unseat them from the top spot along with Cherokee, and Alex is a new face in the pile at the top of this class.

Girls

There is a really tight race brewing between Jenks and 5A newcomer, Northwest Classen, for top honors in this race. The Trojans had the meet won last year only to lose it when their 1600 meter relay team was disqualified for throwing the baton after winning the race. Northwest was edged in 4A by Northeast when they were unable to score enough points in the meet's final race to pass the Vikings. Both the Trojans and Knights were impressive at the Kansas Relays and Jenks took the team trophy on the strength of their overall team balance. Northwest has the top team in the first three relays but Jenks is right there scoring double points as well and the Trojans will be all alone in the 3200 relay. Don't count this one over 'til the fat lady sings.

With Northwest out of the picture in 4A, defending champ Northeast is still struggling while Duncan holds down the top spot. There are a bunch of good teams here, including perennial 5A power B.T. Washington, who dropped to 4A this year. The Hornets are a team that gears up for the state meet and I wouldn't be surprised to see them at the top of the podium at the end of the meet.

The state's two top hurdlers, Tulsa Central's Alisha Peel (100 meters) and Edmond Memorial's Andrea Bell (300 meters) are both ahead of last year's pace and are both a sight to watch race. Jenks freshman, Atalie Barber, has the state's best time in the 1600 meters, a 5:18.16 from the Kansas Relays, while teammate Kelli O'Rourke is leading the state at 800 meters. Midwest City's Kailisha Holmes has an incredible 19-1 leap to her credit in the long jump--I saw the result and asked the coach if it was a typo and found out that her only other two jumps of the meet were 18-6 and 18-5. Northeast's Mary McQueen has a 5-5 jump to stand alone at the top of the high jumper's list.

Defending champion Grove is back at the top of 3A but is only leading Millwood and Marlow by a slim margin. 3A newcomer McGuinness is suffering from having their distance strength diluted by both the Ridgerunners and 3A cross country champ Marlow. Plainview is virtually alone in the race for the 2A crown, though Warner is hoping to make a race out of it. Boise City has a strong grip on A but Depew has risen from the depths of a dead last finish in '96 to put on a surprisingly decent challenge. Beaver has been consistently at the top of B but there are strong challenges from Waynoka, Pond Creek-Hunter, Buffalo and Cherokee in

another race that could see a winner with less than 70 points.

COLLEGE/UNIVERSITY TRACK UPDATE

By Bud Almond

Tyson Invitational - Fayetteville, Ark. - April 12

The bitter cold front that settled into Oklahoma and Arkansas provided some interesting challenges and 'ruined what could have been an incredible meet' according to Arkansas coach John McDonnell. Temperatures hovering near freezing for most of the meet did not seem to hamper the performances of the Tulsa University men's and women's teams, as they set 13 personal-bests and one school record.

Freshman Fride Vullum eclipsed her former school record of 10:15.45 with a 9:59.05 in the 3000 meters. Senior Chris Haldeman finished sixth (10:33.83) followed by Rachel Hasser and Sarah Shaw. Haldeman also finished fifth in the 1500 meter race with a personal best of 4:45.47, with Erin Simpson following in eighth place with a PB of 4:50.31.

The 1600 meter relay unit of Monique Poindexter, Jameka Roberts, Inemesit Usoroh, and Simpson won their race in 3:56.38.

The men's 1500 meters saw the Hurricane place five among the top ten with newcomer Dwight Davis finishing strong behind former NCAA champ Kevin Sullivan of Michigan with a 3:56.88. Sophomores Cornelius Mason (3:59.46) and David Bohlen (3:59.87) were fourth and fifth with Monte Hawkins (4:03.10) and Jon Pillow (4:04.24) finishing eighth and tenth. All except Hawkins were personal bests.

In the 800 meters, Tulsa's Rodney Peterson scored with a third place time of 1:53.46 finishing just behind former NCAA champ and ex-Hog Brandon Rock.

The men's 1600 meter relay team of Hassan Faggett (who finished fifth in the 100 meters in 10.78), Loren Kool (eighth in the 400 meter hurdles in 56.05), Peterson, and Adam Ellison made it a close finish in 3:18.19 just behind host Arkansas and Michigan.

The Oklahoma State men's team scored some good performances as well. Ed Narty was able to scratch out a salty 49.49 for third in the 400 meters, with William Kirwa finishing in 1:56.99 for eighth in the 800 meters.

Jeff McDaniel ran a 4:03.72 in finishing ninth in the 1500 meters, while the Cowboys' Chris Kenebei (8:32.11), and Rene Carlson (8:34.96) were tenth and twelfth in the 3000 meters. Alex Dzitrie jumped to a 22'9" third placing in the long jump.

The annual John Jacobs meet in Norman was postponed until April 26th because of the cold weather, but that's the same weekend as the Drake Relays in Iowa, so there may be some conflict.

Kansas Relays - Lawrence, KS - April 18-19

The Hurricane of Coach Stanley Redwine again showed some fine progress at the host Jayhawks' annual track carnival. His half-milers finished a strong second to Kansas State with a new school record of 7:34.86 (1:53.7 avg.) for the 3200 meter relay. They also ran second to Kansas State with a 10:00.06 Distance Medley Relay.

The Hurricane women were equally impressive in their 3200 meter relay as they finished second to Wichita State with a 9:20.31 (2:20 avg.) Their DMR team clocked a 12:04.61 being slightly outdistanced by only Colorado State for second place.

Texas Five-Way - Austin, TX - April 19

The University of Oklahoma men's and women's teams both scored fourth place finishes at this meet hosted by the University of Texas. The Sooners' Shomari Wilson clocked a fast 10.41 for third in the 100 meters, later coming back to score a second in the 200 meters with a 20.89.

Roxbert Martin blazed a 44.80 to win going away in the 400 meters for probably the finest performance of the day, as the Sooners elected to rest their batons and forego the 1600 meter relay this week.

In the 400 meter hurdles, Edward Clarke won easily in 50.53, with fellow Sooner Kevin James in third place with a 52.34. The 400 meter relay team again dipped under 40 seconds with a fine 39.77 clocking for second place.

In the hammer throw, Niles Oliveto hurled the ball and chain

for 178'10" to win that event, while Jerome Douglas (52' 2") tripled jumped to a second place finish while also scoring a second place in the long jump. Marcos Modey (6' 10 3/4") was eked out for the high jump title by fewer misses, while Chad Cosper vaulted 16' 6 3/4", good for third in the pole vault.

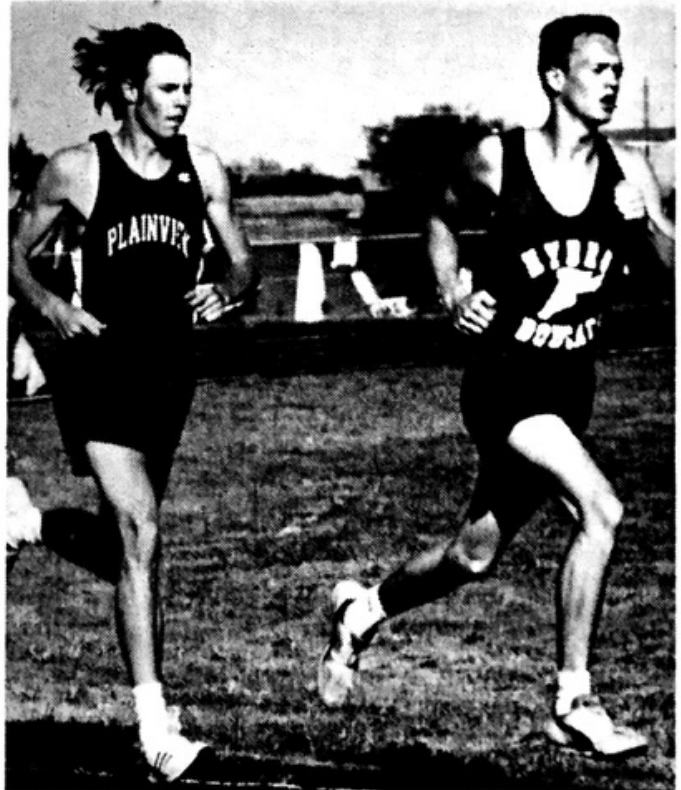

The Lady Sooners' Donnette Brown sprinted to a 11.67 third place in the 100 meters, as Cecile Cargill posted one of the top times in the nation this spring with a 51.94 clocking in the 400 meters. Silke Vogel produced a second place time of 2:10.34 in the 800 meters, in addition to her 4:33.80 third place performance in the 1500 meters. Katie Webster (145' 2") scored a first in the hammer throw, and a second (121' 11") in the javelin.

Mt. SAC Relays - Walnut, CA - April 19-20

Philip Price, formerly of Catoosa and now running for the Arkansas Razorbacks, continues to impress with a second place performance of 3:41.03 in the 1500 meters. He was just edged out for first by teammate Seneca Lassiter (3:40.80), but had enough to hold off Eastern Michigan's latest miling phenom Ben Reese (3:41.97). Philip's time is the equivalent of a 3:59 mile.

Lone Star Conference Meet - Stephenville, TX - April 19

The University of Central Oklahoma men's and women's teams finished fourth and seventh respectively at this meet hosted by Tarleton State. Abilene Christian won both titles. On the men's side Frank Simon easily pocketed the title with a 15:46.97 in the 5000 meters to go with his silver medal 31:53.99 in the 10000 meters. Broncho hurdler Stanley Ridley was second with a 52.04 in the intermediates, after scoring a second place 14.41 in the tall sticks. Andrea Haley (2:17.15) scored a third place for the Lady Bronchos in the 800 meters. Chericka Bartels has the seventh best heptathlon performance this year and has qualified provisionally for the NCAA division II meet.
