High School, Junior High, and Grade School Track Coaches:

Turpin Schools will be hosting their annual track meets, as listed below. Both meets are sanctioned by the OSSAA. We ask that you **do not use tape for track markings**; we will furnish split tennis balls at each exchange zone and field event area. As usual, we will allow “B” teams, but will not score them unless you wish to pay a separate entry fee. In the 5-8 divisions, we will allow only one “B” team (3 individuals) per school, except in distance races. The Junior Relays will be FINALS only. The High School Relays will follow the Regional Order of Events. FAT timing will be used.

We would really appreciate your help in sending team rosters to us before the meets. We have a form, an Excel spreadsheet, you may download, fill in, and then email back. This information is accessible on our web site, www.turpinps.org, under “Athletics”, then “Track”. All Order of Events and HS Track record sheets can be accessed from the web page.

Turpin Booster Club will be hosting a hospitality room, located in the south end of the concession stand for coaches and bus drivers.

Medals will be awarded to places 1-5 and a team championship plaque in each division. Medals and team awards may be picked up after the meet in the press box. Please call if you have any questions.
