Claremore Zebra Cross Country Meet - JrH Girls
 Claremore Lake - September 7, 2018 - 1 Mile - Pace in Km
 INDIVIDUAL FEMALE RESULTS

We had some big problems with this race. The top 100 runners or so and the last 25-30 should have accurate places and times. The runners in the 100-150 positions probably do not have accurate places and times because things got really backed up at the finish line. A friendly FYI for coaches, don't let your entire team remove the tear off portion of their tag. Also, don't run an entire team with no race bibs. Both of those things make my job really hard.
