On Track

By John Hoke, Editor

Track season is off and running. We have results from over 20 meets in this issue (most ever for the second March issue) and we still aren't getting results from all the meets around the state. This is frustrating, both for us and for the athletes that aren't getting their results published. Even with 20 meets we still don't have enough to do a full breakdown by class in the season leaders listings but we certainly should in the next issue. Likewise, team rankings would hardly be more than an educated guess since we don't have the class leaders listings to guide us, so please watch for them in the next issue.

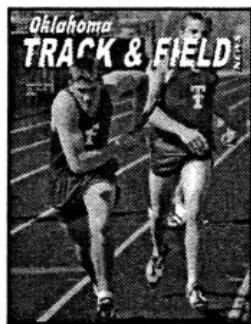

It's just a little more than three weeks until small school regionals, my how time flies. Regional assignments should be made by the next issue and we will publish them if they are released by the OSSAA in time. Remember our perennial advice: if you want to impact the assignments, contact your representative on the Advisory Committee listed at the bottom right of this page or call the OSSAA office. Also, make sure that all your meets are promptly and completely reported to us.

A reminder to coaches: the Oklahoma Track Coaches Association will again be sponsoring an Oklahoma all-Star team to the Great Southwest Classic being held in Albuquerque, N.M., this year. Information on nominations can be obtained from Randy Belicek (see below right).

As we went to press we got word that Stroud junior Kyle Bookout had tossed the shot 215-0, breaking the state record and smashing several national age-group records as well. We will have results in the next issue along with a listing of the national records he broke. Congratulations Kyle!

Circulation is at 750 for this issue. This is disappointing since we drew a line in the sand at 800 and said we had to reach that number by the end of March in order to stay in business. So, at this point, unless a big advertiser comes along or another 50 subscribers materialize, this is the last year for *Oklahoma Track & Field News* and oktrack.com. I'd like to hold out some hope but the struggle to reach even 750 has been an epic battle. If anyone has some ideas, we're open to listening.

See you at a track meet!

ON THE COVER -- PERRY
INVITATIONAL: Tuttle's Daniel Hutchison hands off to Clayton Jones En-route to a second place finish in 3:43.80.
