Course Maps..... Please see the General Information on the Meet Information page for course maps ([link](#)).

Course Information.....The course is a one-mile grass loop built for speed and visibility, with wide turns and virtually no elevation change. Each loop includes one sidewalk crossing, which will be covered with artificial turf. The 2-mile race will use two shorter loops, while the 5000m and 4-mile races will cover three and four larger loops. The layout is fully contained within the Mohawk Sports Complex and offers excellent spectator access throughout the venue.

Parking..... **Team Parking:** Designated team parking will be available inside the complex near the course. Please see the General Information section on the Meet Information page for parking & traffic flow ([link](#)).
Spectator Parking: Free parking provided by **Armstrong Bank** and **Tulsa Runner** will be available in the lots just south of the finish line, as well as in all other lots inside the complex as needed. Shuttles will be provided. Please see the General Information section on the Meet Information page for parking & traffic flow ([link](#)).

Facility Rules..... Parking is allowed in designated areas only. No parking on the grass.
Glass containers and pets are not permitted at Mohawk Sports Complex.

Points of Emphasis.....The course is marked by paint, lights, flags, and natural boundaries. Runners must stay within all marked and flagged lanes. Marshals will be stationed throughout the course, especially in high-traffic areas. A runner may be disqualified for any of the following:

- 1) Failing to complete the prescribed course as defined by the legal markings.
- 2) Committing unsportsmanlike conduct, including flagrant fouls.
- 3) Receiving improper assistance from a coach, teammate not in the race, or any non-competitor connected with the team.

MileSplit Oklahoma and Oklahoma Running Company will be on-site for event coverage and promotion. Top performers and winning team head coaches should be prepared for post-race interviews.

Division Note..... Race divisions are subject to change based on upcoming OSSAA reclassification and team requests. Teams may request to compete in the 5A-6A division for stronger competition. In general, teams should not move down into the 2A-4A division unless approved by meet management.
