

# Hanna Public Schools

Coaches of Small Schools (3A and below),

I would love to have your athletes at Hanna on **Sep 12<sup>th</sup>** or our **Upper and Lower Elementary Cross Country Meet**.

Our course is low level intensity. All runners will do one lap (1 Mile). We are land locked so the course is entirely on school property, due to the heat we will run on time once one race finishes the next will begin, so have your runners at the start line early. We will accept **3A and down** but you must email, once we fill we can no longer accommodate schools the field will be closed. **You are not entered until you receive confirmation.**

We are not equipped for a lot of schools so this should be a small meet and give your athletes the ability to be successful. We will give 12 medals to each of the following groups.

## Make check payable to Hanna Cross Country

**Please email by August DATE so we know we have you entered**

Parking is in front of the gym on 2<sup>nd</sup> street. Teams and guest will walk across campus to the baseball field. Roads leading to the baseball field will be blocked. **DO NOT USE 3<sup>rd</sup> street!** Coaches please make sure your parents know this.

We want everyone to enjoy themselves and not have anyone upset because they did not know the road is block; cars using 3<sup>rd</sup> street will have to back to the highway and the road is narrow. Road closure is to ensure the safety of the students and spectators and we appreciate your help.

When runners finish the race – water will be made available to them.

**Please contact me with any questions**
