On Track

By John Hoke, Editor

With only six meets reporting results through the 22nd of March, there wasn't much to put in this issue. We delayed it a full week, hoping that there would be a chance of getting more results, but it just didn't happen. After an unusually dry and warm winter, March really got nasty, with snow storms and rain wiping out over a dozen scheduled meets. Needless to say, there aren't enough results to do a season leaders list nor team rankings. Hopefully, there will be enough results in this last week of March to put together at least an overall list and do a team ranking.

I know it gets old hearing the same thing over and over again, but I can't emphasize enough the need for coaches to make sure that results are sent in by FAX promptly following their meets. Every year I get calls asking why certain performances were not listed and almost every time the answer is because we didn't get the results. With the OSSAA using the team rankings to help with regional assignments and the team rankings being derived directly from the individual season leaders lists, it makes it double important to get those results—and fast. Even if you aren't the meet director, it doesn't hurt to make sure that the person responsible for the results is planning to send them in as soon as possible. OK, enough preaching.

We've been really busy keeping up with the wrestling season but now that it is slowing down we're going to try to get our *Oklahoma Track & Field News* web site back up to speed. As soon as we start doing season leader lists we'll post them to the site, as well as results and team rankings. Check it out and let us know what more we can do to make better.

Coaches' Corner

OKLAHOMA TRACK COACHES ASSOCIATION

If you have not joined the OTCA for the 1998-99 school year you need to be sure to get your membership in now. Selection to the two All-Star teams for post-season competition as a runner or coach requires that the coach be a member. Other benefits include a subscription to *Oklahoma TRACK & FIELD NEWS*, eligibility for the State Indoor Meet, summer and winter clinics, coaches Hall of Fame, senior All-Star awards, and coach of the year awards. Send \$35 to Randy Belicek, 925 Lovers Lane, Purcell, OK 73080.

TEAM REPORTS

Oklahoma TRACK & FIELD NEWS sent out TEAM REPORT forms in January to all schools with track programs—over 425. Coaches, if you have not done so already, please take the time to fill them out and return ASAP. Be sure that both boys and girls teams are reported since only one copy is sent to each school—duplicate the form if needed. These are the heart of our coverage since they provide schedules, coaches' names, correct spellings, class years and team rosters.

SUBSCRIPTIONS

Coaches, *OT&FN* will not be able to survive without more subscribers. Please ask your librarian to add it to their list of publications. Also, please make sure that your parents are aware of us and suggest that they take a subscription to keep up on track in Oklahoma.

SEASON LEADERS

We will begin our listing of season leading performances in the next issue if enough results are received. In order for a performance to qualify we must have the full results of the meet in our office for verification.

Oklahoma TRACK & FIELD NEWS (ISSN 1080-8566) is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. *Oklahoma TRACK & FIELD NEWS* is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. *Oklahoma TRACK & FIELD NEWS* is the official publication of the Oklahoma Track Coaches Association. Periodicals postage paid in Oklahoma City, OK.

1999 Track Schedule

The schedule below was derived from information listed on TEAM REPORTS. There are many meets that have been held in years past that no information has been received on yet. Also, several early meets were canceled and some have been rescheduled. Since this information comes from reported schedules, and not directly from meet directors, there are possibilities of error, so if you would be prudent to contact the school for a meet schedule if you are interested in attending as a spectator or in participating as a team. Please let us know if you notice an error omission so we can correct it in the next issue. The schedule is also available on our web site: <http://www.oktrack.com> and will be updated as new information is received.
