On Track

By John Hoke, Editor

This is the last issue before all regionals and the small school state meets though we will have an updated edition available at the small school state meets. It's a large issue again with over 30 meets and seven sets of leaders lists. We're still not getting timely reports from too many meets and it adversely affects the quality of both the individual listings and the team rankings. Remember that leader lists and team rankings are compiled from only results received by Monday. There are many meets that will make the issue but were not in the office in time to be included in the rankings. Team rankings are simply based on the points derived from the class leader lists but have to be taken with a grain of salt since some individuals might be scoring points in more events than they will be able to at the state meet.

We have been posting results to our web site several times a week as well as the updated leaders lists. Besides current results you can find a wealth of other information including state records and links to other track sites across the nation.

After this issue there are only two more to go and I'm still leaning towards discontinuing *Oklahoma Track & Field News* (and the oktrack.com website) after this season. There is no doubt in my mind that there is a need for it in the scheme of things but it still needs a serious growth in circulation and some advertising income in order to make it work. If every school with a track program bought a subscription for its library I could stay in business but so far less than 10% have one. To me this is a sad commentary on coaches' willingness to put the effort into keep the *OT&FN* alive.

This is the eighth season we've published *OT&FN* and there are a lot of coaches and parents who have truly done a great job of promoting *OT&FN*. Without their efforts we couldn't have come as far as we have but it's going to take a bunch more if we're going to stay in business. Which, by the way, is basically the nut of the whole deal. Unless I can see a viable business future for the *OT&FN* it can't hang around any longer.

See you at a track meet@

Qualifying Standards for Girls and Boys

Athletes who are 18 years old and will reach their 19th birthday on or before July 20, 2000 are *ineligible* to compete in Youth Athletics competition at any time during the year 2000. Those who reach their 19th birthday after July 30, are eligible to compete as Young Men/Women in competitions held before July 31. Meeting the qualifying standards is no longer required for the National Youth Athletics Championship in Decatur, IL at Millikin University, combined events: July 5-6, track and field: July 7-9, 2000. However, the qualifying standards are based on the 8th place finisher from last year and will stand for the stipend for athletes from the OK Assoc. See below for stipend info. For more information concerning the qualifying standards, please go to the website:

Athlete Stipends from OK Association USA T&F

OK Assoc. USA T&F will give a \$50.00 stipend per athlete for meeting or beating the Qualifying Standards or placing first in your age group and event at the Assoc. Age Group Meet in Jenks, OK on May 27. This will stand for athletes going to the National Youth Athletics in Decatur, IL.

OK Assoc. USA T&F will give a \$50.00 stipend per athlete for qualifying for the National Junior Olympics in Buffalo, NY. You must be in the top 6 at the District J.O., top 3 at the Assoc. J.O. and top 3 at Region 9. (We used to say top 4 at the

Assoc., but that is only for the association that hosts the Region 9.)

A letter requesting the stipend must come to Sara Pilgrim, 2131 E. 25th Street, Tulsa, OK 74114, within 30 days of the last day of the National Meet. Info needed:

1. athletes name, 2. current USA T&F number, 3. age group, 4. event that athlete participated in, 5. copy of the official results, and 6. receipts from the trip equal to \$50.00 stipend, and 7. If the athlete goes to the National Youth Athletics Meet based on meeting or beating the qualifying standard, send the results verifying this.

It would be helpful if the club that the athlete is a member of will request all athletes together. Just let me know if the athlete's parents need the check made out to them or to the club. (Remember, to keep the athlete an amateur, the check must be made out to the parent or guardian.)

USA T&F Memberships for 2000

Please take care of your renewals for USA T&F early.

Don't wait until the end of May. It really is a timely process. You will get a temporary card back from OK Assoc. and then the National Office will send you a plastic card good for the year. The numbers will be the same. Don't delay, renew soon!

OK Assoc. office phone number is 918-258-1979.

USA T&F Clubs:

Please renew soon. The information was sent to you in January. In order to get important information from your OK Assoc. and from Nationals you need to be a club. Don't wait until the middle of May.

USA T&F Certified Officials:

George Hall is the Certification Chairman. All those who are currently certified officials, your certification is good until October of 2000. Official's Certification is good for one Olympiad. Plan to attend George's clinic to be held sometime in October. You can reach George and ask to be put on his Official's E-Mail Newsletter. Do this even if you aren't an official, he puts out some really interesting stuff. He also has a really good e-mail newsletter for his Team OK - very good info!

Attention all High School Tracksters that Qualify for your State High School Meet:

If you qualify for your State Meet, then you may bypass the District Junior Olympics in individual events only. All relay teams must compete at the District level. However, you must still meet the registration DEADLINE for the Association Junior Olympic Championship to be held in Stillwater, OK, on June 16 & 17 and you must have a current 2000 USA T&F card. That deadline is a postmark of June 9th. There will be no exceptions to this. Information about this will be given to your USA T&F club coaches and to your High School Coaches as well. For more information contact: Sara Pilgrim at or 918-744-5978.
