### **4. Coach of the Year Selection: Cross Country 2025 (Nominations + Vote)**

- a. Online nominations and voting process went exceptionally well, we recorded more participation from the membership in stark comparison to our previous in person methods and had 14 verified nominees. The largest issue we encountered were nominations from non-members or nominating non-members. We can not stress enough the importance of being a member of the OCCTCA. Join as soon as the new school year rolls around or at summer clinic. OCCTCA memberships are good for the school year, NOT calendar year. Do NOT wait until a day before you want to nominate someone or you know your athlete will be eligible for honors.

That's simply poor conduct and awful optics. There will be deadlines established for the 2026-2027 school year in an effort to hedge that issue.

- b. The following will be presented their awards during the Cross Country portion of the Summer Clinic @ UCO this coming July.
  - i. Women's Jenny Lavery (Laverne)
  - ii. Men's Doug Daffern (Sweetwater)

- 6. **Advisory Committee**
  - a. Application/ election process, elections by class.
    - i. For those interested in serving on the Advisory Board or wishing to retain their position, will complete the application and appear on the election ballot. We wanted to wait until the Classifications were released to reduce the need to redo positions due to class changes.
    - ii. Coaches from each respective class will vote for their Advisory Member (ie, Class 3A will be selected by 3A membership coaches, 5A by 5A coaches, etc...)
  - b. Job responsibilities & expectations
    - i. Committee Members represent coaches within their respective classes.
    - ii. Regular attendance at Advisory Meetings in person and via zoom as needed.
    - iii. Attend/ contribute during clinics (Round Table Discussion- Summer, Advisory Panel- Winter).
    - iv. Publish Weekly Performance Rankings (can use all resources available: OHS Track Results, Athletic.net, Milesplit Rankings, etc...)
    - v. Provide suggested regional assignments (send all information to Lenny Hatchett). Goal is to split equally the top 4 tier, mid 4 tier and the lower tier, then work geographically and with respect for both genders.

  - c. Positions up for selection:
