

Coaches of Small Schools (3A and below),

I would like to have your athletes at Hanna on **September 9th** for our **Upper and Lower Elementary Cross Country Meet**.

Our course is low level intensity. All runners will do one lap (1 Mile). We are land locked so the course is entirely on school property, due to the heat we will run on time once one race finishes the next will begin, so have your runners at the start line early. We will accept **3A and down** but you must email. Once we fill we can no longer accommodate schools and the field will be closed. **You are not entered until you receive confirmation.**

We are not equipped for a lot of schools so this should be a small meet and give your athletes the ability to be successful. We will give 12 medals to each of the following groups:

Coaches Meeting at 9:00

9:15 JH 7 & 8 girls	\$50 team or \$10 individual
9:30 JH 7 & 8 boys	\$50 team or \$10 individual

Upper and Lower Elementary runners will all receive participation ribbons"

9:45 Upper Elementary 4-6 girls	\$50 team or \$10 individual
10:00 Upper Elementary 4-6 boys	\$50 team or \$10 individual
10:15 Lower Elementary 3 grade and below girls	\$50 team or \$10 individual
10:30 Lower Elementary 3 grade and below boys	\$50 team or \$10 individual

Make checks payable to Hanna Cross Country
Please email by SEPTEMBER 3rd so we know we have you entered

Parking is in front of the gym on 2nd street. Teams and guest will walk across campus to the baseball field.

Roads leading to the baseball field will be blocked. **DO NO USE 3RD STREET!** Coaches please make sure your parents know this.

We want everyone to enjoy themselves and not to have anyone upset because they did not know the road is blocked; cars using 3rd street will have to back to the highway and the road is narrow. Road closure is to ensure the safety of the students and spectators and we appreciate your help.

When runners finish the race – water will be made available to them.

Please contact me with any questions
