

Invitation process for the “2015 Meet of Champions”

Invitation to Compete - and - Invitation to Compete CONFIRMATION

The Invitation Process for the Meet of Champions was established to help produce a Final List of Accepted and Entered Invitees that will include 16 athletes for each event. The top two finishers from each event at each state meet are automatically extended an Invitation to Compete, and are considered to be an Automatic Invitee/Qualifier. Additional Invitations will be extended (in each event) to create a potential field of 16 Invitees for each event at the Meet of Champions. The next best time/mark and class may be used to determine the 2015 Final List of Accepted and Entered Invitees.

All athletes who are invited to Compete must **CONFIRM** their INTENT to Compete on-line by having their high school coach log into his/her ENDURO Entries account to complete the on-line entry and Intent to Compete CONFIRMATION. (This process is very similar to the process that each coach completed for the high school regionals.)

After the Intent to Compete (Confirmation) Deadline has passed for all entries, the Invitees that have been Accepted and Entered in the meet will be published on-line. These athletes will be included in the Final List of Accepted and Entered Invitees. **Please Note:** There may be Additional Invitees who are not Accepted and Entered in the meet. The Final List of Accepted and Entered Invitees will be published at:

Automatic Invitees / Qualifiers:

To CONFIRM your athlete's Intent to Compete you must have the Invitation Code in order to be able to add the 2015 Meet of Champions to your ENDURO Entries schedule (Step #2 within your account). - - - Once you have the Invitation Code you can proceed with the remaining steps within your ENDURO Entries account to **CONFIRM** your athlete's Intent to Compete at the Meet of Champions. Please contact Jim Coleman at the following email address to obtain the Invitation Code:

otca.ohstrack@gmail.com

(If your athlete is an Automatic Invitee/Qualifier - - - and if you (as the coach) fail to **CONFIRM** your athlete's Intent to Compete through your ENDURO Entries account before the deadline, your athlete will forfeit his/her Automatic Invitation to Compete, and will have his/her Invitation to Compete offered to an Additional Qualifier/Invitee.)

Additional Invitees / Qualifiers:

If you are the high school coach of an Oklahoma athlete who you believe may have a time/mark that will result in your athlete being extended an **Invitation to Compete** as an **ADDITIONAL** Invitee at the **Meet of Champions** you must do the following: Contact Dennis Seifried before the **Additional (Invitation) List Deadline** to have your athlete added to the **Additional (Invitation) List** for consideration. In order to have your athlete added to the **Additional (Invitation) List** for consideration, you must provide your athlete's time/mark from this year's state meet. In addition, you must provide your name, school (and school classification), personal phone number and email address.

IMPORTANT: The **Additional (Inv) List** is not available on the **ENDURO Entries website**.

If your athlete is extended an **Invitation to Compete** as an **Additional Invitee** you must request the **Invitation Code** from Jim Coleman so you can add the **2015 Meet of Champions** to your schedule within your **ENDURO Entries** account. You must then log into your account and complete the Entry and Confirmation process for your athlete before the **Intent to Compete (Confirmation) DEADLINE** for **Additional Invitees**. If you do not **CONFIRM** your athlete's **Intent to Compete on-line** before the deadline, your athlete will not be considered for the **Final List of Accepted and Entered Invitees**.
