The small school state meet in Shawnee last weekend was really a great cross country experience, even with the rain. At least it didn't start until just before the first race and then stayed consistent throughout the afternoon. After attending over ten state cross country meets I still get excited just being there. I've been though it as a runner, a parent and even a part-time coach and it's still one of life's peak experiences. I particularly enjoy talking to parents now who are just beginning to discover the joy and comradery of cross country.

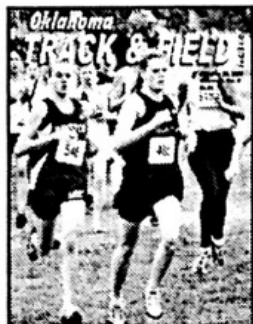

This is our eighth year to cover the state cross country meets in Oklahoma and if you bought this copy at the meet and aren't a subscriber, now is the time to become one. Readers are familiar (tired?) with my whining about not enough subscribers but the situation is still very perilous. With 600 subscribers at this point we need to reach at least 800 by the middle of track season in order to stay in business. If you are one of the 600, please take the time to check and see if your school library has a subscription. Every high school library in the state with a track or cross country program should have a subscription. Make it your mission to make sure yours does!

This issue contains the results of the small school state meet and all regionals, 5A-4A-3A-2A-A. I sold a special state meet issue at the meet in Shawnee but only the regional results are duplicated here. I haven't received the results of the Junior High All-Star meet yet but hopefully they'll get in the next issue.

Speaking of the next issue. It has been our policy to hold the issue a little so we can get the results of the Oklahoma Track Coaches Association's All Star meet in the issue so it will be dated and mailed November 14. This meet is going to be held in Fayetteville, Ark., Nov. 11 on the University of Arkansas' dedicated cross country course.

Coaches, it's not too early to start making plans to attend the OTCA's annual Winter Clinic which is going to be held in Norman again at the Ramada Inn, January 19-20. Outstanding lectures, technique sessions. Oldt Timer's Reunion, rules meeting and a chance to hobnob with your peers. Contact OTCA Executive Secretary Randy Belicek, 405-527-7652 at home or 405-238-3021 at school. If you haven't joined the OTCA yet, it's still not too late to do so. Remember, only members are eligible for All Star competition and awards.

See you at the state meet!

# 2000 3A-2A-A Cross Country State Meet

The rain waited until 15 minutes before the start of the first race at 1:00 p.m. and then continued on all day to make the first cross country state championships of the new millennium a very soggy affair. Held for the second year on the course at the Gordon Cooper Technology Center in Shawnee, October 21st, the rain didn't seem to dampen the crowd's enthusiasm as fans braved the continual drizzle to cheer for their runners.

All six of the No. 1 ranked teams easily claimed their titles with the Plainview girls and Elk City Boys turning in the top team average times of the day. Double winner Watonga was second in team times as they were the only school to claim both boys and girls titles this year.

Plainview juniors Jessie Gordon and Patrick McGuire each captured their third straight individual title and are now primed to join the very elite group of four-time winners next year. All six top-ranked runners claimed titles as well. The top ten finishers in each class are named All-Staters with the next five gaining honorable mention All-State honors.

In spite of the rain the meet was efficiently run by Oklahoma Baptist University coach Ford Mastin and his group of OBU runners and students.

## A Girls

Oklahoma Bible Academy had been looking forward to this day all season as coach Paul Dunbar's runners held down the No. 1 ranking most of the year. Led by top-ranked freshman Heidi Schmidt, the Trojans dumped defending champion Canton by 45 points, 52-97, to claim their first ever cross country title. No. 8 ranked Depew was a bit of a surprise, finishing a solid third with 113 points.

Schmidt won in the second fastest time of the day—11:52—over the Canton duo of juniors Nancy Gray and two-time defending champion Beth Hooten. Woodland's McKale Davis was fourth and OBA's Melissa Dell was fifth.

#### A Boys

Carnegie put four runners in the top nine to easily repeat as champions here, beating Velma-Alma 39-75 for the gold. Oklahoma Christian school was third with 89. The Carnegie win was the second for the school and coach Keith Phillips.

Top-ranked junior Erin Rooney took top individual honors over Hooker's Luke Voth and Boise City's Andy Hegwood who finished third for the second straight year. Maysville's Jacob Deviney was fourth and Beaver's Jazz Carreon was fifth.

#### 2A Girls

Plainview ran away with the title here, as expected, though the score got a little closer after the Indians' No. 5 ranked Aja Clark fell and was unable to complete the race. The Indians of coach Jerry Naylor still put five in the top nine to outpoint Watonga 23-42 for the gold.

Junior Jessie Gordon won her third state title with the fastest time of the day—11:24—while Watonga sophomore Kimbri Lettkeman finished a strong second, leading the Eagles to the silver team medals with three runners in the top ten. Plainview's Sonja Petersen and Stephanie Merlyn were third and fourth while Watonga's Amanda Moore finished fifth.

#### 2A Boys

Plainview's Patrick McGuire claimed his third straight title here, notching the fastest time of the day with a 16:06, but the defending champion Indians slipped to third, losing a sixth runner tie breaker to

Chisholm for the silver medals. Watonga easily took the team title in spite of an injury to one of their top runners, Jason Coleman, ranked No. 4 but limping in at 22nd due to a stress fracture. Coach Jim Coleman's Eagles held the top spot in the Power Ranking during the middle of the season but Elk City claimed the fastest team title of the day with an average of 17:06 to the Indians 17:16.

A tight team race for second through fourth was forecast and in the end only four points separated second place Chisholm and fourth place Heritage Hall.

Finishing second and third in the individual race were Watonga's Justin Edsall and Marshall Medicine Bear with Plainview's Matt Stewart fourth and Chisholm's Kyle Tefft fifth.

#### 3A Girls

Marlow's top ranked junior Chandra Huckabay led start to finish to pace the Outlaws of coach Corey Holland to their first title since 1996. They put three in the top ten to score 57 points to runner up Jays' 115. Glenpool won the sixth runner tie breaker with Victory Christian to claim the bronze medals.

Bristow's Krystal Billings edged Marlow's Cheri Lemons at the line for second with Mannford's Carrinne Harlan fourth and Jay's Lora Loy fifth.

#### 3A Boys

Elk City claimed the top two spots again this year, only with the order reversed with seniors Chris McHone and Travis Johnson finishing one-two. McHone won as a sophomore but finished second to Johnson last year. The Elks put five in the top ten to claim their fourth title in five years for coach Mark Heard, beating runnerup Elgin 30-66 for the gold with Anadarko third at 89 points.

Anadarko's Jesus Rubio finished third with Marlow's Jon Davis fourth and Tuttle's Billy Barnum fifth.

# 2000 5A-4A State Meet Preview

Amanda Jordan  
McGuinness

By John Hoke  
Editor

The 2000 5A-4A State Cross Country Championships—the first the new millennium—will be held October 28 at Oral Roberts University in Tulsa for the eighth time in the last nine years. Regionals were held October 21 at two sites (Ponca City and Woodson Park in Oklahoma City) with the top seven teams from each regional qualifying for the state meet along with the top seven non-team qualifying individuals.

Two individual champs return to defend titles led by McGuinness senior Amanda Jordan who will be shooting to become only the second runner in state history to win four state cross country titles. She is joined by Jenks sophomore Brianna McLeod who won the 5A crown as a freshman

and has come within one second of Jordan's Oral Roberts' course record this year.

## 4A Girls

McGuinness will be gunning for their ninth straight and 12th title overall. Even though coach Dave Morton's Irish are the weakest they've been in the past nine years, they still have a strong grip on the title with a win in the Cowboy Jamboree over No. 2 Grove by 19 points. If the race plays out like the rankings, that's about what the point difference will be. Ardmore is another 15 points back and will be in a dogfight with Kelley and Weatherford for third.

Jordan has a lock on the individual win unless she gets sick or hurt. She will join Cascia Hall's Natalie Gray as the only other four-time winner in state history. Jordan also set state track records at 1600 meters and 3200 meters as a freshman. Weatherford's Holly Villines was second at the south regional while Edison's Alicia Dalby won the north and the pre-state meet at ORU. Also in contention for top five spots are Noble's Christina Chavez and Ardmore's Justin Flenory.

## 4A Boys

Defending champion McGuinness has won five straight boys titles and seven of the last eight, but, with only

one runner in the top ten it looks like the days of Irish dominance may be history. It wasn't too long ago the McGuinness claimed six runners in the top ten at state and they have had the individual winner for the past five years as well. This race could go to any one of the three top teams with coach Clay Tarter's Guthrie—the team that beat McGuinness in '91 and '94—the most likely. However, Capitol Hill has developed a strong program under Ron Miller, led by No. 1-ranked Marco Jimenez and the Redskins actually point out of the individual rankings as the top team even though they lost to the Irish in the south regional. Harrah is a not-too-distant fourth along with Edison.

Individually it looks to be a duel between Capitol Hill's Jimenez and Edison's Michael Dixon. They haven't met yet this year but Jimenez beat Dixon by a few seconds at state last year. Also in the running will be Bixby's Nate Moseley, Guthrie's Sterling Pratt and Duncan's Sean McCabe.

## 5A Girls

Jenks will probably have the largest point margin of the meet in winning this class after being ranked No. 1 all season. Martha O'Rourke's Trojans have three other runners in the top ten after McLeod and they look to have a lock on their second title since '95 and ninth since '75, making the second most-successful girls program in the state behind McGuinness.

The battle will be for second and third with three or four teams in a tight battle for the rest of the hardware. Westmoore won the south regional 60-76 over Norman with Moore at 86 while Santa Fe was second to the Trojans in the north regional. Any of these teams could pull together an effort to share the podium with Jenks at the awards ceremony.

## 5A Boys

The last race of the day promises to be the best with perennial powers Jenks and Edmond Memorial duking it out for the gold. Coach David Sammons Bulldogs won their tenth title last year, avenging a one-point loss to the Trojans in '98. With early season wins, including an impressive win at the Cowboy Jamboree, Edmond Memorial carried the No. 1 ranking up to the pre-state meet at ORU. With almost all the 5A powers there in a single class race, Jenks won by three points and it still looks like a three-point difference, but, as everyone knows, anything can happen at state.

Both teams won their regionals handily and both have two runners in the top ten but the race for third will be wide open. Norman North gets the No. 3 pick and Norman No. 4 after finishing closer to the Bulldogs in the south regional with Stillwater at No. 5. Anyone of these teams could end up third.

Individually this will be another toss-up. Bartlesville's Blake Culp won the Cowboy Jamboree but then lost to Jenks' Rem Moll at the pre-state meet at ORU. Culp came back to take the regional win over Union's Landon Willetts with Jenks' Chase Hall in third while Norman North's Andrew Call was winning the south regional over Edmond Memorial's Tyler Schmiedeberg and Marc Shumate. This one could come down to the wi

## State Meet Preview

Continued from previous page

McLeod has been lighting up courses this season and has to be considered the best runner in the state after winning head-to-head match ups with both Plainview's Gordon and McGuinness' Jordan at the SMU meet in Dallas. If it's a cool day and course isn't too sloppy, look for her to break Jordan's course record of 11:35.

Ponca City's Chelsie Baldwin leads the rest of the individuals with Jenks' Laura Major, Edmond Memorial's Robin Herndon (winner of the south regional) and Stillwater's Jennifer Clarke rounding out the rest of the top five.
