On Track

By John Hoke, Editor

The weather finally started cooperating--at least a little--over the past couple of weeks but we only had 15 meets reported for this issue and that just wasn't enough to justify doing a full breakdown of the season leaders by class. So, this issue contains the first season leaders listing but is confined to an overall listing 10 deep. Hopefully, by the next issue we'll have enough results to do the complete listing by class.

The cutoff for being included in this issue was March 31--we waited as long as we could in order to get as many as possible in--but it won't be in the mail until April 3. The next issue will be dated April 18 and should be in the mail by the 17th. Remember that meet results must be in our office on Monday morning following the meet in order to be included. The team rankings in this issue were loosely based on the results from so far this season but don't have the same authority as they do when they're based on the individual season leader lists.

Regional assignments should be made by the next issue and we will try to publish them if they are released by the OSSAA in time. Remember our perennial advice: if you want to impact the assignments, contact your representative on the Advisory Committee listed at the bottom right of this page.

Moore coach Ken Hogan called to draw my attention to the fact that they held a girls pole vault competition (no team points were scored) in the meet at Moore March 27 with a good group competing for the first time in this event in Oklahoma history. Coach Hogan says they will include it in their relay meet later this season as well.

COACHES' CORNER

OKLAHOMA TRACK COACHES ASSOCIATION--If you have not a joined the OTCA for the 1997-98 school year you need to be sure to get your membership in now. Selection to the two All-Star teams for post-season competition as a runner or coach requires that the coach be a member. Other benefits include a subscription to *Oklahoma TRACK & FIELD NEWS*, eligibility for State Indoor Meet, summer and winter clinics, coaches Hall of Fame, senior All-Star awards, coaches awards, and much more. Every coach in Oklahoma should be a member of the OTCA. You can join by sending \$35.00 to Randy Belicek, 925 Lovers Lanes, Purcell, OK 73080.

RESULTS: Meet Directors, please FAX (mail is too slow in this age of computers) the results (six deep and all team scores) of any meet you host and make sure that any meet your team participates in reports the results promptly. Needless to say, results are absolutely the heart of this publication and we need them fast in order to get them factored into the current rankings and into print in a timely fashion.

SEASON LEADERS: In order for a performance to qualify we must have the full results of the meet in our office for verification.

TEAM RANKINGS: are based on results received and will be part of the criteria used by the Regional Assignment Committee, as will individual rankings. Don't hesitate to communicate with us regarding your feelings about rankings.

Oklahoma TRACK & FIELD NEWS (ISSN 1080-8566) is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. *Oklahoma TRACK & FIELD NEWS* is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. *Oklahoma TRACK & FIELD NEWS* is the official publication of the Oklahoma Track Coaches Association. Periodicals postage paid in Oklahoma City, OK.

1998 Track Schedule

The schedule below was derived from information listed on TEAM REPORTS. There are many meets that have been held in years past that no information has been received on yet. Since this information comes from reported schedules, and not directly from meet directors, there are possibilities of error, so it would be prudent to contact the school for a meet schedule if you are interested in attending as a spectator or in participating as a team. Please let us know if you notice an error or omission so we can correct it in the next issue.

April

2: Texas Relays (through the 4th, Austin). 3: Midwest City, Wetumka, Adair, Thomas. 4: Owasso, UCO, Altus, Sulphur, Bethany, Perry, Wynoka. 7: Pryor, Yukon, Cushing, Forgan. 9: Frontier, Dewey. 10: John Jacobs (OU), Guymon, Wyandotte, East Central, Pittsburgh State (KS). 11: Chandler, Velma-Alma, Bethany. 14: OBU, Woodward, Claremore Sequoyah, Miami, South Barber (KS). 15: Waurika. 16: Ringwood. 17: Sapulpa, Bristow, Mustang, Claremore, Watonga, Chelsea, Elkhart (TX). 18: Holland Hall, Duncan, McAlester, Plainview, Casady, Cascia Hall. 21: Cherokee, Moore, Oklahoma City All-City, Spiro, UCO-Harrah, Tonkawa, Claremore Sequoyah, 66 Conference-Chandler. 22: Souther Missouri State-Springfield (MO). 23: Commerce, McAlester Quad. 24: Choctaw, Western Heights, Catoosa, Elk City, Konawa, Ft. Smith (AR). 25: McGuinness, Tecumseh, 5 Star Conference, 89er Conference-Fairview, Copan, Ringwood, Waurika, Beaver, Broken Arrow. 27: Frontier, Medford, Boise City. 28: Carl Albert, Cyril, Metro Lakes Conference, Weatherford, Will Rogers Conference-Chelsea, Lucky 7 Conference. 30: Suburban Conference-Western Heights, Green Country Conference.

OKLAHOMA COLLEGE TRACK UPDATE

By Bud Almond

NCAA INDOOR CHAMPIONSHIPS INDIANAPOLIS, IN - MARCH 13-14

The University of Arkansas men's team once again prevailed as the Hogs of John McDonnell won their 29th national championship by 20 points over runner-up Stanford. Oklahoma's Sooners finished in 45th place with 4 points.

Catoosa's Phil Price came into the meet with a 4:00.8 mile to his credit, and set himself up well in the prelims with a relaxed 4:03.99 to gain the finals. The final, much to his dismay, turned out to be another tactical championship race, as they went through the first quarter in 61 sec. The half went by in 2:05, and when the 3/4 mark was reached in 3:08, Price decided to help speed things up by taking the lead for the next 2 laps. At the bell lap, Michigan's Kevin Sullivan, Colorado State's Bryan Berryhill, and Price's teammate and defending champion Seneca Lassiter all went by and drove to the tape together, with Sullivan (4:03.54) just edging out the other two by an eyelash. Exhausted from the final surge, Price still managed a final quarter of 58 sec. finishing a strong seventh just three seconds back in 4:06.61.

Another Oklahoma Razorback, Moore's Jonathan Leon just missed qualifying for the final of the 400 with a 47.31 in his heat. He was also used at times on the Distance Medley Relay, as well as being a regular on the 4 X 400 foursome. In other men's action, those competing but not qualifying for their finals were Oral Roberts' Virgil Maddox - 6.43 in his 55-meter prelim, and Oklahoma's Shomari Wilson - 21.36 in his 200-meter prelim.

Those competing in final events were: Oklahoma's Jason Larabee in the 3000 meters - 8:03.13 (10th), Oklahoma's Chris Duffy in the Pole Vault - 16'10 3/4" (13th), and the Sooners' 4 X 400 relay - 3:09.69 (5th). The Oklahoma State women's team finished in a five-way tie for 38th place with 5 points, as Sherita Jackson sprinted to a fourth place finish in the 200-meters. Her time of 23.25 was just a stepn finished in a tight group. Oklahoma's Jacqueline Horton produced a 24.22 in her prelim heat, but fell short of qualifying for the final.

Other women included: Tulsa's Caroline Avbovbede in the 400-meter prelims - 55.35. Caroline became the first University of Tulsa track athlete, male or female, to ever qualify for the NCAA championships. The Sooners' Cecile Car-

gill finished with a 54.68 in her prelim. She also contributed to her team's 4 X 400 relay showing of 3:39.07 (10th). Laura Daniels of ORU jumped 11' 13/4" in the Pole Vault for 15th place overall.

PROFILE - UNIVERSITY OF TULSA

By Bud Almond

Location: Tulsa Founded: 1894 Enrollment: 4300 Conference: Western Athletic (WAC) Head Coach - Stanley Redwine Asst. Coach - Doug Clark Grad. Asst. Coach - Carrie Swayze Vol. Asst. Coach - Mike Conley

In 1994 Stanley Redwine, former five-time Olympic trials finalist, and four-time All-American at the University of Arkansas rolled into Tulsa with one thing in mind. Transforming the schools' Cross-Country/Track and Field program from one that has seen a moderate degree of success during the Missouri Valley years from 1936 to the mid 80's, to one of consistent improvement with stability at the individual and team levels. Redwine brings instant credibility to this program with his vast knowledge and experience. Already his athletes have overhauled the TU record books in many events, a telling sign of things to come.

He has built an excellent support staff in assistants Clark, who coaches the distance corps, and Swayze, who also coaches distance in addition to the sprinters. Redwine has also procured the additional support this year of fellow alum and Hog-team-mate Michael Conley, himself a storied Olympic gold and silver medalist in the triple jump, in a volunteer coaching role for the Hurricane long and triple jumpers.

Tulsa's entrance into the WAC in 1996 presented new and exciting challenges for the Hurricane as they go from being a formidable regional force to seeking national respect. Some of the recruits from Redwine's first season that have blossomed into current stars and leaders for the Hurricane include 800-meter specialists Monique Poindexter, Adam Ellison, and Rodney Peterson. All are now seniors.

Monique currently holds the indoor school record in the 600-yard (1:24.90) event, as well as the second fastest 400-meter time (57.18). She also has an outdoor best of 2:10 in the 800-meters. Ellison and Peterson are as close to being athletic equals as they come as they consistently rank near or at the top in most "AJ" has both indoor (1:50.36) and outdoor (1:49.04) school records in the 800-meters with Rodney just a half second back in both. "AJ" is a middle distance athlete who has a wide range of ability from the 800-meter up to the 10000-meter distances. Rodney's talents, on the other hand lend themselves more towards the 400-800-meters (he holds the indoor school 600-meter record (1:20.51), and both he and "AJ" have played integral parts on the school record setting 4 X 400, 4 x 800, and distance medley relay teams. Their friendly rivalry has lent itself to a healthy training atmosphere for both as well as the rest of the team.

The current roster of athletes is an international array of men and women whose presence should make for an interesting recipe, and these ingredients coupled with hard work should pave the way for conference and national distinction and notoriety.

Sophomore sprinter/jumper Sedrick Lusk already owns the indoor and outdoor (24' 11 3/4") long jump records for the school, as well as the 200-meter indoor record (21.72). He also is the first TU athlete to capture a conference long jump title since 1952, as well as back-to-back titles. Kevin Guynn, a junior, has the indoor triple jump record (48' 2 1/2"), and is second on the outdoor chart. Both jumpers are the first in what should be a long line of great jumpers to wear the Hurricane

colors.

Sophomore Clint Small, who set a TU indoor 400-meter record (48.27) this year, will be a force to be reckoned with in the 400-meter hurdles, as will junior Joal Stockton in the high hurdles. John Mosley, the new indoor record holder in the 55-meters (6.28) will return along with Hassan Faggett, and with Lusk, and freshman Frankie Johnson, they should bolster the sprints and relays.

Dwight Davis, a very talented and promising sophomore, set a new school outdoor record in the 1500-meters with a 3:50.57. He has great range for short and long distances and along with Cornelius Mason, Norwegian Kristian Brane have the makings of a dangerous middle distance group. Freshman newcomer Shawn McCullough has already shown early promise with a 1:53.07 800-meter performance. The TU soccer player was among the top 25 U.S. 800-meter runners in high school last year.

Native Nigerian Caroline Avbovbede "has increased the standard of excellence at TU" according to Redwine, and has made quite an early mark for herself as the first TU athlete to qualify for the NCAA championships. The sophomore currently holds the indoor record in the 400-meters at 54.14, as well as a share of the 4 X 400 relay record of 3:46.41. She also has the indoor 200-meter record of 24.50. Her sprinting prowess will be complemented well by freshman newcomer Tiffaney Williams, the new outdoor record holder in the 200-meters (24.67), as well as sophomore Inemesit Usoroh.

The Lady Hurricane distance corps is ably led by sophomore record holder Frida Vullum, a native of Norway. Vullum currently holds the indoor 1000-meter (3:03.06), mile (5:03.12), and 3000-meter (9:38.82) records. Her 3000 time ranks as the best conference mark this season. Outdoors, she holds records in the 1500-meters (4:36.41), 3000-meters (9:51.61), and 5000-meters (17:23.77), all set when she was a freshman. She will be pushed by Rachel Hassar, Sarah Shaw, and newcomer Dutch native Paulina Rath.

Australian native Erin Simpson, who ranks among the school's best 800-meter runners, will be back for her final season to add depth to the middle distance group, and along with Poindexter will lead a strengthened group of athletes. Summer Lamons (2:14.13), a junior from Sapulpa, will be back from a strong cross-country season along with new indoor 800-meter record holder (2:14.69) Jany Van Gerwen from the Netherlands, and Irish sophomore Margaret Danagher.

Some interesting thoughts about the indoor season regarding the conference indoor meet....this meet is always held at the Air Force Academy's indoor facility at an altitude of 7ntage was and will always be served to those schools that don't have the advantage of high altitude training. Nine of the sixteen schools are at or near sea level, but due to the fact that only Air Force and BYU have suitable indoor facilities, the meet is always held near Colorado Springs. This disadvantage not only damages any fairness for a good performance at the conference level, but also hinders any chances for needed NCAA qualifying performances. Coach Redwine professes great confidence in his coaching staff, he loves to recruit, he is excited about the future of TU athletics and his team, and with the types of athletes he now coaches, is looking forward to spring track in the WAC in '98.
