By John Hoke, Editor

Track seasons is here and there seem to be a few more meets on the opening weekend than there have in the past. Here's hoping the weather will be nicer than it is at the end of February.

**COACHES:** This is the first year that TEAM REPORT forms were not be sent out directly due to dismal lack of feedback (15% at best) in the past. The cost of mailing 425 forms can't be justified by the return. We have used these for rankings, schedules, correct spellings, etc. And would still like to have the information so please take the time to send us a copy of your outdoor schedule and full team rosters.

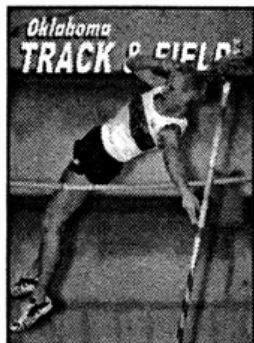

Our contact info for results: e-mail--jason@oktrack.com; Fax--405-521-8240; Mail-- P.O.Box 54679, OKC, OK 73154.

Our web site is address is [www.oktrack.com](http://www.oktrack.com) and you must be a subscriber for access. Email us for a password if you don't have one already.

**SUBSCRIBERS:** We recently sent out a note to all our current subscribers. This was NOT a renewal notice, but instead an attempt to get some help. In it we asked for you to pass the form on or to sign up a parent, runner, coach or fan that might have an interest in *Oklahoma Track & Field News*. This is a special offer of all the issues in the 2001 track season (seven in all, every two weeks from the end of February to the end of May) for only \$15. If you sent this form back to us with \$15 we will not process it as a renewal but will be sending you an extra copy of the *OT&FN*. Without your help this will be the last season of publication. We must reach 800 subscribers by the end of March or we will have to close the shop.

**RANKINGS:** Team rankings for this issue were taken directly from the team scoring at the OTCA Indoor Meet. The next two issues we will print an overall season leaders list. Hopefully by that time there will be enough results in to break the times down by class and put together team rankings for the individual class season leaders lists. Remember, in order for a performance to qualify for the leaders' lists we must have the full results of the meet reported. Team rankings will be drawn directly from the season leaders lists and will represent the total points scored in the list, rather than a projection of what to expect in the future.

Speaking of the Oklahoma Track Coaches Association. At the Mid-Winter Clinic Ron Miller of Capital Hill and Suzy Hunt of Norman were named the 2000 Cross Country Coaches of the Year. Congratulations also go out to the Oklahoma runners who participated in the AAU National Championships last December. The Tulsa Spikes, Plainview Track Club and the Jenks America Track Club sent several teams to Joplin, Missouri with Blake Culp (Bartlesville), Brianna McLeod (Jenks), and Jessie Gordon (Plainview) all coming back as All-Americans.
