Competition Fierce As Teams Head For Regionals

By John Hoke
Editor

This is the last issue before regionals which will be held the 26th in Tulsa and Midwest City but there has been a lot of action over the past three weeks to give us an idea where teams stand at this point.

The big pre-state meet at Oral Roberts University on the 11th drew most of the state's top teams for a head-to-head clash on the state meet course and is the primary factor in the team and individual rankings in this issue. The Chile Pepper Cross Country Festival was the following day in Fayetteville, Ark., and was a bragging rights showdown though the field was diluted by the ORU race the day before.

The Edmond Memorial boys continue to roll as they blasted their way through the dress rehearsal at ORU, scoring 45 points to runnerup Jenks' 93. The Bulldogs remain the only undefeated team in the state, boys or girls. Jenks has a good grip on the runnerup spot but Ponca City is certainly within striking distance.

The Westmoore girls knocked McGuinness from the ranks of the undefeated at the OSU Jamboree and then did the same to number one ranked Jenks at ORU, though the Trojans were competing without two of their top runners, Kelli O'Rourke and Rene Ahlgren. The rest of the 5A field is tightly bunched with Sapulpa heading the pack.

The 4A races at ORU suffered from the lack of three of the top teams, McGuinness, Weatherford and Altus. Kelley won a very tight girls race with only ten points separating the top three teams while Guthrie topped the boys race by eight over Edison.

Elk City still tops the 3A boys rankings but they only beat Marlow by 13 points at ORU while the Marlow girls have a strangle-hold on the top spot in 3A girls. The Outlaws travelled to Fayetteville from Tulsa to duke it out with the Irish and Velma-Alma and the girls came away with a new Chile Pepper trophy to add to their collection while Irish sophomore, Kevin Connolly, took top individual honors, the first Oklahoma winner in recent memory. The Irish boys captured the runner-up trophy behind Houston, Texas, power The

Class A is official! Only two more weeks until the state meet at Oral Roberts University in Tulsa, November 2nd, with regional competition set for October 26th at O'Brien Park in Tulsa and Regency Park in Midwest City. The top six teams and top 20 individuals qualify from each regional to go to state. I promised regional assignments for this issue but the O.S.S.A.A. didn't want to release them at press time so you'll have to look for them elsewhere. Sorry!

I'm really glad the new Class A made it. I know it took some scraping together, but I think that it will be good for the sport in the long run, even though it does dilute things out a bit now. A big thanks to Hinton's Bill Burnett and Tishomingo's Charles Wyatt for spearheading the effort.

The 1996 Cross Country All-Star meet with teams from Oklahoma, Arkansas, Kansas and (hopefully) Missouri will be held November 16 in Fayetteville, Ark., on the University of Arkansas' new course. Head coaches for the Oklahoma team are Barry Klein (405-769-6536) of Little Axe for the girls and McGuinness' Dave Morton (405-341-0877) for the boys. Only juniors and seniors are eligible and their coach must be a member of the Oklahoma Track Coaches Association. The teams will be selected on performance at the state meet with 25 runners making each team. If you are interested in running, contact the appropriate coach. Don't assume you wouldn't qualify for the team, there have been unfilled slots every year.

The new Arkansas course in Fayetteville was specifically designed for cross country on University property near town. It is relatively flat and the surface is groomed sod. Spectator vantage points are numerous and it is a great place to watch or run a cross country race. The annual Chile Pepper Cross Country Festival was held there last weekend as the inaugural event and it was a big success--except for the lack of some Oklahoma teams due to the conflict with the pre-state meet at ORU, something that should be fixed next year.

If the state meet comes off as smoothly as the pre-state meet did last week, it will be a great meet. Sapulpa and Jenks teamed up to spearhead the meet and did a super job. Results were available quickly and accurately. However, I do like the computer program that breaks down team scoring with individual placings listed as well as total score and hope that one can be used for the state meet. Union's Terry Collins is the director of the state meet.

It looks like it will be at least another year before admission will be charged for either the state or regional meets. Word is that no one has figured out a way to make it work yet.

The next issue will be dated October 31st and will contain full regional results and final pre-state rankings. I enjoy doing the rankings--when I have enough time-- but I'm really glad that this is a sport that decides the final finish on the field, rather than in someone's mind.

See you at a cross country race!

Woodlands, one of the top-ranked teams in the country.

The 2A races at ORU included teams that will be in the new Class A race but also didn't have several of the top-ranked teams from both classes. The Dickson boys were a bit of a surprise winning their division but Velma-Alma was not, as they knocked-off Plainview one more time this year.

The Chile Pepper race was held on a new course this year which will be the new home for the University of Arkansas cross country team. Due to a scheduling mix up the race was moved forward a week and got crossed up with the pre-state meet at ORU--hopefully that won't happen again next year.

Individual highlights from the past three weeks:

The top-ranked Hydro boys won the Watonga Invitational with Herbie Pebeashy and Walt Ginn going one-two while the Weatherford girls took the team honors and Pioneer's Andrea Overstreet topped the individuals.

Edmond Memorial's Mark Thompson edged Charles Page's Michael Cliff at the OSU Jamboree in a showdown between one-two ranked runners, remaining undefeated in his quest for a third state title while Victory Christian's Tasha Lance was the top girl, beating good group of top 4A-5A runners.

Mustang's defending state champion, Corrie Hussar, set a new course record at the Mustang Invitational, won the Dog Pack Run in Edmond and then won the ORU meet with the top time of the meet, remaining undefeated for the season and an easy choice for the top girl runner in the state.

Teams with double top-ranked runners include Marlow with Kevin Minson and Leah McCauley in 3A; Velma-Alma with defending state champions, Rae Ann McCurry and Mylo Miller in Class A and McGuinness with Kevin Connolly and two-time defending champion, Ashley Boothe in 4A.

OU Headed For Successful Season

By Ayanna Wakefield
OU Sports Information

The Oklahoma Sooners are half way through their season and are in a good position to finish the season successfully. Preparing now for districts and nationals, the Sooners head to Tucson, Ariz. for the pre-national meet. Following that will be the Big 12, District V and then NCAA Division I nationals for those who qualify.

The Sooner women are led by seniors Sarah Hutton and Melissa Gilbertson and top freshman Sarah Harvey. As a team, the women finished first at the OSU duals and Hurricane Invitational, fourth at North Texas and fell to Baylor. Overall, head coach Claude Roumain is pleased with the progress the women are making.

"The Big 12 race is open. We have the potential to do very well if we keep improving each meet we compete in," said Roumain.

Senior Craig Kirkwood has led the men with as the top finisher in three of the last four meets. The most improved runner for the men has been Ian Dorward. He has gone from finishing in the lower half of races to the top 20.

Roumain feels that the men should do well in the conference with the goal of being in the top half.
