

Amazon Cash Back

Everyone likes cash back, and most everyone shops at Amazon at some point and time. Now we can benefit from our Amazon shopping by getting some cash back to benefit our athletic program. It's extremely easy to use, and with extra funds coming in we can hopefully add some programs to help our athletes.

Our Oklahoma Cross Country Track Coaches Association is a non-profit organization and Amazon is offering .05% cash back to our non-profit group with little effort.

To use this program, instead of typing Amazon.com, you type in **smile.amazon.com**. Once you get to that page, you then will type Oklahoma Cross Country Track Coaches Association in the box, and it will give us .05% back from your purchases. We will get a monthly check from Amazon. I will post how much cash back we are receiving each month.

Please share this information with friends, family and even your school.

Thank you,

Dana Hickman
