

IMPORTANT ANNOUNCEMENT

OBU High School Track Invitational

NCAA rules bar Universities from having in-person contact with high school athletes during the day before the NCAA National Signing date. OBU's regularly scheduled Track meet is the day before this date. We can't have potential recruits on our campus.

In searching for a date to move our meet, we believe putting our meet on a date with traditional meets already in place may negatively affect those programs. For this year, OBU will not host a High School Track Meet.

Thanks to all of our loyal schools that have attended our meets in the past. We will work towards finding a date in the future that will serve as a help to our sport and our great athletes.
