## 1997 High School Track Preview 2A-A-B

*By John Hoke, Editor*

It's spring in Oklahoma, at least for the last few days, but there still haven't been very many meets yet, and, as usual, it is pretty hard to get a picture of team strengths. Small schools don't start competing in earnest until all the state basketball tournaments are over and, again unfortunately, they aren't very good about sending in their TEAM REPORTS. Oh, well, it's that broken record again. Anyway, I've had some extra help this year and I'm looking forward to being a little more on top of the small school scene.

### B Boys

Defending champion Hydro just gets stronger, returning their whole team, with another year's experience. This is always a tight race with the points spread around over four or five teams--less than 20 points separated the top four last year.

Hydro took the state cross country title this year and are led by triple winner Walt Ginn (800/1600/3200), who scored 34 points himself. Beaver was third last year and will look to be in the hunt again this year along with Cherokee, Medford and Waynoka.

Pond Creek-Hunter returns discus champ Josh McReynolds and the Waynoka 400 relay championship team comes back intact.

### B Girls

Texhoma (with Goodwell last year) was the pre-season favorite last year and they came through in the clutch, taking the title by 27 points over runnerup Pond Creek-Hunter. The Red Devils were hurt a bunch by graduation, losing five state meet point scorers, so the Panthers are looking good to ascend to the top of the heap in this class.

Temple, Cherokee, Beaver and Texhoma round out the top five with it just about anyone's guess in what order.

Returning champions include Verdigris high jumper Brandy Willis and Fox's 200 meter champ, Cameko Tynor.

### A Boys

Two-time defending champion Turpin returns a strong cast of sprinters led by Carlos Salazar and will be strong in all three relays. Overall, the Cardinals will be tough to dethrone. Velma-

# On Track

*By John Hoke, Editor*

The 1997 Oklahoma High School track season is off like a herd of turtles. Not a lot of action over the last two weeks but I'm sure things are going to be picking up between now and the end of March. As usual, spring breaks, weather and basketball have gotten in the way of the start of track but it won't be long before the season is in full swing.

By the way...this issue marks the fifth anniversary of the beginning of the *Oklahoma TRACK & FIELD NEWS*, it sure doesn't seem like it's been that long...Oh, well...

I'm starting a new method of listing season leaders in this issue and I hope you'll bear with me while I get the kinks worked out. Basically, this new format helps me sort the listings more accurately and, I think, makes it more readable. I'm still working on standardizing my school abbreviations so don't be alarmed by the inconsistencies--I'm also open to suggestions if you don't like the abbreviation I've chosen for your school. To refresh everyone's memory on the parameters for the rankings: in order to be included, the full results of the meet have to be reported to us in order to be considered. This issue only has an overall listing but we should be able to break it down by class in the next issue. At that point, team rankings will be drawn from how the individual listings point out--I hope.

Last year these rankings covered almost 1,000 athletes in seven listings with over 8,000 placewinner's names in the biggest issue. The season leader listings and team rankings are available by FAX to your local newspaper as long as they have a subscription. If you would like to see them in your hometown rag, ask them to give us a call.

I got two responses to the query in the last issue about state championship girls teams with only four point scorers. Wynnewood coach Charles Butler let us know that his girls did it in 1993 and Daniel Webber, a Watonga subscriber, remembers a Dover team that won the championship in about 1987. Any more?

**TEAM OKLAHOMA**, the new master's running club, has sent out four scholarship vouchers to Oklahoma running clubs and the Oklahoma Track Coaches Association. The vouchers are to be used for youth scholarships to summer running camps. What a great project! Funds for the scholarships are raised through sales of George Hall's Best Performance book--watch these pages for your opportunity to buy one.

The next issue will be dated March 28 and will be the last issue out before regional assignments are made. If you want to have an impact on those assignments, you need to make sure that all meets you attend are reported--promptly and completely--and you need to contact your representative on the coaches' advisory committee listed at the bottom right hand of this page. We will publish regional assignments in the April 11 issue--if the OSSAA has them done.

I'm getting a few inquiries about access to Oklahoma running results on the Internet. I have an e-mail address: [AWNJS@aol.com](mailto:AWNJS@aol.com), and would appreciate any comments you might have. Otherwise...

See you at a track meet!

# 1997 Track Preview

continued from page 1

Alma returns 3200 meter champ Mylo Miller along with a strong set of sprinters and relays. Tonkawa is led by defending pole vault champ, Zac Swords, who is joined by a bevy of talent in the field events and strengths in all three relays.

Heritage Hall, who drops from 2A, is a dark-horse. The Chargers have a wealth of talent in both distance and relays and will be led by seniors Sean Strickland and Blake Pardue.

Oklahoma Christian returns double sprint winner, Jabori Wamble and Foyil's 1600 meter champ, Jason McDonald is back as well.

## A Girls

This is another class that will be up for grabs. Defending champion Laverne will have their hands full with Boise City, Hollis and Velma-Alma, though the Comets lost mega-point getter, Mandy Sims, to graduation. Luther has triple winner--and just a sophomore--Teya Gill (100/200/LJ) and could be a top five threat if they could find a way to add some more points.

Wamer brings back double winner Miley Turnbull (1600/3200) and Velma-Alma returns sophomore Rae Ann McCurry, 800 meter champ and winner of the cross country title last fall.

Tonkawa returns high jump champ Angela Ogle.

## 2A Boys

Defending champion Wynnewood--last year's pre-season pick--was wounded seriously by graduation but runnerup Stroud returns over 56 state meet points from the only returning state champions--Jeremie Niccum (1600) Dominique Hombeck (110H) and Kyle Bookout (discus). The Tigers are always tough and this looks like it might be their year.

Prague and Tishomingo had strong showings in the indoor and Watonga looks to be a contender again as well, finishing third in the indoor. Chandler is down from 3A this year and will be led by '95 triple winner (800/1600/3200) and '96 3200 meter winner Bobby Holmes. Plainview, fourth in 3A last year, is also down to 2A and, though seriously depleted by graduation, is always a team in the hunt for a top ten spot.

## 2A Girls

Defending champion Watonga returns over 68 points from last year's squad and looks to be a good bet to return to the throne. But wait a minute. Perennial 3A power Plainview is down to 2A this year and the Indians have a tough and well-balanced team. Plainview looked strong in winning the indoor meet.

Last year's runnerup, Pawnee, lost heavily to graduation including triple gold winner, Missy Dufrain.

Watonga will be led by returning 100 hurdle champ, Kacy Duffy, who also placed second in the 300 hurdles. Chandler is down to 2A this year and will be a good bet to join Jones, Stroud along with Watonga and Plainview in the top five. There were a bunch of question marks on returning champs in this division but we'll just have to wait until the season gets rolling to see who all is back.

## Jenks Track Festival Jenks High School 3/8/97

**JENKS**--The Muskogee boys won four individual events and one relay en route to winning the team title in the 21st Annual Jenks Track Meet March 8th at Jenks High School. The host Trojans took the girls title, winning eight individual events and one relay.

Edmond Memorial's Mark Thompson set a new meet record in the 3200 meter run with a 9:23.32 while Jenks Emily Waibel set a new mark of 14.25 in the 100 hurdles and Edmond Memorial's Andrea Bell did the same in the 300 hurdles with a 45.79.

Waibel was a double winner, taking both the 100 hurdles and the long jump while teammate

## Coaches Corner

**TEAM REPORT** forms were mailed to all Oklahoma high schools with track teams (over 400) in January. These forms need to be complete and returned to OTF&N as soon as possible, either by mail or FAX (405-843-8022). The **TEAM REPORT** is one of our main sources of information concerning correct spelling, class year, schedules, coaches, phone numbers, etc. If you haven't sent your's in yet, please do so ASAP. If you didn't receive one or have lost it, please at least send a team roster and schedule or call 405-843-9992 and we will see that you get another copy immediately.

**RESULTS:** Meet Directors, please FAX (mail is too slow in this age of computers) the results (six deep and all team scores) of any meet you host and make sure that any meet your team participates in reports the results promptly. Needless to say, results are absolutely the heart of this publication and we need them fast in order to get them factored into the current rankings and into print in a timely fashion.

**SEASON LEADERS:** We begin our listing of season leading performances in this issue with an overall listing. We will break it down by class in the next issues if enough results are received. In order for a performance to qualify we must have the full results of the meet in our office for verification.

**TEAM RANKINGS** are based on results received and will be part of the criteria used by the Regional Assignment Committee, as will individual rankings. Don't hesitate to communicate with us regarding your feelings about rankings.

**OKLAHOMA TRACK COACHES ASSOCIATION:** If you are not a member of the OTCA yet it is not too late to join. Selection to the two All-Star teams for post-season competition as a runner or coach requires that the coach be a member. You can join by sending \$35.00 to Pat Lenington, 822 Jona Kay Terrace, Norman, OK 73069. If you joined after cross country season and would like the back issues of OTF&N please call or drop a note and you will get them in the mail.

## 1997 Track Schedule

The schedule below was derived from information listed on TEAM REPORTS. Over 100 meets are listed but there are many that have been held in years past that no information has been received on yet. Since this information comes from reported schedules, and not directly from meet directors, there are possibilities of error, so it would be prudent to contact the school for a meet schedule if you are interested in attending as a spectator or in participating as a team. Please let us know if you notice an error or omission so we can correct it in the next issue.
