On Track

By John Hoke, Editor

A few quick notes since we're late in getting this issue out, as usual. Thanks again to the hard work of assistant editor Jason Dormeyer and photographer Roger Taylor who put this issue together while I was at the NCAA wrestling tournament in Iowa.

We did get a few more meets in this issue than we have in the past and then there were some meets that didn't report their results. I can't stress enough the need for coaches to take it upon themselves to see that we get the results of their meets. You would think that, after nine years, coaches would know this but we still don't get very good cooperation in this area. So, coaches, please make sure to report all your meets and make sure that meets you participate in are sending their results as well.

Plainview junior Jessie Gordon has broken the 1600 meter record of 5:07.18 set in 1998 at Plainview by McGuinness' Amanda Jordan with a fantastic 5:04.79 at the Longhorn Invitational in Lone Grove March 9. This is perhaps the most prestigious record in track, our congratulations to Jessie and her coach, Jerry Naylor.

We begin our listing of season leading performances in this issue with an overall listing. We will begin separate class listings in the next issue. In order for a performance to qualify we must have the full results of the meet in our office for verification.

We've been asked to help solicit nominations for the U.S. Navy Scholastic All-American Team and coaches with potential nominees should give us a call and we will FAX the nomination form to them. Nominees must be seniors with at least a 3.2 GPA and participate in 50% of the team's meets.

See you at a track meet!
