

Weatherford Eagles

Athletic Department

Coaches,

On Thursday, March 9, 2017, at 3:00 p.m., Weatherford High School and Weatherford Middle School will host an Eagle Relay Meet.

This type of meet will be held because track season in recent years has forced us all to begin our schedules earlier than ever. In early March many schools are still working to establish a conditioning base for athletes and are not necessarily ready for the competitive season. Weatherford's meet will allow teams to look at as many athletes as possible in an early competitive situation.

This meet will include middle school (boys and girls) and high school (boys and girls). First place finishers in all relay events and first place finishers in the field events will receive a first place printed baton. The only field events offered at the meet will be the **shot** and **discus**. There will be **no** meet trophies or medals awarded and **no** team scores will be kept.

The entry fee will be a \$100 for each high school team and \$100 for each middle school team. The meet will begin at 3:00 p.m. with a coaches meeting at 2:45. The meet should be completed around 6:00 p.m.
