By John Hoke, Editor

This is a regular issue of *Oklahoma Track & Field News* that will also be distributed at the small school state meets at Carl Albert High School (A & B) and Norman High School (3A & 2A). This issue contains results from invitational and conference meets over the past couple of weeks as well as regional results from all the small school regionals held last weekend. We would have liked to run the results six deep in every event but we didn't get the full results needed to do so. Class season leader lists for the small schools were developed straight from regional results and there will be many instances of better performances early in the season that did not make the leaders lists. Team rankings were derived straight from the leaders lists as well and there is a state meet preview listing returning champions in each event.

Also in this issue are the state meet records and overall state records. We have updated these to the best of our ability but, as we've said in the past, there is truly no official repository of state records. Please let us know of any corrections so we can have them updated by the next issue. The next issue will be dated May 18 and will have results from both sets of state meets as well as the 4A-5A regionals.

The Great Southwest Classic is scheduled for May 26 in Albuquerque, N.M. Coaches for the Oklahoma All-Star teams are Carl Hawkins, Santa Fe, for the boys, and Ed Wade, Marlow, for the girls. Anyone interested in participating should give the appropriate coach a call.

This has been a tough season for *OT&FN* so far and there is really only a slim chance that we will be around next year. However, we are working on developing some options that may include cutting the number of issues and cutting back on the season leaders lists. The premise is that it would be preferable to have at least something being printed rather than nothing. The same goes for the web site.

We have only reached 750 subscribers and it truly is going to take 1,000 to make this a viable publication in the long run. I've frankly run out of the necessary enthusiasm for publishing after whining and fussing for the past several years about getting enough subscribers. It has been no fun for me to constantly be complaining about there not being enough readers to make this a going concern. At this point what *OT&FN* really needs is a new, energetic editor that will be able to spend the time and effort necessary to keep it alive. We also need help from someone in the business community that can see the value of this publication and be willing to give it some financial support. I'm willing to continue carrying the responsibility of being the publisher and be the glue that holds it all together. If you've got any ideas - and are willing to follow them through - give me a call.

See you at the state meet!

CLASS A REGIONALS— Beaver's Blaine Barby won the 110-hurdles ahead Devin Wilson of Hollis, 15.01 to 15.10. The two also dueled in the 300-hurdles with Barby winning another close race with a time of 42.33 to Wilson's 42.47. Photo by Roger Taylor

Oklahoma TRACK & FILED NEWS (ISSN 1080-8566) is dedicated to covering the sport of track and cross country in the state of Oklahoma at all levels and encourages submission of all results of any Oklahoma events. *Oklahoma TRACK & FIELD NEWS* is published 12 times a year as follows: twice in September and October, once in November (cross country season); once in February (indoor track season), twice in March, April and May (outdoor track season); no issues June, July, August, December or January. *Oklahoma TRACK & FIELD NEWS* is the official publication of the Oklahoma Track Coaches Association.
