

# OKLAHOMA MILE NIGHT

**Coaches, we would like to invite you and your athletes to participate and compete in the Oklahoma Mile Night, hosted by Deer Creek High School in Edmond, Oklahoma.**

The Oklahoma Mile Night is a night of distance running to showcase and celebrate Oklahoma distance athletes. The goal of the meet is to give Oklahoma distance athletes at all levels, from Elite high school distance athletes to JV athletes who may not get another opportunity to race this season, a chance to run a personal best in the FULL MILE (1609m). The evening will include multiple Mile races on the track, heated accurately by time and structured in size, to facilitate athletes achieving new personal bests and being able to compete well. In 2025, the event saw Mez Barth run 4:21.26 to win the boys' full Mile, with 37 more runners under 4:40, while Natalie Duggan ran 5:01.87 to win the girls' full Mile, with 28 more runners under 5:40. Overall, 77 boys broke 5 minutes for the full Mile, while 55 girls broke 6 minutes for the full Mile. We have music playing the entire night, adding to the fun & festive atmosphere! We announce and update the races as they unfold, and every race is a barnburner! Our hope and desire is to make this an event that the entire Oklahoma distance running community can and will attend on a date all can circle on their calendars. Please join us!!! Fast Track, Fast Runners - Distance Running Celebration.

- **Campsites** will be in designated grass areas around/outside the track facility & stands to properly distance.
- All warming up and/or cooling down must be done **outside the track facility**, not on the infield.
- There may be an **admission** gate for spectators per our district policy, not to exceed \$5.
