On Track

By John Hoke, Editor

The first track season of the new millennium will get under way the weekend of March 4 with several meets around the state and, as usual, we're hoping for great weather. We really haven't had much of a winter yet so don't be surprised if it shows up in March. It certainly wouldn't be the first time. There is a full schedule in this issue and it is posted on our web site as well - www.oktrack.com. Season leader lists will start in the next issue and should be up to full speed by the end of March. Coaches please remember to FAX complete results no later than the Monday following your meet.

The Oklahoma Track Coaches Association had their Mid-Winter Clinic in Norman again this year with a record number of coaches in attendance. Mark Heard, Elk City, and Dave Sammons, Edmond Memorial, were named girls and boys 1999 Cross Country Coaches of the Year respectively. Congratulations to both coaches, they have done a great job of developing and continuing the programs at their schools.

At this time it looks like the OTCA will not sponsor an East-West All Star meet this year but will still be sending a team to the Great Southwest Classic in Tempe, Ariz. In May. As soon as we have the information on the coaches we'll let you know.

See you at a track meet!

Coaches' Corner

OKLAHOMA TRACK COACHES ASSOCIATION--If you have not joined the OTCA for the 1999-2000 school year you need to be sure to get your membership in now. Selection to the two All-Star teams for post-season competition as a runner or coach requires that the coach be a member. Other benefits include a subscription to *Oklahoma TRACK & FIELD NEWS*, eligibility for the State Indoor Meet, summer and winter clinics, coaches Hall of Fame, senior All-Star awards, and coach of the year awards. Send \$35 to Randy Belicek, 925 Lovers Lane, Purcell, OK 73080.

TEAM REPORTS--*Oklahoma TRACK & FIELD NEWS* sent out TEAM REPORT forms in February to all schools with track programs--over 425. Coaches, if you have not done so already, please take the time to fill them out and return ASAP. Be sure that both boys and girls teams are reported since only one copy is sent to each school--duplicate the form if needed. These are the heart of our coverage since they provide schedules, coaches' names, correct spellings, class years and team rosters.

SUBSCRIPTIONS--Coaches, *OT&FN* will not be able to survive without more subscribers. Please ask your librarian to add it to their list of publications. Also, please make sure that your parents are aware of us and suggest that they take a subscription to keep up on track in Oklahoma.

SEASON LEADERS--We will begin our listing of season leading performances in the next issue if enough results are received. In order for a performance to qualify we must have the full results of the meet in our office for verification.

TEAM RANKINGS--Team Rankings are based on results received and the Season Leader lists for each class. These rankings are part of the criteria used by the Regional Assignment Committee, as well as individual rankings. Don't hesitate to communicate with us regarding your feelings about rankings.

ON THE COVER--Bartlesville's Joey McNair (right) won the 3200 over Edmond Memorial's Brady Schmeideberg with a time of 9:53.8. McNair also took the 1600 with a time of 4:38.55. Photo by Roger Taylor

Oklahoma **TRACK & FIELD NEWS** (ISSN 1080-8566) is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. *Oklahoma TRACK & FIELD NEWS* is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. *Oklahoma TRACK & FIELD NEWS* is the official publication of the Oklahoma Track Coaches Association. Schedule

The schedule below was derived from information listed on TEAM REPORTS received by February 28. There are many meets that have been held in years past that no information has been received on yet. Since this information comes from reported schedules, and not directly from meet directors, there are possibilities of error, so it would be prudent to contact the school for a meet schedule if you are interested in attending as a spectator or in participating as a team. Please let us know if you notice an error or omission so we can correct it in the next issue. The schedule is also available on our web site: www.oktrack.com and will be updated as new information is received.
