

OCCTCA All-State Nominations and Scholarship Offer
2020
Deadline: June 7, 2020

Coaches, with this year being one for the record books and for all the hard work the athletes had put in to get ready for the 2020 track season, the OCCTCA would like to honor the senior athletes with All-State recognition.

To nominate a senior athlete, you will need to email the (A)athlete's name, (B)classification, (C) event, (D)official performance and (E) meet location from last year (2019), so that we may confirm the performance. Email nomination(s) to the coach listed below, according to classification. If we can't confirm the submitted performance, that athlete will not be eligible to win. You may enter your senior athlete in four events but they will only be recognized in one. If you had a senior on a relay team, you may nominate that relay team along with the team's official time. Note: Only F.A.T. meets will be considered.

To be recognized by the OCCTCA, the coach must be a current member of the OCCTCA.

The OCCTCA would also like to offer one senior girl and one senior boy a \$250 Scholarship to the college of their choice. To win the scholarship, they must have competed in track and field last year (2019) and be continuing their track and field career at the collegiate level. Each applicant must fill out the scholarship application and return it to the coach listed below according to classification. *The coach must be a member of the OCCTCA.* Deadline for applications is also June 7th.

Those wishing to become a member, the form can be found on the ohstrack.com website.
