NEXT ISSUE APRIL 26

On Track

By John Hoke, Editor

It's half way through the 1997 track season now and it is turning out to be a really typical Oklahoma spring. With snow, cold rain and wind over much of the state this past week, many meets were cancelled or postponed. There are still almost 30 meets reported in this issue and a complete listing of season leaders by class is drawn from those results.

I had a lot of help again from my season leader workers and I want to thank them again. For your information, again, the team rankings are drawn straight from the season leader lists for each class. We sit down and assign points--just as if it were a meet scoring six places--and the resulting totals are the team rankings for that moment. This still isn't a perfect system since some outstanding athletes might be listed in more than four events, including relays, but it is the closest, and most un-biased, way we can come up with a team ranking. Fortunately, most top teams have seen some competition--and the results have been reported--at this point and the team pictures are starting to get clearer.

Regional assignments will be done next week and we'll have them in the next issue.

Stroud's Kyle Bookout is at it again. He threw a state-record 192-1 at the Cushing meet a week ago and it is the second leading throw in the nation up to this point. We were worried about him showing up to a meet at McGuinness earlier this year since the discus area is only about 180 feet, and with good cause!

Speaking of outstanding performances. I was at the Bronco Relays at the University of Central Oklahoma's Wantland Stadium in Edmond last weekend and got to watch as Tulsa Central's multiple state champion Alesha Peel cruised to a 13.9 clocking in the 100 meter hurdles. It was definitely wind-aided, but the truth is, I assume everything is wind-aided in Oklahoma at this time of year.

There is a new feature in this issue, a report on college track & field by Tulsa writer Bud Almond. I've been looking for someone with the time and interest to cover collegiate track in Oklahoma for the past couple of years and I'm real pleased about the addition of the column to the pages of *Oklahoma TRACK & FIELD NEWS*.

Many readers have called to comment on the new format for season leaders and so far it has all been positive. I'm still trying to refine the abbreviations so that they are understandable, but so far it is working out very well. Please don't hesitate to call if you see a mistake of any kind. It takes hours of compiling and then more hours of typing to produce these lists and I know they are littered with mis-spellings and mistakes which I'm anxious to correct.

I've also had several calls and letters from college coaches wishing we would list the athlete's class year. This has always been one of my goals but is practically impossible without the cooperation of high school coaches in sending in TEAM REPORTS. If anyone can offer a suggestion as to how this could be done, I'd be more than happy to listen.

See you at a track meet!

COLLEGE/UNIVERSITY TRACK UPDATE

By Bud Almond

University of Oklahoma - Coming off of a three-way tie for third at the NCAA Indoor Championships in early March, the Sooner Men's team looks to extend their success to the outdoor season. Returning three national champions, head coach J.D. Martin is very encouraged and optimistic about this year. Danny McFarlane, Ryan Kite, Edward Clarke, and Roxbert Martin set the NCAA indoor 4 x 400m Relay record at Indianapolis with a 3:04.25 clocking. Roxbert added to that victory with an individual 400m championships mark of 45.69 for the one-lapper. Jerome Douglas finished out the scoring for the Sooners with a 53' 11/2" triple jump for fourth place.

At the College Station Relays on March 15, the Sooner men's 400m relay team finished 4th with a 40.61, while the women's team turned in a 2nd place time of 45.62 in their race.

Competing in Waco at the Baylor Dr. Pepper meet on March 22nd, Edward Clarke won the 400m hurdles in 51.33. The 400m relay team improved with a 2nd-place clocking of 40.21 for the one-lap relay. On the women's side, Donnette Brown sped to a 2nd-place finish of 23.62 in the 200m. Cecile Cargill won the 400m in 53.81, the 400m relay team finished 3rd in 44.91, and the 1600m relay squad took 2nd in 3:41.08.

Cecile Cargill once again mastered the field in the 400m with a blistering 52.61 at the Bayou Classic meet in Houston on March 29. This ranks her 3rd nationally in the event this year. She was third at the NCAA indoors. The UTA meet at Arlington, also on the 29th, produced a fine 3:04.78 for the men's 1600m relay.

The 70th Texas Relays opened up on April 2 to rain and floods, but the Sooner men's 1600m quartet burned a Crimson school record into the Longhorn track with a blazing 3:01.21 (Roxbert Martin - 44.4 anchor) automatically qualifying them for the NCAA's in Bloomington in June. The 400m relay also scored a fine 3rd place to Carl Lewis and the Santa Monica Track Club with a 39.60 NCAA provisionally qualifying mark. In other men's action, Craig Kirkwood ran to a 2nd place clocking of 14:21 in the 5,000m. The women's 1600m squad also auto-qualified for the NCAA's with the 2nd fastest time in the nation of 3:31.78 in finishing 2nd to Texas. Donnette Brown set a school record of 11.34 in winning the 100m, while the 800m relay team finished 3rd with a school record 1:34.60. School record holder Lawanda Dyson cruised to a provisionally qualifying 59.34 400m hurdle 2nd place. Next up for the Sooners is the John Jacobs Invitational at Norman.

Oklahoma State University - The Cowboys of Stillwater are in a rebuilding year, and although they have NCAA'er Jon Wild back for his final season, he appears to be injured and not at full strength. Christian Nicholson, Christopher Kebenei, Chuck Sloan, Elphonso Curley, Jenks' Brian Young, and Rene' Carlsen appear ready to step up and represent OSU distance corps admirably. Edmond Nartey appears to be the Cowboy's top sprinter with a 21.7 and 48.46 for the 200m and 400m respectively. The 6000m relay foursome of Jeff McDaniel, Sloan, Wild, and Young averaged 3:57 per metric mile to take 6th at the Texas Relays on April 5 with a time of 15:47.99.
