

Due to construction on a new Track/Football Stadium, Henryetta is cancelling all three of our meets scheduled for this season.

The dates were:

Middle School March 24th

High School March 27th

Elementary April 22nd

Work is planned to begin the week of March 23rd.

We look forward to resuming on a new 8 lane track, runways for jumps, new shot and disc area and grandstands for spectators for the 2027 track season!
