On Track

By John Hoke, Editor

The Oklahoma track community was saddened by the news of Moore High School track coach Ken Hogan's death February 8th during a team practice at school, apparently from a massive heart attack.. Ken was well-known and respected in Oklahoma and he will be missed by all of us. A memorial fund has been established and contributions can be sent to Ken Hogan Memorial Fund, c/o Moore High School, 300 N. Eastern, Moore, OK 73160. He is survived by his wife Linda, daughter Laura and son Kevin.

The 1998 season will get started officially March 5 with several meets around the state and at the moment, it looks like the weather should be great, for a change. The full schedule is on page 11 in this issue. Season leader lists will start in the next issue and should be up to full speed by the end of March. Coaches please remember to send complete results by FAX no later than the Monday following your meet.

The Oklahoma Track Coaches Association had their Mid-Winter Clinic Norman again this year and named coaches Laura Clay of Westmoore and Steve Patterson of Jenks as the girls and boys 1998 Cross Country Coaches of the Year. Congratulations to both. Speaking of cross country, Plainview freshman state champ Jesse Gordon brought home the gold medal from the AAU's National Cross Country Championships held in Knoxville, Tenn., in December. Gordon ran a 14:29 for the 4,00 meter course, a 40 second PR.

The OTCA will again be sponsoring a senior East-West All Star meet and nominations should be sent to the appropriate coach (FAX #): WEST BOYS—Jim Nugent, Del City (405-671-8675); WEST GIRLS—Barry Blagowsky, Guthrie (405-282-8823); EAST BOYS—Roosevelt Kent, Broken Arrow (918-451-1964); EAST GIRLS—Roger Brown, Rogers (918-831-3366). The meet will be held May 22 at the University of Oklahoma.

Coaches, if you haven't joined the OTCA yet for this year, now is the time to do it. See the note in the Coaches' Corner on page 11.

See you at a track meet.

In Memory of Coach Ken Hogan

On behalf of the current and former runners from Moore High School:

For all of the many miles you ran with us, for the sheer joy of running you have instilled, for the love and laughter you shared along the way...

We will dearly miss you, Hogie.

TEAM REPORTS

Oklahoma TRACK & FIELD NEWS sent out TEAM REPORT forms in January to all schools with track programs—over 425. Coaches, if you have not done so already, please take the time to fill them out and return ASAP. Be sure that both boys and girls teams are reported since only one copy is sent to each school—duplicate the form if needed. These are the heart of our coverage since they provide schedules, coaches' names, correct spellings, class years and team rosters.

SUBSCRIPTIONS

Coaches, *OT&FN* will not be able to survive without more subscribers. Please ask your librarian to add it to their list of publications. Also, please make sure that your parents are aware of us and suggest that they take a subscription to keep up on track in Oklahoma.

SEASON LEADERS

We will begin our listing of season leading performances in the next issue if enough results are received. In order for a performance to qualify we must have the full results of the meet in our office for verification.

TEAM RANKINGS

Team Rankings are based on results received and the Season Leader lists for each class. These rankings are part of the criteria used by the Regional Assignment Committee, as well as individual rankings. Don't hesitate to communicate with us regarding your feelings about rankings.

1999 Track Schedule

The schedule below was derived from information listed on TEAM REPORTS received by February 24. There are many meets that have been held in years past that no information has been received on yet. Since this information comes from reported schedules, and not directly from meet directors, there are possibilities of error, so if would be prudent to contact the school for a meet schedule if you are interested in attending as a spectator or in participating as a team. Please let us know if you notice an error omission so we can correct it in the next issue. The schedule is also available on our web site: <http://www.oktrack.com> and will be updated as new information is received.
